saga series A uplifting story of courage friendship and love against the odds perfect for fans of Lizzie Lane Rosie Clarke and Call the Midwife Winter 1942 Secrets abound for the Home Front Nurses but will one of them be able to tell the truth about her past before Christmas As the weather turns cold and the war rages on Veronica Campbell finds herself loving her job as a home front nurse more than ever She s spending time with her beloved best friends Sylvia and Freda as well as assisting on life saving operations with her fellow nurse Betty Wilson and feeling valued and happy But at home she wishes things were different Because even cosied up by the fireside of her lovely little house there s a man who lives on her street Someone she d once thought she could trust who five years ago had violently attacked her His threats to her remain but she s been terrified into silence But everything changes when Betty needs somewhere to stay for Christmas and Veronica impulsively suggests she move in with her But can she trust Betty enough to let her guard down and tell her what happened that fateful day Because if she doesn t they could both be at risk Bestselling authors are loving The Home Front Nurses series I enjoyed this heart warming yet gritty and gripping first book of the series Sylvia Freda and Veronica work hard in their job of nursing the wounded each of them with their own secret heartache Compelling reading Another winner for this lovely author A series that will garner a host of readers Lizzie Lane This a new writer for me and I absolutely loved this book Well researched well written and I couldn t put it down Fenella J Miller Fantastic Promises to be a brilliant series Rosie Clarke Heartwarming I loved following the lives of the three girls and the storyline pulled me in quickly holding my attention It was hard to put down Patricia McBride Rachel Brimble brings Sylvia Freda and Veronica to life in her skilled and vivid storytelling As the friends face the perils of war on the home front we stand beside them sharing their hopes dreams and fears I can t wait to read more in this series May Ellis Readers love it too A sweet and enticing wartime story for anyone missing Call the Midwife Reader Review Absolutely 10 10 Amazing storyline and loved the characters and setting loved how the girls forged a friendship and stuck by each other can t wait to read more about these ladies Reader Review A hopeful story about friendship and learning to trust I love stories about women who strive for their own goals in life independent of men and who understand the joy and security of close female friendships I m looking forward to more books in the series Reader Review Realistic highlighted the research that went into writing this wonderful book I am eager to find out what happens for Sylvia Veronica and Freda next Reader Review I loved how the nurses went above and beyond to help the patients feel happy and care for them whilst in hospital Reader Review

Nursing Ethics: Across the Curriculum and Into Practice Janie B. Butts, Karen L. Rich, 2022-09-01 Nursing Ethics Across the Curriculum and Into Practice continues to provide a solid ethical foundation for nursing students in an updated sixth edition This comprehensive easy to read text covers ethics across the nursing curriculum making it a perfect fit for any undergraduate course Logically divided into three parts Nursing Ethics Sixth Edition underscores how ethics is interwoven with nearly every aspect of professional nursing practice It guides students through the foundations of ethics in nursing ethical considerations across the lifespan and ethical considerations for areas such as leadership and public

health Engaging learning features including case studies legal perspectives and research notes bring concepts to life and serve to remind students that ethics really does sit at the heart of professional nursing practice and quality patient care **A Book of Devon** Sabine Baring-Gould,1920 **A Book of the West** Sabine Baring-Gould,1899 **A book of the west, an introduction to Devon and Cornwall** Sabine Baring Gould,1899 **Theoretical Nursing** Afaf Ibrahim Meleis,2011 An additional assumption was that the processes for theory development were new to nursing and hence nurses in graduate programs learned strategies for advancing knowledge from other disciplines This assumption was debunked with the knowledge that nurses were always engaged in knowledge development driven by their experiences in clinical practice Because of these assumptions most of the early writing about theory development was about outlining strategies that should be used rather than strategies that have already been used in the discipline to develop theories Theorists themselves did not uncover or adequately discuss ways by which they developed their theories therefore the tendency was to describe processes that were based on theories developed in other disciplines mainly the physical and social sciences And an implicit assumption was made that there should be a single strategy for theory development some claiming to begin the process from practice and others believing it should be driven by research Provided by publisher *Transcultural Concepts in Nursing Care* Margaret M. Andrews,Joyceen S. Boyle,2008 Conveys the importance of diverse cultural knowledge for evaluation of patient outcomes understanding persons in clinical settings and appropriate responses during the nurse client interaction

**Unequal Sisters** Stephanie Narrow,Kim Cary Warren,Judy Tzu-Chun Wu,Vicki L Ruiz,2023-08-28 Unequal Sisters has become a beloved and classic reader providing an unparalleled resource for understanding women s history in the United States today First published in 1990 the book revolutionized the field with its broad multicultural approach emphasizing feminist perspectives on race ethnicity region and sexuality and covering the colonial period to the present day Now in its fifth edition the book presents an even wider variety of women s experiences This new edition explores the connections between the past and the present and highlights the analysis of queerness transgender identity disability the rise of the carceral state and the bureaucratization and militarization of migration There is also more coverage of Indigenous and Pacific Islander women The book is structured around thematic clusters conceptual methodological approaches to women s history bodies sexuality and kinship and agency and activism This classic work has incorporated the feedback of educators in the field to make it the most user friendly version to date and will be of interest to students and scholars of women s history gender and sexuality studies and the history of race and ethnicity **Nursing Scope of Practice in Europe** Douglas Long,2024-10-01 Nursing Scope of Practice in Europe is every nurse s guidebook to understanding this subject Nurses will learn what they need to do to keep their patients safe and stay within the legal limits of a nursing license as well as their employer s policies Just as important nurses will learn how to take on new roles and expand their scope of practice safely and responsibly Europe is a vast region with a diversity of laws economies healthcare practices and languages Nurses need to

understand what is consistent across the region and what is different in their country In any European country nursing leaders government regulators and scholars will better understand how the nursing scope of practice defines the profession and how it can be used to promote nursing professionalism The region s top nurse experts came together to explain their respective countries and the major trends that affect everyone They show the reader what is the consensus on nursing regulations where there is conflict and differences and where are the opportunities for change and growth Douglas Long brings a wealth of nursing experience in emergency departments and acute care He is the author of Nursing Scope of Practice 2021 Nursing Moving Forward 2020 and mbito de la pr ctica profesional de enfermer a en Am rica Latina 2023
