Quechua de Huarás, en Español e Inglés: Glosario Menandra Mosquera, 2012-11-30 This glossary has been prepared in order to leave a record of the Quechua spoken by the people of Huarás and surrounding areas in the mid 20th century. Huarás capital of the Region Department of Ancash Peru has a distinct form of Quechua. That dialect was endangered due to a massive earthquake on May 31 1970. Tens of thousands of people died and the city was destroyed. Many of the survivors left the area. Once rebuilt Huarás was repopulated with people new to the area who use Spanish or a different dialect to communicate. Since then technological influences such as the Internet also reinforce the use of Spanish to the detriment of the local Quechua. Born in Huarás I was raised in a bilingual environment Spanish and Quechua. Although I left the area to attend the university I could always feel at home upon returning until that earthquake. Since then it seems strange to return to an unfamiliar city due to people language and environment. I hope this glossary will help the newer generations better understand not only their grandparents and ancestors but the culture from which they come. Language and culture are intimately tied and much more than words is lost when a language dies. The Inca Empire Tahuantinsuyo was invaded by Spain in 1532. At that time Quechua was spoken never written throughout the Inca civilization with many dialects. Since then the Spanish language has been imposed but in Huarás never did it replace Quechua to the extent that it did in 1970. This glossary contains words several verb forms and phrases. It is written with the expectation that it may help to preserve the inherited Quechua so that Huarás may remain bilingual. It is written for huarasinos the people of Huarás. If others find it useful better yet. The glossary is in Quechua. To facilitate access to the Quechua indices in Spanish and in English are included. M Mosquera El Monitor de la Educación Común, 1926 Vols for 1905-19 include Sección oficial separately paged.

Alarcón, 2019-03-12 For beloved writer and mentor Francisco X Alarcón the collection Snake Poems. An Aztec Invocation was a poetic quest to reclaim a birthright. Originally published in 1992 the book propelled Alarcón to the forefront of contemporary Chicano letters. Alarcón was a stalwart student researcher and specialist on the lost teachings of his Indigenous ancestors. He first found their wisdom in the words of his Mexicana Aztec grandmother and then by culling through historical texts. During a Fulbright fellowship to Mexico Alarcón uncovered the writings of zealously religious Mexican priest Hernando Ruiz de Alarcón 1587-1646 who collected often using extreme measures translated and interpreted Nahuatl spells and invocations. In Snake Poems

Francisco Alarcón offered his own poetic responses reclaiming the colonial manuscript and making it new This special edition is a tender tribute to Alarcón who passed away in 2016 and includes Nahuatl Spanish and English renditions of the 104 poems based on Nahuatl invocations and spells that have survived more than three centuries The book opens with remembrances and testimonials about Alarcón's impact as a writer colleague activist and friend from former poet laureate Juan Felipe Herrera and poet and activist Odilia Galván Rodríguez who writes This book is another one of those doors that Francisco opened and invited us to enter Here we get to visit a snapshot in time of an ancient place of Nahuatl speaking ancestors and Francisco's poetic response to what he saw through their eyes Vodou Visions Sallie Ann
