

Learning Session 4: Prime Number Investigation

Prime numbers have fascinated mathematicians from many cultures for thousands of years. Nowadays they are important because the best commercial and military ciphers depend on their properties. In fact large prime numbers are used in the process that provides email security.

1. Follow the instructions below which show how to use the [Sieve of Eratosthenes](#) to identify prime numbers to 100. Remember that a prime number can be divided only by itself and one and 2 is the smallest prime.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

The sieve gives you a simple method for finding prime numbers.

- Cross 1 out.
 - Then starting from 2, circle 2 but cross out every multiple of 2 from your sieve.
 - Starting with 3, circle 3, but cross out every multiple of 3 from your sieve.
 - Starting with 5, circle 5, but cross out every multiple of 5 from your sieve.
 - Starting with 7, circle 7 but cross out every multiple of it.
 - Do the same with all the primes that you know already. The numbers that are crossed are not primes, because they are multiples of other numbers. The numbers that are circled are primes. They should have no divisors apart from themselves and 1.
 - Make a list of your primes.
2. Do you think the whole numbers greater than 5 can each be written as a sum of 3 primes? Write down your answer: yes or no.

Now try to write each number from 6 to 30 as a sum of 3 primes. Here are the first three:

$$6 = 2+2+2$$

$$7 = 2+2+3$$

$$8 = 2+3+3$$

Record your findings and anything you think might be of interest. Do you want to change your answer to the question?

Number Investigation Introduction

In the digital age, access to information has become easier than ever before. The ability to download Number Investigation has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Number Investigation has opened up a world of possibilities. Downloading Number Investigation provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Number Investigation has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Number Investigation. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Number Investigation. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Number Investigation, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Number Investigation has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students,

researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
