NutriNotes Carroll A. Lutz, Karen Rutherford Przytulski, Lutz, Mark, 2004 Do your students need to calculate someone's body mass but can't remember the formula? What should your students suggest when a diabetic patient wants a piece of fruit? This scrub pocket sized reference offers at your fingertips nutritional facts and important to know but rarely memorized formulas. It contains nutrition assessment tools that can be written on with an ordinary ballpoint pen and easily wiped clean with alcohol to reuse again and again.
