Lost Films of the Fifties Douglas Brode, 1988 How do you define forgotten A lost film to my mind is a movie that has yet to evolve as a cult film but which has the potential to One rule of thumb in compiling the hundred films I write about here and the selection process was a long painful one was that I would severely limit the number of films featuring big stars I put a high priority on emphasizing movies that ought to be anthologized but which probably never would unless I included them here from Introduction
