BEVIN ALEXANDER

Lost Victories The Military Genius Of Stonewall Jackson

John C. Fredriksen

Lost Victories The Military Genius Of Stonewall Jackson:

Lost Victories Bevin Alexander, 2004 While studies of the American Civil War generally credit Robert E Lee with military expertise this account argues that Stonewall Jackson was superior strategist who could have won the war for the South Had Lee accepted Jackson s plan for an invasion of the North the South might have surprised and dismayed the Union forces into defeat Using primary sources the author reconstructs the battles that demonstrate Jackson s brilliance as a commander

The Stonewall Brigade in the Civil War Steven M. Smith and Patrick Hook, **How the South Could Have Won the Civil War** Bevin Alexander, 2008-11-25 Destroying conventional historical wisdom acclaimed military historian Bevin Alexander reveals how the South most definitely could have defeated the North and how close a Confederate victory came to happening Alexander shows How the Confederacy had its greatest chance to win the war just three months into the fighting but blew it How the Confederacy s three most important leaders President Jefferson Davis and Generals Robert E Lee and Thomas Stonewall Jackson clashed over how to fight the war How the Confederate army devised but never fully exploited a way to negate the Union s huge advantages in manpower and weaponry How Abraham Lincoln and other Northern leaders understood the Union s vulnerability better than the Confederacy s leaders did How the South Could Have Won the Civil War provides a startling account of how a relatively small number of tactical and strategic mistakes cost the South the war and changed the course of history **Military Law Review** ,1996 *Major General Robert E Rodes of the Army of Northern Virginia* Darrell Collins, 2008-06-20 FINALIST FOR BIOGRAPHY 2008 ARMY HISTORICAL FOUNDATION DISTINGUISHED BOOK AWARD WINNER 2009 THE DOUGLAS SOUTHWALL FREEMAN AWARD FOR BEST BOOK ON SOUTHERN HISTORY Jedediah Hotchkiss Stonewall Jackson s renowned mapmaker expressed the feelings of many contemporaries when he declared that Robert Rodes was the best division commander in the Army of Northern Virginia This well deserved accolade is all the more remarkable considering that Rodes a graduate of the Virginia Military Institute and a prewar railroad engineer was one of a very few officers in Lee s army to rise so high without the benefit of a West Point education Major General Robert E Rodes of the Army of Northern Virginia A Biography is the first deeply researched scholarly biography on this remarkable Confederate officer From First Manassas in 1861 to Third Winchester in 1864 Rodes served in all the great battles and campaigns of the legendary Army of Northern Virginia He quickly earned a reputation as a courageous and inspiring leader who delivered hard hitting attacks and rock steady defensive efforts His greatest moment came at Chancellorsville in the spring of 1863 when he spearheaded Stonewall Jackson s famous flank attack that crushed the left wing of General Hooker s Army of the Potomac Rodes began the conflict with a deep yearning for recognition and glory coupled with an indifferent attitude toward religion and salvation When he was killed at the height of his glorious career at Third Winchester on September 19 1864 a trove of prayer books and testaments were found on his corpse Based upon exhaustive new research Darrell Collins s new biography breathes life into a heretofore largely overlooked Southern soldier

Although Rodes widow consigned his personal papers to the flames after the war Collins has uncovered a substantial amount of firsthand information to complete this compelling portrait of one of Robert E Lee s most dependable field generals Darrell L Collins is the author of several books on the Civil War including General William Averell s Salem Raid Breaking the Knoxville Supply Line 1999 and Jackson s Valley Campaign The Battles of Cross Keys and Port Republic The Virginia Civil War Battles and Leaders Series 1993 A native of Ann Arbor Michigan Darrell and his wife Judith recently relocated to Conifer Colorado **Chancellorsville 1863** Carl Smith,2012-10-20 Fully illustrated including with battle maps this account of the Battle of Chancellorsville features detailed coverage from experienced military writer Carl Smith Following the debacle of the battle of Fredericksburg in December 1862 Burnside was replaced as commander of the Army of the Potomac by General Joseph Hooker Having reorganised the army and improved morale he planned an attack that would take his army to Richmond and end the war Although faced by an army twice his size the Confederate commander Robert E Lee split his forces Jubal Early was left to hold off Sedgwick s Fredericksburg attack and Stonewall Jackson was sent with 26 000 men in a wide envelopment around Hooker s right flank This title details how at dusk on May 2 Jackson s men crashed into the Federal right flank and how stiffening Federal resistance slowed the Confederate advance the next day Genteel Rebel Sheila R. Phipps,2003-10-13 As a Confederate sympathizer in the hotly contested small border town of Winchester Virginia she ran an underground postal service hid contraband under her nieces dresses abetted the Rebel cause and was finally banished Jacket

Parameters ,1993 *How Great Generals Win* Bevin Alexander,2002 If a key to military victory is to get there first with the most the true test of the great general is to decide where there is the enemy s Achilles heel Here is a narrative account of decisive engagements that succeeded by brilliant strategy more than by direct force The reader accompanies those who fought from Roman legionaries and Mongol horsemen to Napoleonic soldiery American Civil War Rebels and Yankees World War I Tommies Lawrence of Arabia s bedouins Chinese revolutionaries British Desert Rats Rommel s Afrika Korps and Douglas MacArthur s Inchon invaders However varied their weapons the soldiers of all these eras followed a commander who faced the same obstacles and demonstrated the strategic and tactical genius essential for victory All warfare is based on deception wrote Sun Tzu in The Art of War in 400 BCE Bevin Alexander shows how great generals have interpreted this advice and why it still holds true today Whatever You Resolve to be A. Wilson Greene,2005 When A Wilson Greene released his respected Whatever You Resolve to Be Essays on Stonewall Jackson in 1992 he little realized the interest in the popular Southern general that would explode in its wake In recent years Jackson has been the subject of biographies military studies and a major motion picture Gods and Generals Interpretations and perceptions of Jackson have changed as a result In response to this interest Greene s outstanding look at Stonewall Jackson is once again available Whatever You Resolve to Be contains five essays exploring both the personal and the military sides of the legendary military leader A new introductory essay by Greene is also included In that introduction Greene surveys the research on Jackson that followed the initial release

of his book He includes his frank observations about how this recent scholarship has both vindicated and sometimes called into question his original assertions about the general He also discusses the depiction of Jackson in Gods and Generals The essays cover three primary topics Jackson s life his gifts and flaws as a military commander and his performance in three battles the Seven Days Second Manassas and Fredericksburg Greene s portrayal is a balanced extensively researched study of this most praised of Civil War heroes Whatever You Resolve to Be remains as relevant today as when it was first published Greene stays primarily true to his original observations on the general despite new revisionist interpretations For scholars and non scholars alike this book should be the starting point for any understanding of Stonewall Jackson

Generals in Blue and Gray Wilmer L. Jones,2006-03-17 The twenty one profiles of Confederate generals in this volume chronicle the South s war effort Familiar leaders such as Lee Jackson and Stuart are each covered as are the notorious Nathan Bedford Forrest Episcopalian bishop Leonidas Polk and John C Breckinridge who ran against Lincoln in 1860 and briefly served in the U S Senate With the same accessible style of the first volume Jones shows how the outcome of battles campaigns and even entire theaters often depended on individual commanders

America's Military Adversaries John C. Fredriksen,2001-12-05 This work chronicles the lives and accomplishments of over 200 enemies who have fought plotted spied on and in some instances defeated U S forces over the past three centuries Books on American military heroes abound But this book is the first to focus on America s talented enemies the generals admirals Indian chiefs and warriors submarine captains fighter pilots and spies who opposed the United States with military force or other means Often these military leaders were among the best minds of their times For more than two centuries the new nation s most constant military opponents were the Native Americans led by such capable chiefs as American Horse and Little Wolf Under D Iberville Canada s French colonialists became formidable foes but they were soon surpassed by the rigorously disciplined redcoats of Great Britain under Howe and Cornwallis Ironically the most effective enemies in the history of the United States were not the leaders of foreign military forces like Mexico s Santa Anna Japan s Yamamoto or Vietnam s Vo Nguyen Giap They arose from among its own citizens during the Civil War the bloodiest conflict in American history

The Human Tradition in the Civil War and Reconstruction Steven E. Woodworth,2000-02-01 The Human Tradition in the Civil War and Reconstruction brings alive this decisive period in American history by taking the reader beyond the realm of generals presidents and the other towering figures of history and introducing fourteen individuals who represent the variety of people who made up the great mass of the nation in the middle of the nineteenth century Readers will meet women like LaSalle Pickett whose activities not only reveal a good deal about marriage and gender during the period but also offer a fascinating look at the postwar southern propaganda effort on behalf of the Lost Cause A chronicle of the home front is offered in the piece on journalist poet and novelist Lucy Virginia French The abolition movement particularly as an outgrowth of religious conviction is covered in the sketch of Charles Grandison Finney The chapters on Robert Smalls and Willis Augustus Hodges

illustrate the roles played by African Americans during the war and Reconstruction Francis Nicholls's virulent southernism is counterpointed in the sketch of Charles Henry Foster whose unionism in a southern state highlights the complexity of choices and motivations of Americans in the Civil War era Readers will also meet people like Winfield Scott Hancock and Richard S Ewell whose experiences illustrate the challenges confronted by mid ranking military commanders The naval war often a neglected aspect of the era is the focus of the piece on Raphael Semmes and a chapter on common soldier Peter Welsh reflects the important part played by immigrants in this conflict An excellent resource for courses on this tumultuous era The Human Tradition in the Civil War and Reconstruction examines a side of this historical period rarely seen in standard texts

Grant and Lee Edward H. Bonekemper, III, 2012-12-10 Grant and Lee Victorious American and Vanquished Virginian is a comprehensive multi theater war long comparison of the command skills of Ulysses S Grant and Robert E Lee Written by Edward H Bonekemper III Grant and Lee clarifies the impact both generals had on the outcome of the Civil War namely the assistance that Lee provided to Grant by Lee's excessive casualties in Virginia the consequent drain of Confederate resources from Grant's battlefronts and Lee's refusal and delay of reinforcements to the combat areas where Grant was operating The reader will be left astounded by the level of aggression both generals employed to secure victory for their respective causes as Bonekemper demonstrates that Grant was a national general whose tactics were consistent with achieving Union victory whereas Lee's own priorities constantly undermined the Confederacy's chances of winning the war Building on detailed accounts of both generals major campaigns and battles this book provides a detailed comparison of the primary military and personal traits of the two men That analysis supports the preface discussion and the chapter by chapter conclusions that Grant did what the North needed to do to win the war be aggressive eliminate enemy armies and do so with minimal casualties 154 000 while Lee was too offensive for the undermanned Confederacy suffered intolerable casualties 209 000 and allowed his obsession with the Commonwealth of Virginia to obscure the broader interests of the Confederacy In addition readers will find interest in the 18 highly detailed and revealing battle maps as well as in a comprehensive set of appendices that describes the casualties incurred by each army battle by battle The Army of Northern Virginia Philip Katcher, 2004-03 To see the introduction the table of contents a generous selection of sample pages and more visit the website The Army of Northern Virginia website The Confederate Army of Northern Virginia was one of the greatest fighting formations in history a combination of an outstanding commander and an excellent fighting force This book offers an in depth study of why this formation was so successful against Northern armies which often had a greater wealth of resources and manpower and some very able leaders Almost always outnumbered Lee's forces were able to record a number of notable victories by giving free rein to subordinates and utilizing the fighting qualities of the army's units to the full Also includes color and black and white maps **Air University Library Index to Military Periodicals**, 1994 **Confederate Tide Rising** Joseph L. Harsh, 1998 This analysis of the military policy and strategy adopted by Robert E Lee and Jefferson Davis in

the first two years of the Civil War argues that their policies allowed the Confederacy to survive longer than it otherwise could have and were the policies best designed to win Southern independence **Warriors Seven** Barney

Sneiderman,2006-09-25 Warriors Seven offers a fascinating collection of American commander profiles written in a lively and graphic style The unique aspect of Dr Sneiderman s approach is that each essay sketches the ironic twists of fate that befell these men at or near the peak of their careers The subjects of this study include Benedict Arnold Andrew Jackson Winfield Scott Robert E Lee George Dewey Billy Mitchell and George Patton These courageous leaders are successively featured in each of America s seven wars from 1775 to 1945 the Revolutionary War the War of 1812 the Mexican War the Civil War the Spanish American War World War I and World War II Each entry highlights or focuses upon a single battle Saratoga 1777 New Orleans 1815 Mexico City 1847 Malvern Hill 1862 Manila Bay 1898 St Mihiel 1918 and Messina 1943 Each entry highlights the life and military career of each commander up to the moment of the featured battle with a thread of continuity coursing through each chapter For example the essay on Andrew Jackson opens with a battle fought during the Revolutionary War that Jackson witnessed as a 13 year old courier for the Continental Army Twenty seven original battlefield maps facilitate the reader s understanding of the momentous events described in these pages Warriors Seven will be welcomed by anyone who appreciates gripping narrative military history leavened with a slice of historical irony Barney Sneiderman served as a professor in the Faculty Law University of Manitoba in Winnipeg Canada from 1969 until illness prompted his retirement in 2006 He is the principal author of the acclaimed Canadian Medical Law An Introduction for Physicians Nurses and other Health Care Professionals 3rd Edition 2003 Carswell The Connecticut native and former journalist is known for his lively and user friendly writing style Warriors Seven is a reflection of his longtime interest in American and European political and military history He lives in Manitoba with his wife and children PRAISE Dr Sneiderman has written a brilliant and fascinating book that shows how genius resolve dedication opportunity and hard work create great military leaders but also how demons sometimes lurk in the hearts of famous men and dull their glory Noted historian Bevin Alexander [How America Got It Right](#) Bevin Alexander,2006-08 A military historian and author of How Wars Are Won offers an objective analysis of America s role in world affairs looking at the enduring ideals and institutions that set America apart American actions and decisions from its early days to the end of the Cold War and the policies developed in the wake of September 11 Reprint 20 000 first printing **The Fourth Battle of Winchester** Richard M. McMurry,2002 This text using a counter factual account of the 1864 campaigns in Virginia presents a view of the American Civil War from the West moving the narrow confines of the Old Dominion to the vast Trans Appalachian region and gives the reader an understanding of how and why the war ended

Yeah, reviewing a book **Lost Victories The Military Genius Of Stonewall Jackson** could accumulate your near links listings. This is just one of the solutions for you to be successful. As understood, success does not recommend that you have fabulous points.

Comprehending as with ease as bargain even more than additional will have enough money each success. next-door to, the declaration as with ease as insight of this Lost Victories The Military Genius Of Stonewall Jackson can be taken as capably as picked to act.

Lost Victories The Military Genius Of Stonewall Jackson Introduction

Lost Victories The Military Genius Of Stonewall Jackson Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Lost Victories The Military Genius Of Stonewall Jackson Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Lost Victories The Military Genius Of Stonewall Jackson : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Lost Victories The Military Genius Of Stonewall Jackson : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Lost Victories The Military Genius Of Stonewall Jackson Offers a diverse range of free eBooks across various genres. Lost Victories The Military Genius Of Stonewall Jackson Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Lost Victories The Military Genius Of Stonewall Jackson Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Lost Victories The Military Genius Of Stonewall Jackson, especially related to Lost Victories The Military Genius Of Stonewall Jackson, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Lost Victories The Military Genius Of Stonewall Jackson, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Lost Victories The Military Genius Of Stonewall Jackson books or magazines might include. Look for these in online stores or libraries. Remember that while Lost Victories The Military Genius Of Stonewall Jackson, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Lost Victories The Military Genius Of Stonewall Jackson eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Lost Victories The Military Genius Of Stonewall Jackson full

book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Lost Victories The Military Genius Of Stonewall Jackson eBooks, including some popular titles.

FAQs About Lost Victories The Military Genius Of Stonewall Jackson Books

1. Where can I buy Lost Victories The Military Genius Of Stonewall Jackson books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Lost Victories The Military Genius Of Stonewall Jackson book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Lost Victories The Military Genius Of Stonewall Jackson books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Lost Victories The Military Genius Of Stonewall Jackson audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Lost Victories The Military Genius Of Stonewall Jackson books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
