

Nurses Notes To God

Marlaine C Smith

Nurses Notes To God:

Nurses' Notes to God Marian Wilcox, 1988 More than 50 prayers for nurses by one who knows firsthand the joys and frustrations of being a nurse Marian Wilcox responds to the strains of changing shifts staff bickering demanding doctors terminal patients and giving quality care In simple words she seeks God's help for both her patients and herself in the special world of life and death that nurses come to know Wilcox talks to God about everyday joys problems and disappointments A delightful gift book for any Christian nurse for graduation passing state boards birthdays or other special times **Nursing**

Theories and Nursing Practice Marlaine C Smith, 2019-10-02 Noted nursing scholars explore the historical and contemporary theories that are the foundation of nursing practice today The 5th Edition continues to meet the needs of today's students with an expanded focus on the middle range theories and practice models that link theory to clinical practice You'll explore the role of these theories in the real world to see how they guide nursing practice **Nurse'S Notes** Barbara

Alexander, 2011-05-20 Nurses Notes looks into the life of a nurse in a small community hospital For Barb Alexander a large part of her life is defined by her duties as a critical care nurse Saving lives especially those on the verge of death gives her a sense of purpose Whenever on duty Alexander's patients become her main concern and she welcomes them as a significant part of her world As a part of the hospital staff she is also subjected to the conflicts and issues taking place behind closed doors But when the hospital drama starts affecting her personal life Alexander is caught in a predicament regarding her main concerns her profession and her personal life *Nursing as a Spiritual Practice* Janet A. Macrae, PhD, RN, 2001-04-10

Florence Nightingale is widely regarded as the founder of modern nursing What is less well known is that she also had well developed ideas about the spiritual aspects of nursing care Her views draw from both Eastern and Western spiritual traditions and have a startling relevance to nursing practice today Janet Macrae both a Nightingale scholar and a nationally recognized expert on therapeutic touch outlines Nightingale's ideas on spirituality in this book and discusses how a variety of techniques can be used to implement a more spiritual and humane form of nursing care The techniques which include yoga meditation and relaxation exercises can be used by both nurses and patients **God's Perfect Child** Caroline

Fraser, 2024-06-04 From the Pulitzer Prize winning author the most powerful and persuasive attack on Christian Science to have been written in this century Los Angeles Times Book Review Millions of Americans from Lady Astor to Ginger Rogers to Watergate conspirator H R Haldeman have been touched by the Church of Christ Scientist Founded by Mary Baker Eddy in 1879 Christian Science was based on a belief that intense contemplation of the perfection of God can heal all ills an extreme expression of the American faith in self reliance In this unflinching investigation Caroline Fraser herself raised in a Scientist household shows how the Church transformed itself from a small eccentric sect into a politically powerful and socially respectable religion and explores the human cost of Christian Science's remarkable rise Fraser examines the strange life and psychology of Mary Baker Eddy She takes us into the closed world of Eddy's followers who refuse to acknowledge the

existence of illness and death and reject modern medicine even at the cost of their children's lives. She reveals just how Christian Science managed to gain extraordinary legal and Congressional sanction for its dubious practices and tracks its enormous influence on new age beliefs and other modern healing cults. A passionate exposé of zealotry, *God's Perfect Child* tells one of the most dramatic and little known stories in American religious history. A work of impassioned rationality, important and profoundly disturbing. Susan Jacoby, *Newsday*. New Startling Fraser has an eye and ear for the kind of detail that can help readers make up their own minds about an always controversial American religious expression. Martin Marty, *The Boston Globe*. Splendid. *The New York Times*. [God's Hotel](#) Victoria Sweet, 2013-04-02 Victoria Sweet's new book *SLOW MEDICINE* is on sale now. For readers of Paul Kalanithi's *When Breath Becomes Air*, a medical page-turner that traces one doctor's remarkable journey to the essence of medicine. *The San Francisco Chronicle*. San Francisco's Laguna Honda Hospital is the last almshouse in the country, a descendant of the Hôtel Dieu, God's hotel that cared for the sick in the Middle Ages. Ballet dancers and rock musicians, professors and thieves, anyone who had fallen or often leapt onto hard times and needed extended medical care ended up here. So did Victoria Sweet, who came for two months and stayed for twenty years. Laguna Honda, relatively low-tech but human-paced, gave Sweet the opportunity to practice a kind of attentive medicine that has almost vanished. Gradually, the place transformed the way she understood her work. Alongside the modern view of the body as a machine to be fixed, her extraordinary patients evoked an older idea of the body as a garden to be tended. *God's Hotel* tells their story and the story of the hospital itself, which, as efficiency experts, politicians, and architects descended, determined to turn it into a modern health care facility, revealed its own surprising truths about the essence, cost, and value of caring for the body and the soul. **Florence Nightingale's Spiritual Journey: Biblical Annotations, Sermons and Journal Notes**

Lynn McDonald, 2006-01-01 Florence Nightingale, 1820-1910, is widely known as the heroine of the Crimean War and the founder of the modern profession of nursing. She was also a scholar and political activist who wrote and worked assiduously on many reform causes for more than forty years. This series will confirm Nightingale as an important and significant nineteenth-century scholar and illustrate how she integrated her scholarship with political activism. Indispensable to scholars and accessible and revealing to the general reader, it will show there is much more to know about Florence Nightingale than the lady with the lamp. Although a life-long member of the Church of England, Nightingale has been described as both a Unitarian and a significant nineteenth-century mystic. Volume 2 begins with an introduction to the beliefs, influences, and practices of this complex person. The second and largest part of this volume consists of Nightingale's biblical annotations made at various stages of her life, some dated, some not. The third part of volume 2 contains her journal notes, including her diary for 1877, which is published here for the first time. Much of this material is highly personal, even confessional in nature. Some of it is profoundly moving and will serve to show the complexity and power of Nightingale's faith. Currently, Volumes 1 to 11 are available in e-book version by subscription or from university and college libraries through the following vendors:

Canadian Electronic Library Ebrary MyiLibrary and Netlibrary *Qualitative Designs and Methods in Nursing (Set)* Mary De Chesnay, PhD, RN, PMHCNS-BC, FAAN, 2014-12-19 This is the first series to comprehensively address leading qualitative research designs and methods from a nursing perspective and is a must have for every research library These are practical how to guides to conducting research using seven different qualitative designs that encompass new and traditional methodologies Written by Dr Mary de Chesnay a noted qualitative research scholar and contributing specialists in each of the qualitative methods each of the seven books discusses the theoretical rationale for using a particular design describes its components and delineates a practical plan to conduct studies Utilizing a practical problem solving approach the books delineate appropriate methods ethical considerations critical issues and potential pitfalls Examples of published qualitative nursing research worldwide along with author commentary support the new researcher in making decisions and facing challenges Case studies follow a template that includes a description of the study data collection and analysis and dissemination Also included are techniques whereby researchers can ensure high standards of rigor and an extensive bibliography and list of resources The book s practical point of view is geared to help novice researchers and specialists alike develop or expand their competencies engage graduate faculty and students and aid nursing research staff in larger hospitals and other healthcare institutions as well as in service educators and students Key Features of this One of a Kind Resource Library Focuses on practical problem solving Reviews the philosophical basis for each qualitative design Disseminates the most current references in each design Provides a plan to conduct studies using the design and discusses appropriate methods ethical considerations and potential challenges Showcases the research of international scholars Is peer reviewed by design and method experts **Notes on Nursing - What It Is, and What It Is Not** Florence Nightingale, F. J.

Cross, 2020-02-20 Florence Nightingale 1820 1910 was an English social reformer statistician and pioneer of modern nursing She became famous during the time she served as manager and trainer of nurses during the Crimean War giving nursing a positive reputation and becoming a Victorian culture icon Also known as The Lady with the Lamp she was an accomplished writer who produced work related to medical knowledge Nightingale s 1859 work Notes on Nursing What It Is and What It Is Not represented the fundamentals of the curriculum at the Nightingale School and other nursing schools despite originally devised as a guide for home nursing It includes every day sanitary knowledge covering such topics as taking food and what kinds of food bed and bedding light cleanliness of rooms personal cleanliness etc Contents include Ventilation And Warming Health Of Houses Petty Management Noise Variety etc Other notable works by this author include Florence Nightingale to Her Nurses 1914 Suggestions for Thought 1860 and Una and the Lion 1871 Read Co are republishing this volume now in a modern edition complete with an introductory from Beneath the Banner Being Narratives of Noble Lives and Brave Deeds by F J Cross *Notes on Nursing* Florence Nightingale, 1860 Notes on Nursing What it is and What it is Not is a book first published by Florence Nightingale in 1859 It was intended to give hints on nursing to those entrusted with the health of
