**The Lost Dragons of Barakhai** Mickey Zucker Reichert,2019-02-21 When Benton Collins returned from Barakhai where magic had turned all but the royal family into inadvertent shapeshifters he thought his adventures were at an end But the friends he d left behind still needed his aid and Ben had to return to join in their desperate quest **The Beasts of**

**Barakhai** Mickey Zucker Reichert,2019-02-14 Pursuing an escaped white lab rat from his college biology lab Benton Collins a graduate student follows the rodent into a storeroom and through a secret gateway into another world whose inhabitants are shapeshifters capable of transforming from human to animal form *The Children of Wrath* Mickey Zucker

Reichert,2019-04-02 The mortal kingdoms are caught up in a shared catastrophe cursed with sterility by the magic of the dark elves Still what elves have caused they may perhaps put right Humanity s last hope hinges on a magical talisman the Pica Stone One of only nine solid objects ever created by magic the Pica Stone was shattered in the days of the last Wizards But when Captain oldest of the elves joins with his fellow light elves to work a spell to draw together all the scattered pieces of this legendary gem eight shards remain missing lost on worlds throughout the planes of existence The elves spell shift a party of questers to each of these worlds to find the shards Among the chosen are the Renshai warrior Kevral her husband Ra khir the knight and Tae a newly made prince and former thief Each world offers unique challenges but with the extinction of the human race as the price of failure there can be no turning back **Shadow Climber** Mickey Zucker

Reichert,2019-04-18 His father wrongly executed when he was a child Taziar Medakan had turned to stealing for his survival He was the Shadow Climber skilled at remaining one with the shadows unseen in the midst of his enemies And he stole not for profit but for the challenge of it donating most of his booty to those in need But though Taz could defeat any trap he wasn t prepared for the treachery of Ilyrian a cunning politician ready to sacrifice the Shadow Climber to gain power himself So Taz found himself in the baron s dreaded dungeons from which even a master thief s only escape might be death There he met Moonbear a prince among barbarians a swordsman beyond compare and Taz s last hope for salvation Together the two sought their pathway to freedom But it was a pathway that would set a whole kingdom on their trail in a pursuit led by Ilyrian and a Dragonrank sorcerer on his own mission of magical revenge **By Chaos Cursed** Mickey Zucker

Reichert,2019-04-30 For Al Larson it all began with his death in a fire fight in Vietnam He woke from this certain death to find himself alive in a body and a world that was not his own Transformed into an elven warrior he became an unsuspecting pawn of the Norse gods claimed as a weapon by both the forces of Chaos and of Law Faced with challenges that would take him to Hel and back Al made a place for himself in a land of swordsmen and spell casters and after slaying one god he found himself leagued with sorceresses and a master thief in the endless battle against Chaos But when Al and Shadow the thief slew the Chaos dragon they unleashed a magical force beyond anyone s power to contain And Al and his companions would be forced to work a desperate magic to flee back to a twentieth century America which was not quite the one from which Al

had originally come But Chaos would not let Al Shadow and the Dragonrank mages Silme and Astryd escape so easily and a mortal man once again Al would find himself caught in a desperate fight to save everyone he held dear as Chaos pursued him into the heart of New York City     *The Bifrost Guardians: Volume Two* Mickey Zucker Reichert,2000-11-01 Now in one volume the final two novels in the startlingly original Bifrost Guardians series an epic saga of a Vietnam soldier sent through time and space Shadow s Realm When Shadow received a message that Shylar needed his aid the master thief and his three companions Allerum once a twentieth century American soldier but now an elf swordsman and the Dragonmages Silme and Astryd immediately set out for Shadow s hometown of Cullinsberg For Shylar town madam and high in the thieves underground was all the family Shadow had But Cullinsberg was an armed trap waiting to close on them For they had slain the Chaos Dragon and unleashed a force of pure Chaos a force which then bonded with the single greatest surviving Dragonmage Driven by Chaos induced madness this master of powers far beyond theirs would use anyone and any means to take his deadly revenge on these four warriors of Law By Chaos Cursed For Al Larson it began with his death in a firefight in Vietnam He woke from death to find himself alive in a body and a world not his own Transformed into an elf warrior he became an unsuspecting pawn of the Norse gods claimed by both Chaos and Law Faced with challenges that would take him to Hel and back Al teamed up with two sorceresses and a master thief in the endless battle against Chaos But when Al and Shadow the thief slew the Chaos Dragon they unleashed a magical force beyond anyone s power to contain Working a desperate magic Al and his companions fled back to a twentieth century America which was not quite Al s own But Chaos wouldn t let Al Shadow and the Dragonrank mages Silme and Astryd escape so easily A mortal man once again Al found himself caught in a last ditch fight to save everyone he held dear as Chaos pursued him into the heart of New York City

**The Western Wizard** Mickey Zucker Reichert,2019-02-28 When Odin breathed life into the mortal realms he also created the Cardinal Wizards the Northern Wizard as the representative of Good the Southern as master of Evil and the Western and Eastern as the keepers of the balance between Good and Evil each neutral both sharing the burden of holding their fellow magic wielders in check But now the days decreed in ancient prophecy have come upon the mortal realms The Great War has been fought and a Renshai has proven its Champion Yet even as the war s heroes struggle to place the rightful king of Bearn upon his throne and the also true Renshai seeks to train a new generation of his warrior race the word is carried forth on falcon s wings that the Western Wizard is no more And unless Shadimar the Wizard of the East can find the one mortal with any hope of surviving the challenge of the Seven Tasks of Wizardry the worlds of gods and mortals alike will fall     **The Immortal Renshai** Mickey Zucker Reichert,2019-05-28 Based on Norse mythology the third installment of the Renshai saga concludes the tale of three brothers caught in a dangerous magical confrontation against which humans and elves must band together to preserve their worlds After a cataclysmic magical confrontation that shakes the very roots of Midgard elves and humans alike struggle to put the pieces of their lives back together But with many among them cast out of

their own world and stranded in the Outworlds the chances of rescuing all those lost souls seems very slim While elves can find those of their own race they cannot track humans in the same way Perhaps if the powers of the elves the human mages of Myrcid and the one surviving Kjempe magiska the sorcerer Kentt can be combined they can bring back most of those lost in chaos Saviar Subikahn and Calistin the three Renshai brothers must all face their own personal demons as they attempt to find their destinies in this radically changed world Even the royal family of B arn will find everything they value placed at risk Only if the brothers their friends family allies and former enemies can find a way to work together will they have any hope of healing Midgard and carving out the path to a better future for all      The Last of the Renshai Mickey Zucker

Reichert,2019-02-21 The Last of the Renshai is the first volume of a sword and sorcery saga that is enormous in conception and full of complex and arresting fantasy detail The adventure arises from the trials of a lone warrior a champion driven to avenge the genocide of his race The magic lies with the immortal realms this is a world controlled by four wizards whose strife not only presages the conflicts and wars of humans it also threatens consequences and destruction on a world wide scale And the last Renshai is doomed to take on all he will be the key for humans wizards and gods alike Throw in a fabulously detailed rich fantasy world and you have a tremendous value for money page turning epic      **The Nightfall**

**Duology** Mickey Zucker Reichert,2018-04-03 Legendary thief lethal assassin powerful sorcerer this epic fantasy duology follows the adventures of the elusive man known as Nightfall as he struggles between his criminal past and his present obligation to protect the King Darkness comes where Nightfall goes He has been known by countless names and terrifying deeds throughout the lands of mankind thief magic wielder swordsman assassin adventurer But chief among those names and perhaps the most dangerous of his personae is that of Nightfall a man or perhaps the legendary demon himself gifted with unique powers which any sorcerer would kill to possess Yet though Nightfall has always escaped his pursuers by moving on to new realms new identities and new enterprises even the cleverest of beings must occasionally slip And when this master of the night finally falls prey to a royal trap he finds the consequences beyond even his ability to evade Bound by sorcery and oath to guard and guide a young prince on his quest Nightfall will need every trick and talent at his command to keep both himself and his idealistic young charge from death at the hands of unknown betrayers      *Dragonrank Master*

Mickey Zucker Reichert,2019-04-18 Godslayer was the name Al Larson earned when torn away from the midst of the firefight in Vietnam and catapulted to a time and place where the Norse gods fought a deadly war of their own he was instrumental in the death of Loki a key lord of Chaos But now Larson the master swordsman Gaelinar and the elusive thief known as the Shadow Climber were about to embark on an even more desperate quest For the balance between Chaos and Law had been all but lost Fenris Wolf stalked the lands of men thirsting to drink the lifeblood of Larson and Gaelinar while Hel herself sought vengeance for Loki s destruction Pursued by these foes out of nightmare could Larson and the others survive long enough to recover the one hope of the forces of Law the legendary rod of Geirmagnus the first Dragonrank mage a mission

that would take them from the citadel of Dragonrank powers to war torn Vietnam to Hel's dark realm and beyond **The Return of Nightfall** Mickey Zucker Reichert, 2019-02-26 In 1993 a character took the fantasy world by storm He was known by countless names and terrifying deeds thief magic wielder swordsman assassin adventurer But chief among those names and the most dangerous of his personae was Nightfall a man or perhaps the legendary demon himself gifted with a power any sorcerer would kill to possess Now Nightfall makes his triumphant return in a spellbinding new adventure that sweeps readers from the high courts to the darkest dungeons from piracy and derring do at sea to sorcerous encounters and cutthroat attacks in enemy territory Bound by sorcery and oath to guard and guide Prince Edward on his quest Nightfall is forced to reveal his true name Sudian and to use every trick at his command to keep himself and his idealistic young charge alive And when Edward suddenly becomes a king he makes Sudian his advisor But advisor or not Sudian cannot dissuade King Edward from a journey to repay a debt of honor to Duke Varsah an expedition that ends in disaster when all of Edward's guards are slain and the king himself vanishes without a trace Now Sudian must turn to Duke Varsah for aid But is he putting himself into the clutches of the very man responsible for Edward's disappearance a man whose greatest desire is vengeance against Sudian himself **Godslayer** Mickey Zucker Reichert, 2019-04-11 Gods Magic Mortal's Doom In a land where magic is real where elves and dragons menace the unwary and where the Norse gods wage a deadly campaign using mortals as their favourite pawns Loki god of deception and Freyr god of war are locked in a battle that could tip the universal balance toward order or eternal chaos Searching the alternate timeways Freyr has reached out to snatch Al Larson twentieth century American soldier from the midst of a fire fight in Vietnam flinging him through time and space into the body of an elvish warrior to stand against Loki and his sorcerous ally Bramin Torn from a world where bullets and grenades are the weapons of choice and locked into an elvish body on a world where sword and spell are the means of battle Al must adapt swiftly or die For the gods have marked him as their own private battleground and Al's only chance rests in completing the quest Freyr has set him a quest that will lead him to the very gates of Hel where he must save a god or destroy one **Flight of the Renshai** Mickey Zucker Reichert, 2019-04-02 Continuing the saga begun in the Renshai trilogy and the Renshai Chronicles this story follows three sons of Kevral Tainharsdatter Saviar Ra khirsson Subikahn Taesson and Calistin Ra khirsson Bearn and her allies including the Renshai are faced with pirates the vanguard of an army sent from a continent across the sea Prejudice against the Renshai is growing rapidly fueled by their ancient enemies in the Northlands After a questionable battle King Griff of Bearn is reluctantly forced to banish the Renshai from the Westlands Shunned by Westerners and hunted by Northmen the Renshai will face many trials while Saviar Subikahn and Calistin must each take his own stand in a world where there are no longer any safe havens for their people Yet not only the Renshai are in dire straits without their aid Bearn may well fall to the pirate army fast approaching its shores **Prince Of Demons** Mickey Zucker Reichert, 2019-03-26 THE BALANCE BETWEEN LAW AND CHAOS has long been maintained by the rulers of Bearn but the death of the current king

has enabled the elves to magically substitute one of their own on the throne And under the leadership of Dh arlo m the dark elves are preparing to claim their long sought vengeance on mankind But when the small party which set out to find and bring back the last possible heir to the throne returns to B arn Dh arlo m realizes that even magic and murder combined will not be enough to overturn the balance Now his solution must hinge on B arn s burden and treasure the Staffs of Law and Chaos Within these plain pieces of wood dwell the essences of Law and Chaos each eternally seeking its Champion to destroy the other Lured into one Staff s power Dh arlo m seeks to seduce the mortals into championing the other And with all the worlds teetering on the brink of doom it falls to Colbey Calistinsson son of the god Thor and the greatest of Renshai warriors to select that Champion If he chooses wrongly all life will come to an end Yet even success will come at a high price For the only way to insure that this danger can never arise again is for both Champions and Staffs to be totally annihilated *The Unknown Soldier* Mickey Zucker Reichert,2019-03-05 When Shawna Nicholson Chief Resident of an Iowa hospital treats an emergency patient who came from the future with multiple wounds and amnesia neither Shawna nor the mystery man is prepared for the deadly pursuers determined to destroy Shawna s patient and anyone who tries to stop them Child Of Thunder Mickey Zucker Reichert,2019-03-14 Colbey last of the Renshai has completed his duties in the mortal world Now he must face the Seven Tasks of Wizardry and learn whether he is truly the next Western Wizard the keeper of neutrality But even as he endures these god controlled challenges he learns there is an eighth far more dangerous task Dangerous not only to himself but to the worlds of both humans and gods And even if he survives it there are those among the gods wizards and mortals alike who will unite against him and their actions could catalyse destruction on a scale never yet conceived Each volume of The Last of the Renshai is a stand alone adventure they can also be read in sequence Centred on the adventures of a lone hero they form an engrossing sword and sorcery epic **The Legend of Nightfall** Mickey Zucker Reichert,2019-02-19 He has been known by countless names and terrifying deeds throughout the lands of mankind thief magic wielder swordsman assassin adventurer But chief among those names and perhaps the most dangerous of his personae is that of Nightfall a man or perhaps the legendary demon himself gifted with unique powers which any sorcerer would kill to possess Yet though Nightfall has always escaped his pursuers by moving on to new realms new identities and new enterprises even the cleverest of beings must occasionally slip And when this master of the night finally falls prey to a royal trap he finds the consequences beyond even his ability to evade Bound by sorcery and oath to guard and guide a young prince on his quest Nightfall will need every trick and talent at his command to keep both himself and his idealistic young charge from death at the hands of unknown betrayers **Flightless Falcon** Mickey Zucker Reichert,2019-05-11 Tamison is a flightless falcon a worthless man who cannot even work to feed his family Once a miner like the rest of his family he lost his nerve after a cave in trapped him and killed his father and brother Discovering his wife and children have vanished stolen away by the Brotherhood he renames himself in their image Suedan A ratty stray dog joins him then a fortune teller with a
