Lost in Africa Stu Taylor,2007 *The Retornados from the Portuguese Colonies in Africa* Elsa Peralta,2021-09-09 Placed in the wider scope of post war European decolonisation migrations The Retornados from the Portuguese Colonies in Africa looks at the Return of the Portuguese nationals living in the African colonies when they became independent Using an interdisciplinary research agenda the book presents a collection of research essays written by experts in the fields of anthropology history literature and the arts that look at a wide range of memory narratives through which the Return as well as the experiences of war violence loss and trauma have been expressed contested and internalised in the social realm These narratives include testimonial accounts from the so called retornados from Africa and their descendants as well as works of fiction and public memory novels television series artworks films or social media that have come to mediate the public understanding of this past Through the dialogue between these different narrative modes this book intends to explore the interplay between official memory the lived experience and fiction thus contributing to build an empirical basis to critically discuss the memory of the end of the Portuguese empire within postcolonial Europe This book will be of great interest to postgraduates researchers and academics most notably the ones working in the fields of postcolonial studies cultural studies and memory studies

Nyerere and Africa Godfrey Mwakikagile,2007 This is the fourth edition of Nyerere and Africa End of an Era It is also the largest and includes new material not found in previous editions The work is a comprehensive study of the political career of President Julius Nyerere spanning half a century The author takes a critical look at Nyerere s policies and influence in the domestic and international arenas for an objective evaluation of the life and times of one of the most influential leaders in the twentieth century The major role he played in the liberation of southern Africa is just one of the subjects addressed by the author He also provides insights into Nyerere s personality from some of the people who knew him best Included in the book are interviews with some of the people who knew Nyerere since his childhood Some of them were his teachers And they outlived him Others were his schoolmates and colleagues in government and when he was a teacher And some of them were his students Also included are interviews with some of his family members This is an essential study of post colonial Africa It is also a study in political leadership and Cold War politics in the African context among many other subjects addressed in the book which should serve as a reference text for scholars and laymen alike interested in Africa and the Third World in general
