G.J.A. O'Toole

Number 7 Alexander Hamiltons Secret Atte:

Number 7 Julian P. Boyd, 2015-12-08 This volume is concerned with the effort of Alexander Hamilton designated as Number 7 in the dispatches of a British secret agent as Secretary of the Treasury aided by powerful support in the Senate and House of Representatives to guide American foreign policy toward a closer connection with Great Britain The book shows that Hamilton revealed secret cabinet discussions to a British intelligence agent failed to inform Washington and Secretary of State Jefferson of his discussions with the British agent and finally under impact of the war crisis informed them falsely Hamilton committed almost the gravest offense of which a cabinet officer can be guilty in his role of responsible advisor to the head of a state says Professor Boyd The text of this volume except for the Foreword the concluding passages and a few additional documents is contained in Volume 17 of The Papers of Thomas Jefferson Originally published in 1964 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

How Alexander Hamilton Screwed Up America Brion McClanahan, 2017-09-18 He is the star of a hit Broadway musical the face on the ten dollar bill and a central figure among the founding fathers But do you really know Alexander Hamilton Rather than lionize Hamilton Americans should carefully consider his most significant and ultimately detrimental contribution to modern society the shredding of the United States Constitution Connecting the dots between Hamilton s invention of implied powers in 1791 to transgender bathrooms and same sex marriage two centuries later Brion McClanahan shows the origins of our modern federal leviathan

Alexander Hamilton and the Persistence of Myth Stephen F. Knott, 2002 Knott observes that Thomas Jefferson and his followers and later Andrew Jackson and his adherents tended to view Hamilton and his principles as un American While his policies generated mistrust in the South and the West where he is still seen as the founding plutocrat Hamilton was revered in New England and parts of the mid Atlantic states Hamilton s image as a champion of American nationalism caused his reputation to soar during the Civil War at least in the North However in the wake of Gilded Age excesses progressive and populist political leaders branded Hamilton as the patron saint of Wall Street and his reputation began to disintegrate

BOOK JACKET

A Fatal Friendship Arnold Rogow, 1999-09 For almost two centuries historians have struggled to explain the extraordinary duel that killed Alexander Hamilton the nation s first Secretary of the Treasury and ended Vice President Aaron Burr s political career In *A Fatal Friendship* the distinguished political scientist and writer Arnold Rogow argues that the roots of the fatal encounter lay not in Burr s admittedly flawed political and private conduct hut rather in Hamilton s conflicted history and character Rogow s brilliant analysis changes and deepens our understanding of honor politics and friendship in the early American Republic

Publisher **Alexander Hamilton** Lawrence S. Kaplan, 2002-06-01 Of all of the Founding Fathers of the American republic none with the possible exception of Thomas Jefferson has evoked more passions and aroused more controversy than Alexander Hamilton In this absorbing new biography eminent historian Lawrence Kaplan examines Hamilton's conception of America's role in the world and the foreign policies that followed from his vision Kaplan looks at how Hamilton acted upon his views in shaping the course of American foreign relations The author provides a focused accessible biography of Hamilton and a nuanced assessment of his impact on Federalist Era foreign policy In the Jefferson Jackson era Hamilton's persona as an elitist urban aristocrat condemned him as an enemy of an expanding democratic America an Anglophile at a time when Great Britain was the major adversary Such was his reputation as an enemy of the common man that his deep seated opposition to the institution of slavery won little recognition from northern abolitionists This book will fascinate readers with its insights into Hamilton and the formative years of the United States of America *The First Congress* Fergus M. Bordewich, 2017-02-21 The little known story of perhaps the most productive Congress in US history the First Federal Congress of 1789-1791 The First Congress was the most important in US history says prizewinning author and historian Fergus Bordewich because it established how our government would actually function Had it failed as many at the time feared it would it's possible that the United States as we know it would not exist today The Constitution was a broad set of principles It was left to the members of the First Congress and President George Washington to create the machinery that would make the government work Fortunately James Madison John Adams Alexander Hamilton and others less well known today rose to the occasion During two years of often fierce political struggle they passed the first ten amendments to the Constitution they resolved bitter regional rivalries to choose the site of the new national capital they set in place the procedure for admitting new states to the union and much more But the First Congress also confronted some issues that remain to this day the conflict between states rights and the powers of national government the proper balance between legislative and executive power the respective roles of the federal and state judiciaries and funding the central government Other issues such as slavery would fester for decades before being resolved The First Congress tells the dramatic story of the two remarkable years when Washington Madison and their dedicated colleagues struggled to successfully create our government an achievement that has lasted to the present day Publisher website [This Bright Era of Happy Revolutions](#) Robert J. Alderson, 2008 As French consul to the Carolinas and Georgia Citizen Mangourit was dispatched in 1792 to capitalize on the fledgling alliance between the young republics as opportunity to spread the French Revolution into Spanish holdings in the Floridas and Louisiana In his analysis of the public and clandestine activities of Mangourit during his short tenure in Charleston Alderson presents a case study of the challenge given to U S republicanism by its French counterpart Mangourit tapped into a wide range of support for the French Revolution and its implications for South Carolina drawing support for his cause from well off planters and disenfranchised groups of backcountrymen slaves and women In the end he

was recalled before the invasion projects could be carried out French and American republicanism quickly diverged and the French lost their best opportunity to reclaim their empire in North America Aldersons study shows that the tension between republicanism and self interest could be resolved at the local level but republicanism could not be the only basis for national relations

The Oxford Handbook of Grand Strategy Thierry Balzacq, Ronald R. Krebs, 2021 The Oxford Handbook of Grand Strategy addresses the conceptual and historical foundations production evolution and future of grand strategy from a wide range of standpoints

Entangling Alliances with None Lawrence S. Kaplan, 1987 Written over a thirty year period the essays included in this volume develop one central theme the completion of American isolationism in the formative years of the nation Isolationism in Kaplan s view is not to be taken as economic or cultural independence but as abstention from political or military obligations to Europe from alliances or from purposeful entanglement in the European balance of power This study focuses on the assertion that Thomas Jefferson was central to the making of American foreign policy from the Revolution to 1803 But Kaplan s view is not always supportive of Jefferson In fact Kaplan believes the collection has a Hamiltonian flavor although he does not necessarily consider himself a Hamiltonian either Kaplan is critical of Jefferson and points clearly to the error of his belief that France could be a counterweight to British power In the short run Hamilton appears more realistic but in the long run Jefferson s vision for the country proved wiser and sounder

Thomas Jefferson, James Madison, and the British Challenge to Republican America, 1783-95 Michael Schwarz, 2017-05-30 In the aftermath of the American Revolution the friendship between Virginians Thomas Jefferson and James Madison became one of the most important political collaborations in American history This study examines the origins and evolution of their partnership placing it within the context of US British relations following the Revolution and analyzing how their relationship affected early republican politics

The Opposition Press of the Federalist Period Donald Henderson Stewart, 1969-01-01 Annotated list of newspapers pages 867 893 Bibliography p 897 920

Establishing the New Regime Peter S. Onuf, 1991 First Published in 1991 Routledge is an imprint of Taylor Francis an informa company

Historical Memory and Representations of the Vietnam War Walter L. Hixson, 2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company

Most Humble Servants Stewart Jay, 1997-01-01 This text challenges the assumption that throughout the history of the United States the role of judges was limited to adjudicating cases and that they did not perform other official functions for the government It investigates the separation of the powers of judges developed only after 1793

John Jay and Alexander Hamilton on Black Enslavement Arthur Scherr, 2025-01-10 In this groundbreaking study Arthur Scherr examines the positions on slavery held by two of the most famous New Yorkers of the early American Republic John Jay and Alexander Hamilton Using Hamilton s 1779 proposal to free Southern slaves on the condition that they fight in the Continental Army as a starting point Scherr assesses the pair s positions on enslavement Utilizing often untouched resources Scherr offers a re evaluation of Hamilton and Jay s modern status as antislavery icons

Thomas Jefferson: The Art of

Power Jon Meacham, 2013-10-29 1 NEW YORK TIMES BESTSELLER From Pulitzer Prize winning biographer Jon Meacham a big grand absorbing exploration of not just Jefferson and his role in history but also Jefferson the man humanized as never before Entertainment Weekly Probably the best single volume biography of Jefferson ever written Gordon S Wood A BEST BOOK OF THE YEAR The New York Times Book Review The Washington Post Entertainment Weekly The Seattle Times St Louis Post Dispatch BookPage This magnificent biography brings vividly to life an extraordinary man and his remarkable times giving us Thomas Jefferson the man the politician and the president A Founder whose understanding of power and of human nature enabled him to move men and marshal ideas to learn from his mistakes and to prevail Jefferson was passionate about many things women his family science architecture gardening Monticello Paris and more He strove despite fierce opposition to realize his vision the creation survival and success of popular government in America Drawing on archives in the United States England and France as well as unpublished transcripts of Jefferson presidential papers Jon Meacham shows us the personal Jefferson a man of appetite sensuality and passion He also presents Jefferson as the most successful political leader of the early republic and perhaps in all American history a leader who found the means to endure and to win His story resonates today not least because he led his nation through ferocious partisanship amid economic change and external threats Jefferson also embodies an eternal drama the struggle of the leadership of a nation to achieve greatness in a difficult and confounding world

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1968 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June
