Radical Grace Daily Meditations By Richard Rohr:

Radical Grace Richard Rohr,1993 **La Vida Sacra** James Empereur,Eduardo C. Fernández (s.j.),2006-10-12 Presents an insightful approach to the sacraments from the perspective and actual practice of Latinos over the centuries This work offers a distinctive take on the belief and enculturation of the sacraments in the Latino experience and context It is suitable for theology courses as well as directors of ministerial programs and their students You Don't Owe Anyone Caroline Garnet McGraw,2021-04-20 You Don t Owe Anyone is for perfectionists workaholics people pleasers and strivers who feel stuck in the try hard cycle Sharing her experiences as a life coach and recovering perfectionist Caroline Garnet McGraw shows us how we can free ourselves from the weight of expectations and encourages us to move our lives forward without apology Inspired by the author s viral essay You Don t Owe Anyone an Interaction this book invites us to make surprising choices that can help us get unstuck Rather than offering more ways to effect change through sheer effort these personal stories serve as a compassionate witness a reflection of our own perfectionistic tendencies They also are a wakeup call jolting us out of our martyr mentality and inspiring us to move in new positive directions Through simple accessible coaching practices You Don t Owe Anyone shows us what it looks like to refuse to over function in the old ways It invites us to make the same surprising choices that have helped McGraw and her clients move past perfectionism empowering us to quiet our fears and heal our hearts **The Gospel of Falling Down** Mark Townsend,2007-06-27 We hear a lot about the gospel of success whether from Christian or New Age sources But most of us are more accustomed to failure or at least not reaching our hopes Which surely is at the heart of the life of Jesus and his message This book is a radical departure from much of what modern day Christianity and gurus of all kinds seem to offer Rather than seeing Christianity as a group of people trying to change themselves into the ideal it describes how such a practice is precisely what Jesus came to liberate us from

Wisdom From the Margins William G. Britton,2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn t ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It s not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I m hoping that like me you ll discover something that you didn t know you wanted or needed and something now you wouldn t give up at any price **A Glorious Dark** A. J. Swoboda,2015-01-27 On Thursday as they ate the Passover meal with Jesus the disciples believed that the kingdom was coming and they were on the front end of a revolution Then came the tragedy of Friday and somehow even

worse the silence of Saturday They ran They doubted They despaired Yet within the grave God's power was still flowing like a mighty river beneath the ice of winter And then there was Sunday morning Real raw and achingly honest A Glorious Dark meets readers in the ambiguity doubt and uncertainty we feel when our beliefs about the world don't match up to reality Tackling tough questions like Why is faith so hard Why do I doubt Why does God allow me to suffer and Is God really with me in the midst of my pain A J Swoboda puts into sharp focus a faith that is greater than our personal comfort or fulfillment He invites readers to develop a faith that embraces the tension between what we believe and what we experience showing that the very tension we seek to eliminate is where God meets us

The Passionate Jesus The Rev. Peter Wallace, 2012-10-24 Sometimes what we already know about Jesus gets in the way of our really knowing him Many depictions of Jesus show him as a character who coolly and calmly floats above the grit and grime of human existence He doesn't hurt he doesn't fear he doesn't laugh and most tragically he doesn't love very passionately He seems not to feel at all But a closer look at the Bible reveals something surprisingly different In this eye opening spiritual study Peter Wallace examines Jesus's actions as well as his teachings to uncover a passionate figure who was involved present connected honest and direct with others Through Wallace's deeply personal insights and compelling examples you will be encouraged to model this passionate Jesus by building personal authenticity in every area of your own life particularly in your self acceptance and self expression your relationships with others and above all your relationship with God
