Nurses and Physician Assistants Third Edition builds on the same foundation of clearly explained up to date and clinically current content as Lehne's trusted undergraduate text while focusing on the information that advanced practice nurses and Physician Assistants specifically need for safe and effective prescribing. Introductory chapters provide foundational content in the areas of prescriptive authority, rational drug selection, prescription writing, and promoting positive outcomes of drug therapy. Core drug chapters focus on the drugs that you will most commonly see in clinical practice. Pharmacotherapeutic decision making is emphasized with Black Box Warnings and new Drug Decision Guide boxes. This edition features completely updated content with new chapters on drugs for sexual dysfunction and drugs for transgender health. It's everything you need to be a safe and effective prescriber.

NCLEX-RN? EXCEL Brenda Reap Thompson, Ruth A. Wittmann-Price, 2010-02-23 NCLEX RN EXCEL Learn to think like a nurse on the exam NCLEX RN EXCEL contains the single most effective preparatory tool for success on the exam: the unfolding case study review. Based on the successful NCLEX RN EXCEL methodology used in the Drexel University program, this is the only review book to utilize the unfolding case study approach to help you master test content. This approach promotes interactive learning through case vignettes and simulation environments, providing a clear conceptual basis for test content. The unfolding case studies closely mimic real-life situations in nursing, providing situational models that assist students to problem solve, actively engage, and use critical thinking techniques when taking the actual test. Unlike all competing books, this book helps you to contextualize the information you need to pass the test. This innovative methodology is more effective than just practice questions alone and has resulted in exceedingly high success rates. Key features: A systematic review of content from the new client needs test plan and the updated 2010 test blueprint; Skill development in assessment, planning, and evaluation of patient care; Rapid Response Tips (RRT) to help master content quickly and easily; Key knowledge required for the test built into engaging case vignettes; Pharmacology and medication administration principles incorporated into each chapter; Full explanations of test answers at the end of each chapter. If you want to get past the drudgery of flashcards, endless practice questions, and test-taking tricks, if you want a deeper understanding of the test material, get NCLEX RN EXCEL.

Nursing Care of the Hospitalized Older Patient Terry Mahan Buttaró, Kate A. Barba, 2012-09-10 Nursing Care for the Hospitalized Older Patient is a comprehensive, quick reference resource for registered and advanced practice nurses working with older patients in a hospital setting. Organized in a user-friendly format, the book provides vital information on all aspects of hospital care and the full range of health issues encountered by elderly patients. The book is organized into four major sections. The first section provides an overview of the aging patient, including demographics, normal aging changes, and the general impact of hospitalization. The second section covers proper health assessment, providing guidance on history taking and evaluating laboratory values. The third section is the largest part of the book and is made up of short, similarly structured chapters dedicated to individual clinical issues ranging from burns to depression. These chapters are organized by body system to maximize ease of use. The

book concludes with a section on special considerations that cross common clinical areas such as palliative care pain management fall prevention and discharge planning *Nursing Times*, 1979 **Saunders Comprehensive Review for the NCLEX-RN® Examination - E-Book** Linda Anne Silvestri, 2013-12-07 Often called the the best NCLEX exam review book ever Saunders Comprehensive Review for the NCLEX RN Examination provides everything you need to prepare for the NCLEX exam complete content review and over 5 100 NCLEX examination style questions in the book and online Don t make the mistake of assuming the quality of the questions is the same in all NCLEX exam review books because only this book includes the kind of questions that consistently test the critical thinking skills necessary to pass today s NCLEX exam Even better all answers include detailed rationales to help you learn from your answer choices as well as test taking strategies with tips on how to best approach each question Written by the most trusted name in NCLEX review Linda Anne Silvestri and updated to reflect the most current NCLEX test plan Comprehensive Review for the NCLEX RN Examination 6th Edition is THE book of choice for NCLEX examination review But don t just take our word for it read any customer review or ask your classmates to see why there s nothing else like it UNIQUE A detailed test taking strategy and rationale is included for each question offering clues for analyzing and uncovering the correct answer option and guiding you to remediation in Saunders Strategies for Test Success Passing Nursing School and the NCLEX Exam and Saunders Comprehensive Review for the NCLEX RN Exam UNIQUE Priority Nursing Action boxes list actions for clinical emergent situations requiring immediate action including a detailed rationale and textbook reference All alternate item format questions are included with multiple response prioritizing fill in the blank figure illustration chart exhibit video and audio questions to provide practice with prioritizing decision making and critical thinking skills UNIQUE Pyramid Alert boxes spotlight important nursing concepts and procedures and include tips and shortcuts for remembering key information Exam preparation chapters include test taking strategies the CAT format transitional issues for the foreign educated nurse and the NCLEX RN exam from a new graduate s perspective A comprehensive exam consists of 85 questions that cover all content areas in the book and mirror the percentages identified in the NCLEX RN examination test plan NEW and UNIQUE A summary of key changes to the 2013 NCLEX RN test plan is included in the front of the book New More practice questions have been added to the book and online bringing the total to 5 172 questions New Tracking of practice results on the Evolve companion website makes it easy to check your progress
