Maple Laugh Forever An Anthology Of Canadian Comic Poetry Ed By Douglas Barbour:

The Maple Laugh Forever Douglas Barbour, Stephen Scobie, 1981 The Maple Laugh Forever will not tell Canadians whether those crimson maples are still standing along that line of distant hills It will however answer a question troubling the minds of seekers after Canadian identity is there really humour in Canadian literature Can Canadian readers ever expect a good belly laugh or are they doomed forever to take their poetry with solid doses of guilt sobriety and solemnity There is something for everyone in this collection The Maple laugh Forever brings you poets as little known outside their own sphere as Polly Thompson as well as more famous Canadians such as Al Purdy Margaret Atwood Sir Charles G D Roberts and Anonymous there are poems on politics and public life poems on Canlit and Canauthors poems about kids for kids and some poems that no responsible parent will let a kid near There are long poems and a whole section of tiny poems where the humour is short and very sharp There are animal poems lewd poems poems of celebration and a few poems that are obviously the offspring of some very very weird imaginations Who would ever suspect any of those to be lurking in Canadian literature

Canadian Poetry in Selected English-language Anthologies Margery Fee, 1985 Международная антология саунд-поезии Дмитрий Булатов, 2001 *Made-in-Canada Humour* Beverly J. Rasporich, 2015-09-15 Made in Canada Humour is an interdisciplinary survey and analysis of Canadian humour and humorists in the nineteenth and twentieth centuries The book focuses on a variety of genres It includes celebrated Canadian writers and poets with ironic and satiric perspectives oral storytellers of tall tales in the country and the city newspaper print humorists representative national and regional cartoonists and comedians of stage radio and television The humour gives voice to Canadian values and experiences and consequently techniques and styles of humour particular to the country While a persistent comic theme has been joking at the expense of the United States both countries have influenced one another s humour Canada s unique humorous tradition also reflects its emergence from a colonial country to a postcolonial and postmodern nation with contemporary humour that addresses gender and racial issues *Canadian Books in Print* ,1991 *Wait Time* Kenneth Sherman, 2015-12-16 When poet and essayist Kenneth Sherman was diagnosed with cancer he began keeping a notebook of observations that blossomed into this powerful memoir With incisive and evocative language Sherman presents a clear eyed view of what the cancer patient feels and thinks His narrative voice is personal but not confessional practical but not cold thoughtful and searching but not self pitying or self absorbed The author s wait time for surgery on a malignant tumour was exceptionally long and riddled with bureaucratic bumbling thus he asks our health care providers and administrators if our system cannot be made efficient and more humane While he is honest about what is good and bad in our system he is not stridently political or given to directing blame His narrative is interwoven with engaging ruminations on the meaning of illness in society and is peppered with references to other writers thoughts on the subject A widely published poet Sherman helps the reader understand the deep connection between disease and creativity the ways in which we write out of our

suffering Wait Time will be of special interest to anyone facing a serious illness as well as to health care providers social workers and psychologists working in the field Its thoughtful observations on health life priorities time and mortality will make it of interest to all readers Genre/Trope/Gender Barry Rutland,1992-01-01 Northrop Frye embellishes the theory of genre in Henry James and the Comedy of the Occult In The Power of Postmodern Irony Linda Hutcheon furthers her reputation as a theorist of contemporary culture and Shirley Neuman investigates gender in writing and reading in Autobiography Mothers Bodies the Reproduction of Mothering Engendering Genre Reingard M.
