Driela,Thomas R. Brandon,2000-01-01 This book is designed to provide law enforcement personnel with response guidelines and evidence gathering techniques that may be utilized when responding to an incident involving the use or threatened use of a weapon of mass destruction WMD The first part of the book addresses the actions to be taken by the first law enforcement personnel arriving at the scene of a WMD incident The text examines the planning process in great detail and

the incident management process is also extensively reviewed Tactical operations that may be necessary to arrest individuals or prevent a WMD incident are also discussed The second part of the book is designed for the hazardous material trained investigator The required training equipment and investigative procedures are clearly defined in this section and detailed step by step instructions are provided for the collection of chemical biological and radiological evidence In addition investigative techniques are provided that will assist the criminal investigator in identifying and entering a facility suspected of manufacturing a weapon of mass destruction Remote sampling techniques are provided to assist in gathering the probable cause for a search warrant Also helpful to readers are the many illustrations and a glossary It will be clear to the reader that this unique book represents the epitome of authoritativeness and comprehensiveness in the field of WMD response and investigation

*When Police Kill* Franklin E. Zimring, 2017-02-20 Franklin Zimring compiles data from federal records crowdsourced research and investigative journalism to provide a comprehensive fact based picture of how when where and why police use deadly force He offers prescriptions for how federal state and local governments could reduce killings at minimum cost without risking officers lives

Weapons of Mass Destruction and Terrorism Alan O'Day, 2004 The twenty nine articles explore the issue of WMD and key questions raised about terrorism its definition objects motivation whether there is a different species of it emerging in the aftermath of the close of the Cold War preparedness and the means of prevention The conventional low technology terrorism of the past has exercised a social and political impact far out of proportion with the casualties it has caused The massive indiscriminate destruction caused by an act of WMD terrorism similarly would have disproportionate social political economic and strategic effects
