The Message of Numbers Raymond Brown, 2022-02-01 What does it mean to be pilgrims in a confusing world In this BST volume Raymond Brown explores how the book of Numbers offers a picture of a better life He shows how its message is eminently suited to our world today a world without firm spiritual and moral foundations. We see how God provides for the basic needs of life to be loved to be free to be certain *Numbers* Mitchel Modine, 2018-05-06. The book of Numbers is a misunderstood book of the Bible It is about a lot more than just numbers Rather it is about the people s journey with God in the desert. The Hebrew title of the book Bammidbar means. In the Desert indicating that the setting is the most important part of the story. The God who delivered his people from Egypt is the same God who will lead them through the wilderness and give them the Promised Land But as the book of Numbers shows us often it is through the experience of being in a desert that God fulfils his purpose. It is the same thing for God's people today. This commentary opens up the value of this often overlooked. Old Testament book to those who find themselves or their churches in a barren place but with the presence of the Lord alongside them The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts. Holistic in its approach to the text each exposition of the biblical books combines exeges and application. The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible.
