Organized Crime in the United States, 1865-1941 Kristofer Allerfeldt, 2018-02-06 Why do Americans alternately celebrate and condemn gangsters, outlaws, and corrupt politicians? Why do they immortalize Al Capone while forgetting his more successful contemporaries, George Remus or Roy Olmstead? Why are some public figures repudiated for their connections to the mob while others gain celebrity status? Drawing on historical accounts, the author analyzes the public's understanding of organized crime and questions some of our most deeply held assumptions about crime and its role in society.

Italian Louisiana Alan G. Gauthreaux, 2022-05-10 A history of the Italian immigrant communities in Louisiana at the close of the nineteenth century and the difficulty they faced acclimating to American society. Though the Italian contribution to Louisiana's culture is palpable and celebrated, at one time ethnic Italians were constantly embroiled in scandal, sometimes deserved and sometimes as scapegoats. The new immigrants hoped that they would be welcomed and see for themselves the streets paved with gold. Their new lives, however, were difficult. Italians in Louisiana faced prejudice, violence, and political exile for their refusal to accept the southern racial mores. Author and historian Alan Gauthreaux documents the experience of those Italians who arrived in Louisiana over one hundred years ago. This historical survey was no easy task, and the presentation of this intriguing chapter in Louisiana's rich history is quite impressive. Any Louisiana library would be incomplete without *Italian Louisiana*, an extensively researched, evenly paced, and well-balanced account of the unique Italian experience in Louisiana. Florent Hardy Jr., Ph.D., state archivist for Louisiana State Archives. Immigration historians have largely focused on the northeast and California when studying the history of Italian Americans in this country. We are therefore grateful to Alan Gauthreaux for his well-researched study on how Italian immigrants to Louisiana fared. More than a hundred years ago, thousands of Italians, mainly from Sicily, were imported to Louisiana to work in the sugar cane fields that the newly freed slaves avoided. The Italians faced serious obstacles, including prejudice and violence. In fact, the

biggest mass lynching in American history occurred in 1891 when a New Orleans mob slaughtered 11 Italians including a teen age boy after they had been found innocent of murdering a police officer But Gauthreaux also explores how through hard work and strong values these immigrants eventually secured a much brighter future for themselves and their descendants A must read for anyone interested in Italian Americans and their story Dona De Sanctis PhD editor in chief Italian America Magazine
