**Jewish Theology and World Religions** Alon Goshen-Gottstein, Eugene Korn, 2012-04-05 The contributors to this volume represent a range of disciplines and denominations within Judaism and share the conviction that articulating contemporary Jewish views of other world religions is an urgent objective for Judaism Their essays show why a Jewish theology of world religions is a priority for Jewish thinkers and educators concerned with reinvigorating Judaism s contribution to the contemporary world and maintaining Jewish identity and continuity

**Poverty and Morality** William A. Galston, Peter H. Hoffenberg, 2010-09-20 This multi authored book explores the ways that many influential ethical traditions secular and religious Western and non Western wrestle with the moral dimensions of poverty and the needs of the poor These traditions include Buddhism Christianity Confucianism Hinduism Islam and Judaism among the religious perspectives classical liberalism feminism liberal egalitarianism and Marxism among the secular and natural law which might be claimed by both The basic questions addressed by each of these traditions are linked to several overarching themes what poverty is the particular vulnerabilities of high risk groups responsibility for the occurrence of poverty preferred remedies how responsibility for its alleviation is distributed and priorities in the delivery of assistance This volume features an introduction to the types scope and causes of poverty in the modern world and concludes with Michael Walzer s broadly conceived commentary which provides a direct comparison of the presented views and makes suggestions for further study and policy

**Our Invisible Bodies** Jay Alfred, 2007-02-13 What has plasma and dark matter got to do with your afterlife In 2005 Jay proposed that dark matter which comprises about 85 per cent of the matter in the universe could include self interacting dark plasma Subsequently this proposal received support in the scientific literature This has significant implications not only for the universe as a whole but also planet Earth and its inhabitants In recent years scientists have pointed out to the life like characteristics of plasma How has this life like dark plasma participated in human evolution Does dark plasma provide the physical basis for your afterlife Do we have plasma bodies which co evolved endosymbiotically with our ordinary matter bodies but are currently invisible to us This book explores this in detail while adhering to experimental data with some surprising conclusions Highlighted readers comments I have read several books over the years on this theme of correlating science with spirit They include The Tao of Physics and more recently The Divine Matrix This masterpiece by Jay Alfred however is one of the best because it explores deeper and more passionately than the others A riveting read and in my opinion this book should be a best seller There s nothing parapsychological paranormal about it we just haven t had the science to explain it until now I ve been reading all three of Jay Alfred s books and so far I ve seriously enjoyed all of them I actually haven t been able to put them down The first few pages are worth the price of this book

**David Foster Wallace and Religion** Michael McGowan, Martin Brick, 2019-11-14 In the years since his suicide scholars have explored David Foster Wallace s writing in transdisciplinary ways This is the first book of its kind to discuss

how Wallace understood and wrote about religion At present the scholarly community is sharply divided on how best to read Wallace on religious questions Some interpret him to be a Nietzschean nihilist while others see in him a profoundly spiritual even mystical thinker Some read Wallace as a Buddhist thinker and others as a Christian existentialist Involved at every level of this discussion are Wallace s experiences in Twelve Step recovery programs according to which only a higher power can help one remove unwanted defects of character The multifarious essays in this volume by literature religion and philosophy scholars in the Wallace community delve into Wallace s life and writings to advance the conversation about Wallace and religion While they may disagree with one another in substantial ways the contributors argue that Wallace was not only deliberate in his writings on religious themes but also displayed an impressive level of theological nuance Anguttara Nikaya - the Discourse Collection in Numerical Order Nyanaponika (Thera),1970 **The Numerical Discourses of the Buddha** ,2012-10-16 The present work offers a complete translation of the Aguttara Nikya the fourth major collection in the Sutta Pi aka or Basket of Discourses belonging to the Pali Canon **Books for Inner Development** Cris Popenoe,1976 **The Numerical Discourses of the Buddha** Bodhi (Bhikkhu.),2012 **Encyclopaedia Britannica** ,1973 **Encyclopedia Britannica** ,1970 Encyclopedia Britannica ,1973 Anguttara Nikaya Buddha Gotama,2011-12-26 The Anguttara Nikaya literally Increased by One Collection also translated Gradual Collection or Numerical Discourses is the fourth of the five Nikayas or collections in the Sutta Pitaka This Nikaya consists of several thousand discourses ascribed to the Buddha and his chief disciples arranged in eleven books according to the number of dhamma items referenced in them The segments are short and easy to read yet poignant in their messages It contains many straightforward examples and even some inspiring words from the Buddha to his disciples This modern translation of the Anguttara Nikaya into Sinhalese in one complete volume fills a desperate need for making the Buddha s own words more accessible to Sri Lankan Buddhists This is the first volume of three volumes in Large Print A separate one volume edition is also available The Canonical Book of the Buddha's Lengthy Discourses ,2015 This is the second in a series of volumes translating The Canonical Book of the Buddha s Lengthy Discourses Taisho 1 Volume 2 contains sutras 11 20 of 30 Translations of the remaining sutras will be published in a subsequent volume **Thus Have I Heard** ,1987 The Pali scriptures here translated are from the Triple Basket Tipitaka a collection of the Buddha s teachings regarded as canonical by the Theravada school of Buddhism which is found today in Sri Lanka Burma and Thailand The translator is a devout Buddhist whose Pali scholarship is backed up by personal practice of meditation **Numbered Discourses** Bhikkhu Sujato,SuttaCentral, SuttaCentral has published an entirely new translation of the four Pali Nik yas by Bhikkhu Sujato which is the first complete and consistent English translation of these core texts This is an ebook version of Bhikkhu Sujato s translation of the A guttara Nik ya which can also be read at SuttaCentral website The Numbered or Numerical Discourses are usually known as A guttara Nik ya in Pali abbreviated AN However the Pali tradition also knows the form Ekottara one up or incremental and this is the form usually found in the northern
