Nunaga 10 Years Among The Eskimos:

Nunaga: Ten Years of Eskimo Life Duncan Pryde,1972 *Nunaga* Duncan PRYDE,1988 **Nunaga** Duncan Pryde,1988 Nunaga Duncan Pryde,1972 Author s experiences during ten years as a fur trader for the Hudson s Bay Company among the Eskimo of Arctic Canada *Historical Dictionary of the Inuit* Pamela R. Stern,2013-09-26 The Inuit do not represent a very large population only 160 000 or so spread over a very large portion of the Arctic region and located in four different countries Although they are a people there are many variations from one group to the next and any study of them must consider both similarities and differences The Historical Dictionary of the Inuit introduces us to the Inuit as they actually are and not as they have been traditionally pictured and some would still like to see them looking after their traditional chores and engaged in time honored practices but rather as a modern people trying to shape their worlds in their own interest This second edition includes an updated chronology as well as an introduction to provide a broader view of who the Inuit are where they live and what they do But it is the dictionary section that is most interesting with many new informative entries on persons places events and institutions shedding light not only on the culture but also on the society economy and politics For those seeking further information there is a considerably expanded bibliography This book is an excellent access point for students researchers and anyone wanting to know more about the Inuit **Books in Series, 1876-1949** R.R. Bowker Company,1982 **Bare Poles** Harold Strub,1996-04-15 Designing successfully for people in the world s coldest climates demands a broad understanding of site conditions and their unique social context Until now such knowledge often lay unarticulated in the minds of a few experienced practitioners or in the disappearing traditions of aboriginal peoples **Romany and Tom** Ben Watt,2014-06-10 The author traces his parents lives marriage and decline into old age recounting his father s achievements as a Glaswegian jazz musician and his mother s work as a Shakespearean actress **Crappit Heids for Tea** Iby Fraser,Ann Gray,2012-08-15 In this memoir the daughter of one of the first keeper s of Scotland s Shinness Estate details life in the early 20th century Scottish Highlands Sutherland is one of the most ruggedly beautiful and sparsely populated parts of Scotland In the nineteenth century the Duke of Sutherland set about improving his landholdings to make them more productive by building lodges for sporting tenants who came to enjoy the summer fishing and shooting grouse and deer In the 1870s some 3 000 acres of land were reclaimed at Shinness A lodge was built there in 1882 and allocated some 2 500 acres of moorland for grouse and grazing together with the fishings on Loch Shin and its rivers One of the first keepers at the estate was John Fraser His daughter Iby became a teacher at Lairg School In the 1970s long after the Fletcher family had taken on Shinness Estate Iby wrote down some recollections of her early life for Mrs Fletcher s interest This charming book offers insightful descriptions of everyday life from cooking framing and game keeping to medicine schooling and childhood games as well as of the events that had a profound effect on communities everywhere including the emergence of the motor car and World War I Several other local contemporaries also contribute their memories

landscape As she witnesses the mounting pollution concentrated at the pole Wheeler reckons with the illness of the whole organism of the earth Smashing through the Arctic Ocean with the crew of a Russian icebreaker shadowing the endless Trans Alaska Pipeline with a tough Idaho born outdoorswoman herding reindeer with the Lapps and visiting the haunting deceptively peaceful lands of the Gulag Wheeler brings the Arctic s many contradictions to life The Magnetic North is an urgent beautiful book rich in dramatic description and vivid reporting It is a singular deeply personal portrait of a region growing daily in global importance *Inuit Studies* ,1988 **Reference Encyclopedia of the American Indian** Barry T.
