Chronicle of That Which Will Order Chaos Titus Wallace,2021-07-12 This is a tale that spans the beginning of time till the end of days and beyond Imagine for a second if Milton and Dante collaborated and everything from Paradise Lost to the final battle between God and Lucifer was encompassed within that text along with all that is implied between the heights of redemption and the circles of Hell It is a pictograph of human nature where we came from how we got here and most importantly why we are here I am known as keeper of the stories of time and have much to share with thee Due to the fact that I am not a prevalent character in this tale I have chosen to remain unknown I am only the narrator of this story and although I may show up from time to time within said compilation of this tale I prefer to remain a mysterious stranger to this universe It all begins in a time of the Christ when a secret pact was made between Judas and Jesus forming a tidal wave of emotion and thunder during a climatic behind the scenes knowledge of Lucifer s deception from God How a new god was forged by the two who set the stage for an answer to end the war between Light and Darkness His name is M bius Kain the god of truth and when this tale concludes an empire of balance must be forged to order the chaos that coexists within our world
