Leeya Thompson is a scholar and a visionary bringing impeccable research and fierce intellectual discipline to her work. She follows the trail of the ancient art of gematria back to its earliest roots in Middle Eastern culture and creates a remarkable tool for understanding and change. William Moore, Educator and Reader of the Tree of Life and Tarot, I recently had the privilege of experiencing a sound and numerology reading from Leeya Thompson. I was grateful not only for her insight but for her ability to express what was revealed in my numbers and name sounds in ways that were both accessible and deeply meaningful. Leeya uses a delightful economy of words communicating the essences that combine to create my unique portrait. I found the progression of themes for each life phase especially helpful. It is rare to have a reading that takes in the sweep of a life while giving precise indications as well. I came away with a sense of focused hope fueling personal momentum, a rare commodity in today's circumstances. And a testament to Leeya's skill and wisdom. Anne Oliver, Counselor of Mediation.
