Andrew Lang, a Scottish folklorist, poet, and literary critic, was driven by a passion for collecting and preserving oral traditions that might otherwise be lost to time. His extensive travels and academic pursuits informed his desire to explore the intersection of European folklore and classical themes, culminating in this expansive collection. Lang's efforts were not merely to entertain; he sought to educate his readers about the rich tapestry of humanity's shared stories, promoting an appreciation of the world's diverse cultures. This complete collection is highly recommended for both enthusiasts of fairy tales and those interested in the cultural analysis of folklore.
