Wiersbe, 1992-08 Uses the Bible to offer comfort and support to the parent grieving the loss of a child including the process of mourning, marital problems, questions, and acceptance, and contains information about additional reading and support groups. **Finding Life After Losing One** Nikki King, Alice Rampton, 2016 The pain of losing a child to death is real. Friends, family, and parents of children of all ages who have passed on will find an empathetic voice in this book full of real-life advice from parents who've been there. Learn what to do as a parent, what not to say as a friend, and how to preserve precious memories during times of mourning and moving forward. *After the Death of a Child* Ann K. Finkbeiner, 2012-12-11 For a parent, losing a child is the most devastating event that can occur. Most books on the subject focus on grieving and recovery, but as most parents agree, there is no recovery from such a loss. This book examines the continued love parents feel for their child and the many poignant and ingenious ways they devise to preserve the bond. Through detailed profiles of parents, Ann Finkbeiner shows how new activities and changed relationships with their spouse, friends, and other children can all help parents preserve a bond with the lost child. Based on extensive interviews and grief research, Finkbeiner explains how parents have changed five to twenty-five years after the deaths of their children. The first half of the book discusses the short and long-term effects of the child's death on the parent's relationships with the outside world, that is, with their spouses, other children, friends, and relatives. The second half of the book details the effect on the parent's internal world: their continuing sense of guilt, their need to place the death in some larger context, and their inability, sometimes, to consistently do so. Their new set of priorities, the nature of their bond with the lost child, and the subtle and creative ways they have of continuing that bond. Finkbeiner's central point is not so much how parents grieve for their children, but how they love them. Refusing to fall back on pop jargon about recovery or to offer easy solutions or standardized timelines, Finkbeiner's is a genuine and moving search to come to terms with loss. Her complex profiles of parents resonate with the honesty and authenticity of uncomfortable emotions expressed and most importantly shared with others experiencing a similar loss. Finally, each profile exemplifies the many heroic ways parents learn to live with their pain and, by so doing, honor the lives their children should have lived. **Life After Losing A Child** Antonette Smith, 2021-09-24 *Life After Losing a Child* is dedicated to my son Antonio Smith, Scott May 23 1992-March 5 2013, and in honor of my mother Flora Scott, August 25 1949-January 3 2020, who birthed eight children and lost six before her own death. *Life After Losing a Child* is based on my own experiences from a mother's perspective, losing a child, from a sibling's perspective, losing brothers in early

childhood how the death of my brothers affected my parents and our family I also share how losing my own son affected my family my four other children and their father Millions of parents lose a child every day and are left struggling trying to not be overtaken with grief for the rest of our lives We suffer from guilt shame hurt pain and sorrows until we allow Jesus to heal us Losing a child from a miscarriage stillbirth sickness deformities abortions accidents or homicides all these losses of a child carries the same hurts pains sorrows and grief The loss of these children leaves a void in all our lives as a family I pray by sharing my loss and grief process you will seek Jesus for healing for yourself and family That you will be empowered to live your best life after the loss of a child or sibling I pray you will live to the fullest capacity God has intended Jesus died to give you with the Holy Spirit guiding you a life of purpose not only for yourself and family but for the child that is gone but not forgotten
