Radical Intimacy:

Radical Intimacy Zoë Kors, 2022-04-12 A narrative guide and practical methodology for nurturing and sustaining our relationships with ourselves others and the world With intimacy as the foundational principle of our existence we can build a life based on what we truly need not what we think we need or have been told we need By embracing the practice of radical intimacy I can confidently promise my readers a personal revolution of self acceptance appreciation vitality and confidence And without fail mind blowing soul stirring earth shattering sex follows Zo Kors Part practical guide part client stories part personal narrative Zo Kors draws on her experience as a sex and intimacy coach thought leader and relationship writer in sharing her powerful and practical methodology for nurturing and sustaining our intimate relationships over time She addresses the essential truth that is almost universally missed in discussions of sex and intimacy We can meet each other only to the extent that we can meet ourselves Kors guides the reader on a five part journey through nine areas of opportunity for deepening intimacy with themselves their partner and their world inviting them to embrace emotional physical and energetic self mastery which is required to skillfully relate with others At the conclusion of each part there are a collection of experiential exercises which support the reader in embodying the concepts they ve just read Voice driven accessible and with the right amount of tough love Radical Intimacy takes the mystery out of human connection From academia and science to mysticism and self development Kors delivers a rich and varied understanding of human sexuality and intimacy through the lens of the body brain heart spirit and culture

Radical Intimacy Sophie K. Rosa, 2023 Remaking the world through connection care and community requires radical imagination Capitalist ideology wants us to believe that there is an optimal way to live Making connections means networking for work Our emotional needs are to be fulfilled by a single romantic partner and self care equates to taking personal responsibility for our suffering We must be productive and heteronormative we must have babies and buy a house But the kicker is most people cannot and do not want to achieve all or any of these life goals Instead we are left feeling atomized exhausted and disempowered Radical Intimacy shows that it doesn t need to be this way A punchy and impassioned account of inspiring ideas about alternative ways to live Sophie K Rosa demands we use our radical imagination to discover a new form of intimacy and to transform our personal lives and in turn society as a whole Including critiques of the wellness industry that ignores rising poverty rates the mental health crisis and racist and misogynist state violence transcending love and sex under capitalism to move towards feminist decolonial and queer thinking asking whether we should abolish the family interrogating the framing of aging and death and much more Radical Intimacy is the compassionate antidote to a callous society

Radical Intimacy Robert Augustus Masters, 1992

Godsends William Desmond, 2021-11-15 Godsends is William Desmond s newest addition to his masterwork on the borderlines between philosophy and theology For many years William Desmond has been patiently constructing a philosophical project replete with its own terminology idiom grammar dialectic and its metaxological transformation in an attempt to reopen certain

boundaries between metaphysics and phenomenology between philosophy of religion and philosophical theology between the apocalyptic and the speculative and between religious passion and systematic reasoning In Godsend's Desmond's newest addition to his ambitious masterwork he presents an original reflection on what he calls the companioning of philosophy and religion Throughout the book he follows an itinerary that has something of an Augustinian likeness from the exterior to the interior from the inferior to the superior The stations along the way include a grappling with the default atheism prevalent in contemporary intellectual culture an exploration of the middle space the metaxu between the finite and the infinite a dwelling with solitudes as thresholds between selving and the sacred a meditation on idiot wisdom and transcendence in an East West perspective an exploration of the different stresses in the mysticisms of Aurobindo and the Arnhem Mystical Sermons a dream monologue of autonomy a suite of Kantian and post Kantian variations on the story of the prodigal son a meditation on the beatitudes as exceeding virtue in light of Aquinas's understanding and culminating in an exploration of Godsend's as telling us something significant about the surprise of revelation in word idea and story Godsend's is written for thoughtful persons and scholars perplexed about the place of religion in our time and hopeful for some illuminating companionship from relevant philosophers It will also interest students of philosophy and religion especially philosophical theology and philosophical metaphysics

Staying Together Kaushani Mondal, 2023-12-19 *Staying Together* Natureculture in a Changing World is about staying together living together and the dynamics and poetics of togetherness It demonstrates through a strong investment in nature studies nonhuman studies and nature culture and cohabitative readings a commitment to interconnectedness The contributors speak of co habitation a kind of co presence that happens for the good of all and has been happening before we realized its prevalence They argue co beingness is deeply founded in difference differentiation and dispersion They explore and investigate this fraught and profound weness at a variety of levels and look at forms of biocentrism and bioegalitarianism where there are opportunities for the affirmation of difference as much as declaration of complexities in co specicism co occurrence and co being The book answers the following questions How can the complexity of sustainability and survivality lead us to re planetize the planet Are we unworlding an Earth where the meaning and ethos being together demand reinvention and rearticulation

Eco-Concepts Cenk Tan, ISMAIL Serdar Altaç, 2024-04-15 *Eco Concepts* Critical Reflections in Emerging Ecocritical Theory and Ecological Thought offers an intellectual journey through the ever evolving landscapes of environmental discourse This thought provoking volume brings together contributors from international scholarship to scrutinize and illuminate the contemporary trends reshaping our understanding of the natural environment From the intricate interplay of rising ecocritical theories like restoration and empirical ecocriticism to the nuanced shifts in the reimagining of ecological concepts this book unravels the complexities of our relationship with the natural sphere This scholarly collection serves as a compass guiding readers through the uncharted territories of environmental scholarship or revisiting existing study through fresh critical perspectives *Eco Concepts* strives to become an

essential source of reference for academics students and individuals seeking an in depth exploration of the innovative notions influencing the trajectory of discussions on ecology **Embodied Spirituality in a Sacred World** Michael

Washburn,2012-02-01 Anyone seeking a deeper understanding of human spirituality will find something of value in Michael Washburn's new book *Drawing on a rich variety of psychoanalytic Jungian and existential phenomenological sources and on both Western and Asian spiritual texts Embodied Spirituality in a Sacred World* provides a theoretical foundation for the idea that human development follows a spiral path Washburn shows that ego development early in life requires us to turn our backs on original sources of our existence and therefore that spiritual development later in life requires us to spiral back to these sources on the way to whole psyche integration He elucidates the underlying causes and pivotal events that set development on its spiral course and traces six major dimensions of experience as they unfold along the spiral path the unconscious the energy system the ego system the perceived other the experiential body and the life world In providing a theoretical foundation for the idea of the spiral path Washburn defends the idea against its critics and helps explain why the idea has been compelling to so many people in diverse traditions *On Cuddling* Phaniel Antwi,2023-11-20 An urgent and elegant book excavating the many meanings of cuddling under racial capitalism Lyrical and powerful Sophie K Rosa author of *Radical Intimacy* Will take its place among books by Christina Sharpe Saidiya Hartman and Hazel Carby that investigate the violence of intimacy and the intimacy of violence Jack Halberstam author of *Wild Things* Ranging from the terrifying embrace of the slave ship's hold to the racist encoding of cuddly toys *On Cuddling* is a unique combination of essay and poetry that contends with the way racial violence is enacted through intimacy Informed by Black feminist and queer poetics Phaniel Antwi focuses his lens on the suffering of Black people at the hands of state violence and racial capitalism As radical movements grow to advance Black liberation so too must our ways of understanding how racial capitalism embraces us all Antwi turns to cuddling an act we imagine as devoid of violence and explores it as a tense transfer point of power Through archival documents and multiple genres of writing it becomes clear that the racial violence of the state and economy has always been about the mismanagement of intimacies Phaniel Antwi is Canada Research Chair in Black Arts and Epistemologies He is a curator activist and associate professor at the University of British Columbia **Handbook for**

Theory, Research, and Practice in Gestalt Therapy (2nd Edition) Philip Brownell,2019-04-03 This is a true second edition so much so that it approaches being a different book It includes among its new authors some of the most sought after theorists in contemporary gestalt therapy There is a section on the philosophy of science research and research methodology and one devoted to gestalt therapy and its teaching and research in diverse parts of the world There is disagreement and critique for this is not a simple book It is so packed with information that it serves as both a challenge and a resource This second edition of the *Handbook* will take its place as an aid in understanding the evolution of contemporary gestalt therapy and as a guide to the evolving research tradition in gestalt therapy It rightfully belongs on the shelves of both beginning

trainees in gestalt therapy and advanced and experienced practitioners and certainly represents a resource for practitioner researchers involved in practice based research

A Political Economy of Attention, Mindfulness and Consumerism

Peter Doran, 2017-07-14 The power of capital is the power to target our attention mould market ready identities and reduce the public realm to an endless series of choices This has far reaching implications for our psychological physical and spiritual well being and ultimately for our global ecology In this consumer age the underlying teachings of Buddhist mindfulness offer more than individual well being and resilience They also offer new sources of critical inquiry into our collective condition and may point in time to regulatory initiatives in the field of well being This book draws together lively debates from the new economics of transition commons and well being consumerism and the emerging role of mindfulness in popular culture Engaged Buddhist practices and teachings correspond closely to insights in contemporary political philosophical investigations into the nature of power notably by Michel Foucault The attention economy can be understood as a new arena of struggle in our age of neoliberal governmentality as the forces of enclosure having colonized forests land and the bodies of workers are now extended to the realm of our minds and subjectivity This poses questions about the recovery of the mindful commons the practices we must cultivate to reclaim our attention time and lives from the forces of capitalization This is a valuable resource for students and scholars of environmental philosophy environmental psychology environmental sociology well being and new economics political economy environmental politics the commons and law as well as Buddhist theory and philosophy

Emmanuel Levinas and the Politics of Non-Violence Victoria

Tahmasebi-Birgani, 2014-02-05 French philosopher and Talmudic commentator Emmanuel Levinas 1906 1995 has received considerable attention for his influence on philosophical and religious thought In this book Victoria Tahmasebi Birgani provides the first examination of the applicability of Emmanuel Levinas work to social and political movements Investigating his ethics of responsibility and his critique of the Western liberal imagination Tahmasebi Birgani advances the moral political and philosophical debates on the radical implications of Levinas work Emmanuel Levinas and the Politics of Non Violence is the first book to closely consider the affinity between Levinas ethical vision and Mohandas Gandhi s radical yet non violent political struggle Situating Levinas insights within a transnational transcontinental and global framework Tahmasebi Birgani highlights Levinas continued relevance in an age in which violence is so often resorted to in the name of justice and freedom

Human-Plant Entanglement: Thinking with Plants in the Anthropocene , 2025-06-12 Human Plant Entanglement Thinking with Plants in the Anthropocene is an edited collection that redefines the boundaries of phytocentric scholarship By

foregrounding the question of the Anthropocene at the centre of plant studies this book illustrates how attentiveness to plant life can allow our habitual anthropocentric instrumental assumptions to be invaded by a unique phytocentric impression that presents a new ethical imaginary for a human plant relationship With twelve carefully argued essays this book sets a new benchmark in the field of Critical Plant Studies **The Sage Handbook of Global Sociology** Gurminder K. Bhambra, Lucy Mayblin, Kathryn Medien, Mara Viveros-Vigoya, 2023-11-29 The SAGE Handbook of Global Sociology addresses the social its various expressions globally and the ways in which such understandings enable us to understand and account for global structures and processes It demonstrates the vitality of thought from around the world by connecting theories and traditions including reflections on European colonization to build shared rather than universal understandings Across 36 chapters the Handbook offers a series of perspectives and cases from different locations enabling the reader better to understand the particularities of specific contexts and how they are connected to global movements and structures By moving beyond standard accounts of sociology and social theory this Handbook offers both valuable insight into and scholarly contribution to the field of global sociology Part 1 Politics Part 2 Labour Part 3 Kinship Part 4 Belief Part 5 Technology Part 6 Ecology

Encountering Dragonfly Brooke Williams, 2025-04-08 A glittering gem of a book Sy Montgomery author of *The Soul of an Octopus* Following dragonflies into the territory between nature and the human psyche Two decades ago naturalist and environmental writer Brooke Williams had a powerful dream about a dragonfly a dream that cracked open his world by giving rise to a steady stream of dragonfly encounters in his waking life In the years since he has delved deeply into the fascinating biology and natural history of dragonflies and made pilgrimages to see them he now has 38 species on his life list while also exploring their symbolic meaning and cross cultural significance *Encountering Dragonfly* is his account related in a series of odonate encounters of being drawn into a different kind of relationship with the natural world By opening himself to the personal and mytho poetic meanings of dragonfly and patiently courting an understanding of these creatures that is built upon but also transcends a naturalist s observation Brooke has come to believe in the importance of re enchantment Many scholars believe that for most of human history we lived in an enchanted world in which myth and magic ritual and stories and spirits informed every aspect of our lives The enchantment ended with the Enlightenment and modernity when reason and scientific discovery explained away the magic commencing a commodification of nature that has flourished ever since Brooke s personal re enchantment has required of him a faith that material biological reality isn t the only reality it recognizes symbols and archetypes as remnants of a different understanding which may as perhaps they always have play a role in our long term survival In many cultures the dragonfly carries messages between the inner and outer world For Brooke Williams the message of the dragonfly is to ask questions about synchronicity awe and the collective unconscious and how to engage with a world increasingly out of balance What are the implications of following a path toward greater enchantment In a time where engagement with the political and social realities of climate change and environmental degradation can t

possibly be valued highly enough can we afford to choose such a path Perhaps more to the point can we afford not to

Cosmic Weather Report Mark Borax, Ellias Lonsdale, 2011-06-28 On a planet facing environmental and geopolitical catastrophes on every continent the idea that human beings need to evolve or die is gaining currency on an almost daily basis Cosmic Weather Report tackles the personal and collective obstacles to world transformation head on inspiring readers to rethink the whole purpose of humankind and change their lives and the course of the planet's future from within In this book eminent astrologers Mark Borax and Ellias Lonsdale pool their talents to explore what we are emerging from the age we need to leave behind and what we are approaching the age we're on the verge of creating Readers are encouraged to see how the greatest difficulties can be seized for optimal growth While Cosmic Weather Report is not an astrology book per se it uses astrological concepts which can also be read as metaphors to convey the universal scale of the transformations taking place Preserving the lecture format and question and answer dialogue of Lonsdale and Borax's famed mystery school the authors usher readers into an exciting classroom of evolution in which students get to quiz the teachers *Rainbow Trap* Kevin Guyan, 2025-06-12 Rainbow Trap reveals how the fight for LGBTQ equalities in the UK is shaped and constrained by the classifications we encounter every day Looking across six systems the police and the recording of hate crimes dating apps and digital desire outness in the film and television industry borders and LGBTQ asylum seekers health and fitness activities and DEI initiatives in the workplace Rainbow Trap documents how inclusive interventions such as new legislation revamped diversity policies and tech fixes have attempted to bring historically marginalized communities out of the shadows Yet as part of the bargain LGBTQ people need to locate themselves in an ever growing list of classifications categories and labels to make sense to the very systems they are seeking to access This requirement to be classified catches LGBTQ communities in a rainbow trap Because when we look beyond the welcoming veneer of inclusive interventions we uncover sorting processes that determine what LGBTQ lives are valued and what queer futures are possible Looking Into the Rain Barbara Baert, 2022-02-07 Humankind has a special relationship with rain The sensory experience of water falling from the heavens evokes feelings ranging from fear to gratitude and has inspired many works of art Using unique and expertly developed art historical case studies from prehistoric cave paintings up to photography and cinema this book casts new light on a theme that is both ecological and iconological both natural and cultural historical Barbara Baert's distinctive prose makes Looking Into the Rain Magic Moisture Medium a profound reading experience particularly at a moment when disruptions of the harmony among humans animals and nature affect all of us and the entire planet Barbara Baert is Professor of Art History at KU Leuven She teaches in the field of Iconology Art Theory Analysis and Medieval Art Her work links knowledge and questions from the history of ideas cultural anthropology and philosophy and shows great sensitivity to cultural archetypes and their symptoms in the visual arts **God and the Natural World** Ted Peters, Marie Turner, 2020-05-01 This collection of essays is a fitting tribute to Denis Edwards who was one of Australia's leading

theologians In exploring the most challenging questions of our time these essays canvas some of the great themes of Christian theology that were the focus of Edwards research Denis Edwards was a theologian of dialogue dialogue with our rich theological tradition dialogue with science dialogue with contemporary theologians The contributors to this volume enter into a dialogue with substantial parts of the theological output of Denis Edwards In the process they capture something of his humanity his love of creation and his concern for our common home The book demonstrates the commitment Denis Edwards had to a theology that is truly ecumenical and always learning from the insights of others The editors and authors have done a great service in helping many others to deepen reflection on Denis Edwards contribution to our understanding of God and the natural world
