Historical Dictionary of Zambia Bizeck Jube Phiri, Thokozile Shaba, 2023-08-15 Zambia is a nation with a long record of peace that has enjoyed decades of constitutional rule and even in recent years an increasingly competitive democracy Peace constitutionalism democracy and nationhood face constant challenges such as in the elections of 2006 when the ugly language of ethnic confrontation found renewed currency Moreover Zambia s economic record and prospects are less equivocal after over four decades per capita incomes are lower than they were at the dawn of independence Historical Dictionary of Zambia Fourth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Zambia Bibliography on Land-Locked States Martin Ira Glassner, 2023-12-28 Since the publication of the third edition of this bibliography 13 land locked territories have joined the United Nations and the ranks of

independent States nine former Soviet socialist republics Slovakia and Macedonia and Ethiopia land locked throughout its long history except for the period 1952 1992 and Andorra land locked always but recognized as a sovereign State only in 1993 Thus by any reckoning there are now more than one third more land locked States in the world than there were only three years ago Some are already experiencing problems with transit across their more fortunate coastal neighbours and even other land locked neighbours and with their uses of the sea and it is likely that such problems will multiply and intensify before they are resolved This fourth edition contains a number of new features all intended to make it more useful as well as more complete and up to date than its predecessors The format has been improved in several ways there are more cross references and the subject index and table of contents have been expanded

Missionaries and Health Samuel K. Sayenda,1990 **A Current Bibliography on African Affairs** ,1962
