Lost Touch Of Blib:

My Son, Blib. Mandy Aitken, 2016-04-23 In the weeks following the death of my son Tony aged just Thirteen I started writing his memoirs as cathartic therapy in an effort to make some sense of the turmoil I was experiencing and to contain the anger I was feeling Tony was to experience many prejudices in his life Bullied from a young age racism and from the age of nine he was to live as a diabetic that proved to be brittle and difficult to control Tony always rose to his challenges with a winning smile and a maturity that belied his age He experienced premonitions including his own death He was a strange mysterious child but he enriched the lives of all those who knew him I know Tony would wish for any person working in the medical or educational fields To read his book thereby preventing any other child suffering the injustices he was forced to endure I still take strength from my son every single day and for all bereaved parents that feel such isolation please read my book You are not alone Bulletin Indian Library Association, 1967 *The Law Librarian*, 1990 Life Insurance

Duke Ellington worked his magic at The Cotton Club from 1927 to 1931 and that on Miles Davis's thirteenth birthday his father gave him his first trumpet. Jazz is fast moving and this edition clearly and concisely maps out an often dizzying web of professional associations. We find for instance that when Miles Davis was a St Louis teenager he encountered Charlie Parker and Dizzy Gillespie for the first time. This meeting proved fateful and by 1945 a nineteen year old Davis had left Juilliard to play with Parker on 52nd Street. Knowledge of these professional alliances along with the countless others chronicled in this book are central to tracing the development of significant jazz movements such as the cool jazz that became one of Miles Davis's hallmarks. Arranged alphabetically according to last name each entry of this book chronologically lists the highlights of every jazz musician's career. Highly accessible and vigorously researched *The Biographical Encyclopedia of Jazz* is quite simply the most comprehensive jazz encyclopedia available.
