A certified yoga and meditation teacher she's taught hundreds of thousands of people how to create simple yet powerful meditation practices. In fact as she'll show you in this book in as little as 4 minutes you can change your life. After years of suffering from anxiety and depression both as a child and as an adult Bex took control of her mental and physical health by establishing a rigorous fitness and yoga routine that quickly evolved into her own regular homegrown 4 minute daily meditation practice. Bex's 4 minute meditations combine mantras affirmations breathing and bodywork techniques and they're designed so that even the busiest people can fit them into their lives. In this book Bex guides you through 27 different meditation practices and shares personal stories that demonstrate how meditation has helped her overcome various challenges. She also answers commonly asked questions like Do my eyes have to stay closed and What do I do if my body starts to hurt provides technical information about props postures and mantras and offers tools to cope with complex issues such as grief body acceptance and relationships. By spending just 4 minutes a day with this practice you will find deep meaningful and lasting healing **The 12 Factors of Business Success** Kevin Hogan, Dave Lakhani, Mollie Marti, 2008-09-09 Praise for The 12 factors of Business Success Kevin Hogan is a thinker and a doer. Steven McWhorter CEO Securities America Inc **Climate Change in an Aging Society** Harry R. Moody, 2024-12-03 Climate Change in an Aging Society is the first book fully devoted to the impact of climate change on those who are old today and those who will be old in decades to come. In doing so Moody focuses on issues of critical importance aging in place health and age in a warming world responsibility for the climate crisis options for climate conscious consumers planning for investment for a green retirement and opportunities for political action. The number of Americans aged over 65 is projected to rise from 17% to 21%. By 2060 nearly one in four Americans will be 65 or older. By 2050 however average temperatures in the USA could rise by as much as 3 C and extreme weather events are likely to become more frequent and severe. Despite these alarming projections and the likelihood that climate change will cause serious health issues among the elderly little attention has been devoted to the impact of climate

change on this demographic Employing a life course perspective and a cross generational approach Moody assesses the impact of climate change on those who are old today and those who will be old in years to come Challenging both climate complacency and climate defeatism the book adopts as its clarion call HERE NOW YOU HOPE Written in an engaging personal style with highlighting case studies of influential eco elders this urgent book will be of great interest to students and scholars with interests in climate change gerontology and environmental and social policy

Kabbalah and the Power of Dreaming Catherine Shainberg,2005-02-16 A dynamic exposition of the powerful ancient Sephardic tradition of dreaming passed down from the renowned 13th century kabbalist Isaac the Blind Includes exercises and practices to access the dream state at will in order to engage with life in a state of enhanced awareness Written by the close student of revered kabbalist Colette Aboulker Muscat In Kabbalah and the Power of Dreaming Catherine Shainberg unveils the esoteric practices that allow us to unlock the dreaming mind s transformative and intuitive powers These are the practices used by ancient prophets seers and

sages to control dreams and visions Shainberg draws upon the ancient Sephardic Kabbalah tradition as well as illustrative stories and myths from around the Mediterranean to teach readers how to harness the intuitive power of their dreaming While the Hebrew Bible and our Western esoteric tradition give us ample evidence of dream teachings rarely has the path to becoming a conscious dreamer been articulated Shainberg shows that dreaming is not something that merely takes place while sleeping we are dreaming at every moment By teaching the conscious mind to be awake in our sleeping dreams and the dreaming mind to be manifest in daytime awareness we are able to achieve revolutionary consciousness Her inner vision exercises initiate creative and transformative images that generate the pathways to self realization
