In her first book, Trish Ryan chronicled the ways in which finding faith led her to the happily ever after ending that had eluded her for so long. Only it wasn't an ending. It was a beginning. In *A Maze of Grace*, Ryan picks up where she left off, sharing the early years of her marriage and the challenges that both shaped and startled her: temptations regarding fidelity, the anxiety of shifting body image, the awkward nature of following Jesus in a decidedly secular family and city, and struggles with depression, trying to conceive that made her wonder if God had lost her file. With appealing candor, Ryan sweeps the reader into her life and ponders questions and issues that we all face, dropping nuggets of wisdom along the way that are sure to inspire, encourage, and help readers from all walks of life.
