## Lost Mountain Days:

Lost Mountain Days Robert Lee Howell, 1973      **Men of Our Day** Linus Pierpont Brockett, 1868      *Kentucky* William Henry Perrin, J. H. Battle, G. C. Kniffin, G. S. Kniffin, 1887      **To Succeed or Perish** Lawrence Lee Hewitt, Thomas E. Schott, 2024-01-12

With the Conscription Act of 1862 the Confederacy enacted the first military draft in American history. Rather than face duty with strangers in an uncertain locale, twenty-eight-year-old Edmund Trent Eggleston of Warren County, Mississippi, took advantage of a thirty-day grace period and joined his neighbors in volunteering for duty in Company G of the 1st Mississippi Light Artillery Regiment. Throughout his service, Eggleston kept a detailed account of his daily activities and those of his unit, a diary that remains one of the very few primary sources from a Confederate artilleryman in the West. In *To Succeed or Perish*, editors Lawrence Lee Hewitt, Thomas E. Schott, and Marc Kunis present Eggleston's diaries along with his letters and ledgers to offer a rare personal perspective on life behind the cannons in the Civil War's Western Theater and a fascinating window into the world of the Confederate soldier. Eggleston describes garrison duty near Vicksburg where he enjoyed visits from his wife and children, the battery's first engagement with the enemy at Champion Hill on May 16, 1863, and his service during the 1864 campaigns in Georgia and Tennessee. He offers a significant firsthand account of the Atlanta campaign, including the fighting at Resaca, Cassville, New Hope Church, Kennesaw Mountain, and the Chattahoochee River, as well as the siege of Atlanta. Because of the destruction of Hood's Army, Confederate records of these engagements are extremely rare, and Eggleston's observations are invaluable. In Tennessee, he recounts the action at the Battle of Nashville and the capture of his battery. Featuring an introduction that traces the wartime actions of Company G, as well as a complete roster of the men with whom Eggleston served, *To Succeed or Perish* provides an important primary account of artillery service in an underrepresented theater of the Civil War. Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University. He is the author of *Port Hudson: Confederate Bastion on the Mississippi* and co-editor of six anthologies dealing with America's Civil War. Thomas E. Schott worked as a historian for the Department of Defense. He is the author of *Alexander H. Stephens of Georgia: A Biography*, winner of the Jefferson Davis Award, and co-editor with Lawrence Hewitt of *Lee and His Generals: Essays in Honor of T. Harry Williams*. Marc Kunis is a certified public accountant and the director of accounting at Resolution Productions.

The Quest Tom Dongo, 1993-08-01. This book is a sequel to the first two. It contributes an added dimension to my earlier information. Sedona seems to reflect the best qualities or perhaps I should say combined qualities, the essences and elements of the Great Pyramids, Glastonbury, Stonehenge, Ayers Rock, Mount Shasta, the South American Pyramids, Peru, Tibet, Nepal, India, Lourdes, and many other power places around the world. How can I make such a claim? For the reason that I interact on a regular basis with individuals from virtually every corner of the Earth who have spent time in those sacred and mysterious places. Through these travelers, I have learned that there is simply no other place like Sedona.

*The Road Past Kennesaw* Richard M. McMurry, 1972      Walter McElreath Walter McElreath, 1984

"*Our Connection with Savannah*" Russell K. Brown, 2004 From the outset the 1st Battalion Georgia Sharpshooters had problems Much of the trouble lay in the organization of Civil War regiments and companies Most companies in the early years of the war were made up of men from the same town or county The concept of the sharpshooters was alien to this home town tradition Men were asked to leave the comfortable companionship of their neighbors and friends and go into a unit with people they had never met before Despite its uncertain beginning the battalion was molded into a fine unit by the skill and energy of its officers and non commissioned officers The sharpshooters early won the praise of higher level commanders and inspecting officers However as the war dragged on the battalion was reduced in numbers morale and efficiency Notwithstanding its poor performance in the last months of its life the unit has a high reputation that was well deserved A Civil War veteran and historian called the sharpshooters one of the best drilled and most efficient battalions in the service This book objectively examines the organization leadership and performance of the sharpshooters follows their wartime experiences and devotes considerable attention to the individual soldiers If the story of the 1st Battalion Georgia Sharpshooters has not been a well known story it is now
