Milton Sloluck Dod Grile, **Annual Report of the Governor of Alaska to the Secretary of the Interior** Alaska. Governor, 1904 *Nuggets and Dust Panned Out in California by Dod Grile. Collected and Loosely Arranged by J. Milton Sloluck* Dod GRILE (pseud. [i.e. Ambrose Gwinnett Bierce.]), 1873 Report of the Governor of Alaska to the Secretary of the Interior Alaska. Governor, 1901 **Cognitive English Grammar** Günter Radden, René Dirven, 2007

Cognitive English Grammar is designed to be used as a textbook in courses of English and general linguistics. It introduces the reader to cognitive linguistic theory and shows that Cognitive Grammar helps us to gain a better understanding of the grammar of English. The notions of motivation and meaningfulness are central to the approach adopted in the book. In four major parts comprising 12 chapters Cognitive English Grammar integrates recent cognitive approaches into one coherent model allowing the analysis of the most central constructions of English. Part I presents the cognitive framework conceptual and linguistic categories, their combination in situations, the cognitive operations applied to them and the organisation of conceptual structures into linguistic constructions. Part II deals with the category of things and their linguistic structuring as nouns and noun phrases. It shows how things are grounded in reality by means of reference quantified by set and scalar quantifiers and qualified by modifiers. Part III describes situations as temporal units of various layers internally as types of situations and externally as located relative to the time of speech and grounded in reality or potentiality. Part IV looks at situations as relational units and their structuring as sentences. Its two chapters are devoted to event schemas and space and metaphorical extensions of space. Cognitive English Grammar offers a wealth of linguistic data and explanations. The didactic quality is guaranteed by the frequent use of definitions and examples, a glossary of the terms used, overviews and chapter summaries, suggestions for further reading and study questions. and Dust David DeVries,2024-12-05 In 1995 my life hit a pothole It was more than a pothole My life ran into a ditch I limped along for the next few years doing what I could to work and trying to make the most out of a bad situation In 1998 due to a series of events I found myself in charge of a Christian chatroom I presented a 30 minute sermon every night for 4 years In 2002 I left the chatroom to rekindle a social life At one point I realized with God s help that those 30 minute sermons needed to be cut down to about 5 minutes At first I was unable to do this It seemed nothing could fit into that small a time Then several years later I joined a couple of Christian communities on a message board called Reddit Many people would come there to ask questions about religion and the church and would voice their troubles with life I would often respond to these people with biblically based answers and comments It wasn t long before I realized that these small texts were the 5 minute sermons that God had told me about a decade ago They would range from just a couple of sentences 1 minute to about 10 minutes Many people had the same questions about church and religion and the same worries about life I started to save these responses and would use them for more than a single person I have compiled a collection of some of those old sermons the small texts and other sermons and studies and truths of life written over the last 20 years and added them to this book Some are old some are long some are old some new and everything in between I hope that you will enjoy them
