Excerpt from *Exemplars of Quality The Paths to Excellence in Quality Nursing Homes* These castigations may have served well in prodding the nation s conscience Yet at the same time they may also have unnecessarily tarred the extraordinary record of many nursing homes that continue to care for our elderly with love dignity and professionalism There indeed exist such exemplars of excellence and you don t look for them only on the gold coasts of America Excellence in nursing home care transcends all lines you find excellence in nursing homes which predominantly serve the indigent elderly you find it in those with different religious persuasions and varied profit motives These unsung models of exemplary care to our elderly deserve to be recognized and applauded Theirs is a success story little known and barely appreciated Heroes and saints may be hard to come by but their achievements uplift and inspire the mediocre They can also teach and persuade for they have successfully broken out of the beaten path they have pursued the highroad they have achieved excellence The purpose of this study was not so much to applaud their success but to understand how the best nursing homes achieve a high quality of care In an otherwise besmirched story of the nursing home industry the superior homes bear inspiring witness that quality is not beyond reach The paths to it may be different but they are by no means hidden or mysterious This study was designed with the assumption that it would benefit the public and the provider community if we can chart the course the best nursing homes follow if we can understand the strategies they pursue and if we can explain how judiciously they invest their resources in order to achieve the goal About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Old, Alone, and Neglected** Jeanie Schmit Kayser-Jones, 1990-09-10
