Journey To Jesus Allen Bourgeois, 2023-03-17 The greatest blessing in my life has been my journey to Jesus It has greatly built my faith hope courage understanding and will to please God in all my ways Romans 8:28 says And we know that all things work together for the good to them that love God to them that are called according to His purpose The trials and tribulations that I've been through have been many but the blessings from God have been more God has pulled me out of situations where I have been on the brink of death several times Some or all of those times He sent angels to protect me Many times in prayer I asked God to help me to help myself so I can help others He's given me the gift of faith and healing as a result But as it is written Eye has not seen nor ear heard the things which God hath prepared for them that love Him 1 Corinthians 2:9 This book I have written Journey To Jesus is to inspire and encourage others in the ways of the Lord Should I blame Him for sending the hail in the rain Or placing the thorns with the roses He is hope in the valley when I'm at my end He's more than a man I find no fault in Him On my journey to Jesus I woke up one morning to quickly write down the words of a song that God gave me in a dream The first verse and chorus says There's a better day ahead a better world we'll see People everywhere are friends there's peace and harmony Someday someday very soon No pain no tears no troubles or fears For the children of The King when Jesus comes again Someday very soon The other two verses to this song are in this book Journey To Jesus

Daughters Affected by Their Mother Issue Kaye Lewis, 2018-02-14 This book is a breath of fresh air to those women who suffer uncontrollable non PMS related emotional upheavals that appear as grief anger depression or even consistent broken relationships An orphan phenomenon occurs when a person feels consistently abandoned and this may even be experienced as an adult To any woman suffering this affliction you are not crazy but it's likely your circumstances were This book allows you to be a vicarious witness to dysfunctional circumstances that introduced an orphan spirit into the lives of those abandoned The thief who steals kills and destroys causes the withholding of the love we all need to survive This work is written from the author's personal autobiographic perspective to identify poisonous dysfunction in mother daughter relationships Therapists agree that unidentified and unresolved emotional issues with the mother of a woman or man may lead to a debilitation that is difficult to overcome The author takes a thoughtful look at her own mother daughter dynamic with the hope it may help other women It is likely that many a daughter or mother has gone for professional counseling to find relief and bravo for those who realized victory in therapy However the author notes the majority of her epiphanies came from within and not as a result of counseling Something identified as a help to her perspective were the years she spent working as a psychological evaluation transcriptionist for five therapists and a psychiatrist The author transcribed the therapist's psychological evaluations of adolescent girls in the court mandated group home The author came away knowing

Peterson,2011-09-02 Arguing that the way Jesus leads and the way we follow are symbiotic Peterson begins with a study of how the ways of those who came before Christ revealed and prepared the way of the Lord that became complete in Jesus He then challenges the ways of the contemporary American church showing in stark relief how what we have chosen to focus on consumerism celebrity charisma and so forth obliterates what is unique in the Jesus way **Thru the Bible Vol. 10: History of Israel (Joshua/Judges)** J. Vernon McGee,1997-04-21 Radio messages from J Vernon McGee delighted and enthralled listeners for years with simple straightforward language and clear understanding of the Scripture Now enjoy his personable yet scholarly style in a 60 volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight Each volume includes introductory sections detailed outlines and a thorough paragraph by paragraph discussion of the text A great choice for pastors and even better choice for the average Bible reader and student Very affordable in a size that can go anywhere it s available as a complete 60 volume series in Old Testament or New Testament sets or individually Destiny in Pieces Joshua D. Blocker,2019-10-31 Ok GOD WHAT IN THE WORLD ARE YOU DOING IN MY LIFE Why can t I have my own life Trying to do this your way is too much You keep showing me all this stuff you keep getting my hopes up I shout and fall out but then I run into consecutive brick walls Why must you insist on playing in my face fam You keep telling me to do all of this stuff that I didn t sign up for and with little resources do you not see my present state Oh right you don t care about that huh THIS IS FRUSTRATING In the height of my frustration concerning what God was showing me about my future he instructs me to buy a complex puzzle A whole puzzle I HATE PUZZLES But in spite

of the randomness and the many doubts running through my mind I obeyed As I worked on the puzzle God literally began giving me practical answers to all of my questions birthed out of frustration and revealed to me the Why I was trying to fulfill destiny in full picture which is why I was frustrated most of the time I kept looking at my now but God was in the future while still very present with me showing me that Destiny is fulfilled in the working of the pieces that result in a full picture If you are one of destiny and you are honest enough in your relationship with God to say Hey you know God this actually sucks This is the book for you seriously DESTINY IN PIECES is a practical real and humorous commingling of personal stories and testimonies equally yoked with Biblical principles that will provide context and language for what you re really feeling as a Destiny Walker It is literally the GPS that rerouted the vehicle of my thoughts and feelings while sojourning the convoluted path to becoming who God called me to be It won t reduce God s timing or alter his plan for you but you will learn to enjoy the ride
