Beyond the Vertical Layton Kor, 2013-07-02 Layton Kor is pre eminent in American mountaineering. He is considered the best rock climber of his generation and his list of first ascents of technically difficult rock climbs both free and aid is perhaps unmatched by any American climber. In this book Kor tells the story in his own words of these groundbreaking and suspenseful climbs. Supplementing Kor's narrative are twenty three accounts written by other leading climbers of the 1960s and 1970s describing ascents they did with Kor: Royal Robbins, Fred Beckey, Pat Ament, Chris Bonington, Steve Roper, Huntley Ingalls and many more share their perspectives. Kor's climbs have become some of the most famous routes in the world: the Naked Edge in Eldorado Canyon, the Diamond on Longs Peak, the Salathe Wall on El Capitan in Yosemite, the North Face of the Eiger in the Alps. The list goes on. Written in a straightforward and engaging style and accompanied by stunning historical color photographs, *Beyond the Vertical* is a must have for all rock climbers and armchair mountaineers alike. **Tails from the Woods** Rick Gordon, 2022-06-20 Welcome to *Tails from the Woods*. This compilation of short stories is about one man's lifetime of experiences hunting and camping alone or with family and friends. These stories contain memories ranging from early childhood to late adulthood that land the author in many different predicaments from which lessons are learned through successes and failures. These lessons combined with scriptures from the Bible helped the author to better understand God's Word and His will for our lives. Some of these stories might help novice hunters increase their hunting skills. But most focus on the mistakes that come from inexperience or carelessness that can lead to hilarious and unwanted outcomes. Maybe you're a seasoned hunter. Maybe you are just starting your hunting career. Or maybe you just like to spend time in God's glorious creation. Hopefully, Rick Gordon's stories combined with thought provoking scripture will bring a smile to your face and help you avoid pitfalls in the woods or in your walk with Christ and all His creation. **Yosemite Nature Notes**, 1946 **Climbing in North America** Chris Jones, 2024-03-29 *Climbing in North America* is the definitive complete history of mountaineering in the United States and Canada from the earliest days of the sport through the 1970s.
