The author examines the advances of the interwar era the Golden Age of the 1950s and the iconic years of the 1960s to the decades of doubt and uncertainty following the oil crisis of 1973 the global mergers of the 1990s the bailouts of the early twenty first century and the emergence of the electric car This is not just a story of horsepower and performance but a tale of extraordinary people of intuitive carmakers such as Karl Benz Sir Henry Royce Giovanni Agnelli Fiat Andr Citro n and Louis Renault of exceptionally gifted designers such as the eccentric Ohio born Chris Bangle BMW and of visionary industrialists such as Henry Ford Ferdinand Porsche the Volkswagen Beetle

and Gene Bordinat the Ford Mustang among numerous other game changers Above all this comprehensive history demonstrates how the epic story of the car mirrors the history of the modern era from the brave hopes and soaring ambitions of the early twentieth century to the cynicism and ecological concerns of a century later Bringing to life the flamboyant entrepreneurs shrewd businessmen and gifted engineers that worked behind the scenes to bring us horsepower and performance The Life of the Automobile is a globe spanning account of the auto industry that is sure to rev the engines of entrepreneurs and gearheads alike **Nuffield** Martin Adeney,1993 The British Motor Industry, 1945-94 Timothy Whisler, 1999-05-06 A fascinating and well researched look at the British motor industry which will appeal to both academic readers and practitioners alike Why are there now no major car manufacturers in Britain Whisler considers this and the surrounding issues making valuable comparisons with overseas manufacturers operating both in the UK and abroad which provide us with additional interest and insight Based upon careful use of company archives this book covers in particular the issues of product development quality design and range ensuring that The British Motor Industry is destined to make a distinctive contribution to our understanding of the performance of UK manufacturers Oxford Dictionary of National Biography: Morant-Murray Henry Colin Gray Matthew, Brian Harrison, 2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002 **International Bibliography of Business History** Francis Goodall, Terry Gourvish, Steven Tolliday, 2013-12-16 The field of business history has changed and grown dramatically over the last few years There is less interest in the traditional company centred approach and more concern about the wider business context With the growth of multi national corporations in the 1980s international and inter firm comparisons have gained in importance In addition there has been a move towards improving links with mainstream economic financial and social history through techniques and outlook The International Bibliography of Business History brings all of the strands together and provides the user with a comprehensive guide to the literature in the field The Bibliography is a unique volume which covers the depth and breadth of research in business history This exhaustive volume has been compiled by a team of subject specialists from around the world under the editorship of three prestigious business historians Sultan of Swing Michael Crick, 2018-10-25 Sir David Butler pioneered the science of elections transforming the way we analyse election results In 1945 aged only twenty Butler was the first to turn British constituency results into percentages and thereby founded the science of psephology Appearing as an expert on Britain's first TV election night in 1950 he promoted the idea of swing to explain gains and losses to the public Later he invented the BBC s popular Swingometer which is still used today He has publicly analysed every British general election since the Second World War and done more than anyone to transform TV coverage of elections with a style that combined authority and showmanship with his phenomenal memory for facts and figures First summoned by Churchill for polling advice when he was only twenty five David Butler got to know most of Britain's senior post war politicians and has acted as a highly influential voice behind

the scenes He wrote dozens of books and taught scores of leading figures in politics and the media around the world building a huge international reputation which regularly took him to America Australia and India Award winning TV correspondent Michael Crick has known David Butler for forty years In Sultan of Swing based on interviews with Butler himself his friends family and colleagues and with access to many previously unseen papers Crick chronicles the long and energetic life of the greatest analyst of British elections a story that weaves its way through post war history with surprises colour and humour
