Waxer, 2012-01-01 Winner of the ASCAP Deems Taylor Award for Popular Music Books 2002 Winner of the Society for Ethnomusicology s SEM Alan P Merriam Prize 2003 Salsa is a popular dance music developed by Puerto Ricans in New York City during the 1960s and 70s based on Afro Cuban forms By the 1980s the Colombian metropolis of Cali emerged on the global stage as an important center for salsa consumption and performance Despite their geographic distance from the Caribbean and from Hispanic Caribbean migrants in New York City Cale os people from Cali claim unity with Cubans Puerto Ricans and New York Latinos by virtue of their having adopted salsa as their own The City of Musical Memory explores this local adoption of salsa and its Afro Caribbean antecedents in relation to national and regional musical styles shedding light on salsa's spread to other Latin American cities Cali's case disputes the prevalent academic notion that live music is more real or authentic than its recorded versions since in this city salsa recordings were until recently much more important than musicians themselves and continued to be influential in the live scene This book makes valuable contributions to ongoing discussions about the place of technology in music culture and the complex negotiations of local and transnational cultural

identities Children and Youths' Migration in a Global Landscape Adrienne Lee Atterberry, Derrace Garfield McCallum, Sigi Tu, Amy Lutz, 2022-05-24 This volume contains an Open Access Chapter Children and Youths Migration in a Global Landscape interrogates how transnational mobility shapes the lives of the relatively young and addresses questions that encourage us to consider what it means to be a transnationally mobile child or youth in the 21st century **Puerto Rican Discourse** Lourdes M. Torres, 2013-12-02 Before conclusions about Spanish in the United States can be drawn individual communities must be studied in their own contexts That is the goal of Puerto Rican Discourse One tendency of previous work on Spanish in the United States has been an eagerness to generalize the findings of isolated studies to all Latino communities but the specific sociocultural contexts in which people and languages live often demand very different conclusions. The results of Torres work indicate that the Spanish of Puerto Ricans living in Brentwood continues to survive in a restricted context Across the population of Brentwood for Puerto Ricans of all ages and language proficiencies the Spanish language continues to assume an important practical symbolic and affective role An examination of the structural features of 60 oral narratives narrative components and the verbal tenses associated with each overall Spanish verb use and clause complexity reveals little evidence of the simplification and loss across generations found in other studies of Spanish in the United States English dominant Puerto Ricans are able Spanish language narrators demonstrating a wide variety of storytelling skills The structure of their oral narratives is as complete and rich as the narratives of Spanish dominant speakers. The content of these oral narratives of personal experience is also explored Too often in studies on U S Spanish sociolinguists ignore the words of the community the focus is usually on the grammatical aspects of language use and rarely on the message conveyed In this study oral narratives are analyzed as constructions of gendered and ethnically marked identities. The stories demonstrate the contradictory positions in which many Puerto Ricans find themselves in the United States All of the speakers in this study have internalized to a greater or lesser extent dominant ideologies of gender ethnicity and language at the same time that they struggle against such discourse The analysis of the discourse of the community reveals how the status quo is both reproduced and resisted in the members narratives and how ideological forces work with other factors such as attitudes to influence the choices speakers make concerning language use A special feature of this book is that transcripts are provided in both Spanish and English This volume combines ethnographic quantitative and qualitative discourse methodologies to provide a comprehensive and novel analysis of language use and attitudes of the Brentwood Puerto Rican community Its rich linguistic and ethnographic data will be of interest to researchers and teachers in cultural communication ethnic Hispanic American studies sociolinguistics and TESL Latin American Science Fiction M. Ginway, J. Brown, 2012-12-05 Combining work by critics from Latin America the USA and Europe Latin American Science Fiction Theory and Practice is the first anthology of articles in English to examine science fiction in all of Latin America from Mexico and the Caribbean to Brazil and the Southern Cone Using a variety of sophisticated theoretical approaches the book explores not merely the

development of a science fiction tradition in the region but more importantly the intricate ways in which this tradition has engaged with the most important cultural and literary debates of recent year <u>Early Modern Maternities in the Iberian Atlantic</u> Emily Colbert Cairns, Nieves Romero-Diaz, 2025-10-01 Early Modern Maternities in the Iberian Atlantic is the first volume to emphasize women s personal experiences and their life trajectories as mothers within the Peninsula and across the Atlantic Although an official discourse that defined the conditions of motherhood emerged in the eighteenth century before this period there were many different articulations of motherhood through which women negotiated hierarchical relationships power struggles and alliances While the individual experiences were unique and depended upon the positionality of race and class the complexities of being a mother were universal The wide variety of written and visual documents included in this volume highlight women s voices in the first person along with more subtle references to motherhood as well as silences This collection broadens our understanding of the complexities of motherhood addressing the pressures of becoming a mother miscarriage the acts of giving birth and lactation and the ordeals of raising children
