Rosemary A. Cunliffe North, 2008-03-24 Gambling like any other addiction is overpowering it can and will drive you to insanity If you have not succumbed to insanity it just might cause you to consider committing a crime to obtain finances so you may continue with your addiction to gamble thus leading you closer to the gates of prison or worse yet death I came much too close to getting arrested for a felony like a few of my sisters I have tried and failed at committing suicide on three different occasions There are those brothers and sisters in the fellowship who have succeeded at suicide You just might go so far as to embezzle funds from your employer There are those sisters who have spent time incarcerated for their crimes and yet others are still in prison A quote taken from my Gamblers Anonymous handbook states The persistence of this illusion is astonishing Many pursue it into the gates of prison insanity or death My choice was life over death sanity over insanity and the thought of prison scares me My life free from gambling the love of God and family is far more important to me to ignore After seven plus years of frenzied uncontrollable insanity I have turned my life over to my Higher Power my God Jesus Christ He has helped me through all my adversity above all else He has restored my love for Him and family Gambling is described as one of the most baffling and insidious addictions that can never

be cured but it can most definitely be arrested through diligent hard work in the Gamblers Anonymous Program Two words in my vocabulary baffling and insidious remind me what gambling will do to you The word baffle in my dictionary is described as frustrate thwart foil and perplex The meaning of the word insidious enralls me the most ambush sly treacherous seductive and the meaning that tears at my heart the most is having a gradual and cumulative effect subtle As the snake slithers through the grass seeking its prey for food so does gambler seek funds to feed their addiction to gamble Unfortunately the gamblers addiction is a slow subtle and treacherous deterioration unbeknownst especially to the gambler herself Gambling will perplex you it will frustrate you and above all it will thwart every emotion you possess It will turn you into that slithering snake You will become enthralled by anger greed and hatred You will destroy everything good in you If you are suffering from a gambling addiction reach out for help through Gamblers Anonymous grasp the program with all your might and take it to heart for it may just save your life Tails I Lose Justyn Rees Larcombe,2014-07-18 Justyn Rees Larcombe had it all Around his beautiful home were the mementoes of success the Sword of Honour awarded by the Queen when he left Sandhurst the silver photo frames with the pictures of his much loved wife and family the rooms full of the rewards of a City career But Justyn had a parallel life he gambled Gradually he allowed it to take over everything getting through a staggering three quarters of a million pounds some his own money some his wife s and some belonging to the company he worked for The crunch came he lost his job his wife left him taking his sons and anything that could be sold was and then gambled away again One day he had no alternative but to go back to his mother s home and start again Today Justyn has a high profile in the media talking about the dangers of gambling and helping others coping with gambling addiction *Casino* Camillus Sim,2010\* **Losing Your Shirt** Mary Heineman,1994 An experienced counselor clearly describes the progression of compulsive gambling as it affects the gambling addict and the spouse Through poignant personal stories Heineman explains how Twelve Step recovery applies to both gamblers and their spouses and stresses the need for therapy in some cases **Hats & Eyeglasses** Martha Frankel,2008-02-14 Martha Frankel grew up in a warm loving family of diehard gamblers where her father s poker games and her mother s mah jongg blended happily with big pots of delicious food and endless gossip As kids she and her cousins bet on everything from which of their Weight Watching mothers would lose the most to who could hold their breath longest underwater or eat the most matzo But once Frankel left for college and later became a successful entertainment journalist gambling didn t factor much into her life She thought her family legacy had passed her by In this fast paced and amazingly funny *The Times Picayune* memoir Frankel traces her love affair with poker an obsession that didn t hit until her mid forties And she was good at poker Frankel won routinely whether she was playing in her Wednesday night poker game or in one of the seedy out of the way rooms she always managed to find when on assignment But all this changed when she discovered online poker It was the beginning of what one of her uncles called hats and eyeglasses a term used to describe those times when you re losing so bad your ship is sinking until all that s

left on the water's surface are your hat and eyeglasses By turns hilarious and heartbreaking **Hats Eyeglasses** is a tale of passion addiction and those times in life when we almost lose our shirt **Double Down** Frederick Barthelme, Steven Barthelme, 2001-05-21 An exquisitely crafted memoir by two brothers who lost their parents lost their inheritance and almost lost their freedom The Wall Street Journal Frederick Barthelme and his brother Steven were both accomplished respected writers with stable adult lives when they lost both of their parents in rapid succession They had already lost their other brother just a few years earlier Suddenly they were on their own emotionally unmoored and unprepared for what would happen next Their late father had been a prominent architect and the brothers were left with a healthy inheritance Over the following several years they would lose close to a quarter million dollars in the gambling boats off the Mississippi coast Then in a bizarre twist they were charged with violating state gambling laws fingerprinted and thrown into the surreal world of felony prosecution For two years these widely publicized charges hung over their heads shadowing their every step **Double Down** is the wry often heartbreaking story of how Frederick and Steven Barthelme got into this predicament It is also a reflection on the allure of casinos and the pull and power of illusions that can destroy our lives if we aren't careful One of the best firsthand accounts ever written about organized gambling Like Goodman Brown taking a walk with a hooded stranger into the darkness of the New England woods the Barthelme brothers suddenly find themselves inside the maw of the monster The compulsion to control to intuit the future to be painted by magic could not be better or more accurately described James Lee Burke Beautifully evoking the gamblers addiction their mesmerizing account is best read as a novel Camus might have imagined with the writer protagonists as their own lost characters A work of high art enthusiastically recommended Library Journal **Bust** Adam B.
