Nurturing Pentecostal Families:

Nurturing Pentecostal Families: A COvenant to Nurture our Family John Kie Vining, 1996 In the same fashion as *Growing Pentecostal Kids and Developing Pentecostal Teens* this powerful resource is essential for local church workers and Pentecostal families who want to make a difference in their homes *The Hermeneutical Spirit* Amos Yong, 2017-11-06 In the contemporary biblical studies climate proposals regarding the theological interpretation of Scripture are contested particularly but not only because they privilege encourage and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood Within this context confessional approaches have been emerging including some from within the nascent pentecostal theological tradition This volume builds on the author s previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The Hermeneutical Spirit thus provides close readings of various texts across the scriptural canon as a model for Christian theological interpretation of Scripture suitable for the twenty first century global context

Faith of Our Mothers Donald S. Aultman, 2014-04-11 Dr Donald Aultman brings together in one volume leaders from the Church of God to reveal the Faith of Our Mothers stories of faithful women who valued nourished and trained their children sometimes against all odds These are women of virtue and godly character whose faith patience sacrifice and humor forever shaped the sons and daughters now walking in their footsteps In a culture where Christianity is increasingly marginalized and children are pulled away from faith in a world that s cold raw and harsh in a society built on high achievement self serving goals and shortsighted pursuits may God continue to raise up women of faith who will minister the Word of God love their families and show us the way home Mark L Williams Church of God Overseer

The Spirit Poured Out on All Flesh Amos Yong, 2005-07 Offers a fascinating look at Pentecostalism s place in global theology and shows how Christians from other traditions can benefit from recent developments in Pentecostal theology

Italian American Pentecostalism and the Struggle for Religious Identity Paul J. Palma, 2019-07-30 While many established forms of Christianity have seen significant decline in recent decades Pentecostals are currently one of the fastest growing religious groups across the world This book examines the roots inception and expansion of Pentecostalism among Italian Americans to demonstrate how Pentecostalism moves so freely through widely varying cultures The book begins with a survey of the origins and early shaping forces of Italian American Pentecostalism It charts its birth among immigrants in Chicago as well as the initial expansion fuelled by the convergence of folk Catholic Reformed evangelical and Holiness sources The book goes on to explain how internal and external pressures demanded structure leading to the founding of the Christian Church of North America in 1927 Paralleling this development was the emergence of the Italian District of the Assemblies of God the Assemblée di Dio in Italia Assemblies of God in Italy the Canadian Assemblies of God and formidable denominations in Brazil and Argentina In the closing chapters based on analysis of key theological loci and in lieu of contemporary developments the future prospects of the movement are laid out and assessed This book provides a purview into the religious lives of an underexamined but culturally significant group in America As such it will be of great interest to scholars of Pentecostalism Religious Studies and Religious History as well as Migrations Studies and Cultural Studies in America

Evangelical Identity and Gendered Family Life Sally K. Gallagher, 2003 Evangelical Identity and

Gendered Family Life provides a sociological and historical analysis of gender family and work among evangelical Protestants In this innovative study Sally Gallagher traces two lines of gender ideals one of husbands authority and leadership the other of mutuality and partnership in marriage from the Puritans to the Promise Keepers into the lives of ordinary evangelicals today Rather than simply reacting against or accommodating themselves to secular society Gallagher argues that both traditional and egalitarian evangelicals draw on longstanding beliefs about gender human nature and the person of God The author bases her arguments on an analysis of evangelical family advice literature data from a large national survey and personal interviews with over 300 evangelicals nationwide No other work in this area draws on such a range of data and methodological resources Evangelical Identity and Gendered Family Life establishes a standard for future research by locating the sources strategies and meaning of gender within evangelical Protestantism *Genders, Sexualities, and Spiritualities in African Pentecostalism* Chammah J. Kaunda,2020-06-22 This book examines the complex and multifaceted nature of African Pentecostal engagements with genders and sexualities In the last three decades African Pentecostalism has emerged as one the most visible and profound aspects of religious change on the continent and is a social force that straddles cultural economic and political spheres Its conventional and selective literal interpretations of the Bible with respect to gender and sexualities are increasingly perceived as exhibiting a strong influence on many aspects of social and public institutions and their moral orientations This collection features articles which examine sexualities and genders in African Pentecostalism using interdisciplinary methodological and theoretical approaches grounded within traditional African thought systems with the goal of enabling a broader understanding of Pentecostalism and sexualities in Africa
