Towne, 1934 Flight to Fantasy Margaret Malcolm, 1977 Call of the Outback Anne Hampson, 1977 **WESTERN CLASSICS COLLECTION: The Promised Land, The Virginian, Lin McLean, Red Man and White, The Jimmyjohn Boss, Napoleon Shave-Tail, Hank's Woman, A Kinsman of Red Cloud, Padre Ignacio and more** Owen Wister, 2024-01-13 Owen Wister's Western Classics Collection emerges as a seminal anthology encapsulating the rich tapestry of American western literature. Spanning multiple narratives including *The Virginian* and *The Promised Land*, Wister adeptly intertwines themes of rugged individualism, morality, and the American frontier's complexities. His distinctive literary style, marked by vivid descriptions, colloquial dialogue, and a keen sense of place, offers readers a compelling insight into early twentieth-century America's myths and realities. This collection not only reflects the cultural ethos of its time but also serves as a crucial precursor to the genre's evolution within the wider framework of American literature. Owen Wister, often hailed as the father of the Western genre, was significantly influenced by his upbringing in the American West and his exposure to its diverse peoples and landscapes. His firsthand experiences and profound appreciation for western landscapes fueled his narrative ambition, allowing him to create characters that resonate deeply with themes of honor, community, and the great outdoors. Wister's interactions with prominent figures in the cattle industry, along with his literary education, honed his storytelling abilities and fostered a unique voice that celebrated the spirit of the West. This collection is an essential read for those intrigued by the mythology of the American West and its cultural significance. Wister's masterful storytelling and multifaceted characters will engage both scholars and casual readers, inviting them to explore the historical and emotional landscapes of the era. The Western Classics Collection is not just a reflection of a region; it is a profound commentary on the ideals and struggles that shaped a nation.

Folk Who Live In The West Kathleen Macphee, 2020-06-22 This book was originally planned to be about people, places, and events in beautiful Kintyre but like Topsy it just grewed northwards and southwards eventually including tales from Norway and the entire west coast of Scotland down as far as the Irish Sea. Events in time vary from the reality of the present day sweeping back into history and including Myth and Legend from our ancient Celtic heritage. There is humour and inevitably pathos as well as the happenings of every day life naturally occurring ingredients from the comedy and tragedy of every nation's story.
