Michelle Lindley, 2025-05-27 Art historian Elizabeth Clarke is sent to a remote island in Southern Greece to acquire a rare female nude sculpture for a Los Angeles collection Disoriented by time zones migraines and suspicious details surrounding the figure s discovery she s dependent on her flirtatious but guileless translator The last thing she expects is to be so pulled to his wife Theo a subversive artist who has amassed a small following for her provocative self portraits which seek to deconstruct the objectification of the female form As Elizabeth immerses herself in the island s cobblestoned mazes and sumptuous cuisine and falls deeper into an infatuation with Theo and Theo s art she starts to question her role in the acquisition of cultural artifacts And when after a hazy night out both Elizabeth and the nude are violated in divergent but damaging ways Elizabeth begins to see a parrallel between the sculpture and herself What does it mean for a woman to navigate morally complicated negotiations of property in a male directed world What other kinds of ownership or self ownership might be possible **Live Nude Elf** Reverend Jen, 2009-05-01 Live Nude Elf chronicles Reverend Jen s two year stint as sex columnist for nerve.com she details her sexperiments ranging from harrowing working as a live nude girl at Wiggles to embarrassing fellatio school to transcendent reaching a mystical state through tantric sex Along the way there is transvestitism female ejaculation opium smoking and heartbreak In the Rev s art star world where a young bisexual boy named Orion has sex with a jar of mayonnaise the more mundane acts of romance kissing buying dinner for a lover and just making eye contact in the sack become rare and subversive The experiments orgies balloon fetish parties a stint as the lube girl on a porn set the lab partners and the late nights begin to wear on the Reverend who craves normalcy and the columns change their tone Jen takes care of a friend s baby navigates yuppie bars trying to snag a millionaire hubby and dates a silver fox someone older

distinguished wealthy and simply grooving with the eternal now After a decade of New York City affairs Jen unexpectedly falls in love and must decide Does the life required of an artist and a sex columnist preclude her from monogamous romantic love

The New Diary Excellent and timely Gerald McCullouch Actor The Naked Drinking Club Rhona Cameron,2009-09-15 It was dark when I came to What woke me was the cold and the water on my legs I was doing spoons with Scotty me behind him We were on a beach We didn t speak for the first minute we were so disorientated I had to genuinely think very hard about where I was Then I remembered I was in Australia It s the late eighties and 24 year old Kerry has been drifting aimlessly through life in Edinburgh Rarely having plans of any kind she gets drunk and things happen sex drugs parties relationships and when she s really pushed work Setting off on a hastily arranged visit to Australia Kerry packs only three items of clothing a pair of flip flops two hundred pounds and her young persons work visa Soon broke hungry and homeless she joins ART a likeable but mismatched band of travellers who sell dodgy oil paintings door to door in the suburbs Young beautiful and free they drink wildly and live for the moment Embarking on a riotous road trip together their lives become deeply entangled and the drinking spirals out of control Eventually Kerry is forced to admit that her journey to Australia isn t quite what it seems **The Vine of a Naked Child** Mary Elizabeth Moorman,2009 When a person thinks people do not love them they do anything Mary Thompson is one of these persons Earlier than age three it is normal for Mary s oldest brother James to abuse her As Mary grows older the more James breaks her spirit and grooms her for a life of pain and despair At age seven she discovers her identity At age nine her father Guy who she admires more than anyone else is gone Feeling abandoned rejected and unloved a cruel and unfair life hurls Mary on a rebellious path to destruction Her addictive compulsive behavior leads her to quit the sixth grade and then she goes down dead end streets of sex drugs and alcohol Mary opens up to forbidden lusts and fatal attraction relationships Darkness surrounds her and it follows her everywhere she goes It hovers over her shoulders Once it has claws Several occasions by the grace of God and prophetic dreams she escapes death She is not the only one who pays the price for her sinful living Her six children pay an awful price too Mary s web of anguish depression and grief catches them also Mary did not have a normal childhood How could she give her children a normal life To receive the true love she so desperately needs Mary has to open her eyes from the darkness that hates her But why would she She loves the darkness At times it comforts her *The Naked Mountaineer* Stephen C. Sieberson,2014-10-01 The Naked Mountaineer recounts a series of solo journeys to some of the world s most exotic peaks in places such as Switzerland Japan and Borneo However it is far from the typical heroic mountain expedition book Although Steve Sieberson did reach many summits in most cases his travels were more memorable for what he encountered along the way than for the actual climbing His real adventures involved peculiar people strange foods and tropical diseases rather than pitons ice axes and carabiners On the Matterhorn he met an English alpinist who reveled in naked selfies he stumbled into a cockfight in a Balinese village and on a volcano in Italy he was mistaken for a famous singer by an insistent fan The Naked Mountaineer offers mountain themed travel stories with a wide eyed view of the world while presenting irreverent commentary on climbers and their peculiar sport These are rollicking tales filled with the unexpected **Naked Crow 4 - Shaman** P.Z.

Sleeping Naked Is Green Vanessa Farquharson, 2009-08-06 No one likes listening to smug hippies bragging about how they don't use toilet paper or worse yet lecturing about the evils of plastic bags and SUVs But most of us do want to lessen our ecological footprint With this in mind Farquharson takes on the intense personal challenge of making one green change to her lifestyle every single day for a year to ultimately figure out what's doable and what's too hardcore Vanessa goes to the extremes of selling her car unplugging the fridge and washing her hair

with vinegar but she also does easy things like switching to an all natural lip balm All the while she is forced to reflect on what it truly means to be green Whether confronting her environmental hypocrisy or figuring out the best place in her living room for a compost bin full of worms and rotting cabbage Vanessa writes about her foray into the green world with self deprecating humorous and accessible insight This isn't a how to book of tips it's not about being eco chic it's an honest look at what happens when an average girl throws herself into the murkiest depths of the green movement Reviews A humorous self deprecating tale of the crazy things that happen to normal people when they take the green plunge Vanessa Farquharson will have you wanting to try your own experiments too because she shows how easy some of these planet saving changes can be Alisa Smith co author of The 100 Mile Diet A Year of Local Eating By spending a year putting the planet's needs as a top priority Vanessa Farquharson's search for love and connection leads her to happiness she never thought she could know An entertaining approach to greenlightenment Sleeping Naked Is Green will surely inspire other skeptics to find their inner environmentalist Gillian Deacon author of Green for Life One step a day doesn't seem like much but over the course of a whole year it adds up to a world of difference This isn't just a well written and fun book about going green it is about watching a personal transformation Being inspired was never so entertaining Lloyd Alter TreeHugger.com [Naked Gardening Day Box Set](#) Holly Day, Nell Iris, K.L.
