Ragged Regiment

George Marion

Ragged Regiment:

Romance of London John Timbs, 1865 Ragged Regiment George Marion, 1981 *Supernatural stories* John Timbs, 1868 **All for the Regiment** Gerald J. Prokopowicz, 2014-03-24 Despite its important role in the early years of the Civil War the Army of the Ohio remains one of the least studied of all Union commands With *All for the Regiment* Gerald Prokopowicz deftly fills this surprising gap He offers an engaging history of the army from its formation in 1861 to its costly triumph at Shiloh and its failure at Perryville in 1862 Prokopowicz shows how the amateur soldiers who formed the Army of the Ohio organized themselves into individual regiments of remarkable strength and cohesion Successive commanders Robert Anderson William T Sherman and Don Carlos Buell all failed to integrate those regiments into an effective organization however The result was a decentralized and elastic army that was easily disrupted and difficult to command but also nearly impossible to destroy in combat Exploring the army's behavior at minor engagements such as Rowlett's Station and Logan's Cross Roads as well as major battles such as Shiloh and Perryville Prokopowicz reveals how its regiment oriented culture prevented the army from experiencing decisive results either complete victory or catastrophic defeat on the battlefield Regimental solidarity was at once the Army of the Ohio's greatest strength he argues and its most dangerous vulnerability Big Things Start Small Joe M. Easterling, 2021-12-01 History indicates that small group gatherings have been powerfully influential in igniting Christianity's most famous spiritual awakenings In this groundbreaking study Joe M Easterling explores Christianity's four most significant awakenings and how small groups have influenced the rise and sustainability of each As readers encounter the incredible accounts of how God transformed individuals communities and even nations through the movement of his Spirit they will discover that small groups have been there all along as one of revival's most indispensable contributors More importantly readers will learn some common characteristics of the small groups during these awakenings and how they may be used in small groups of churches today in hopes that a spiritual awakening may ignite once again Washington Irving's Contributions to the Corrector , 1968-10-28 Washington Irving's *Contributions to the Corrector* was first published in 1968 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions This volume makes available for the first time in collected form a series of sketches by Washington Irving which were published anonymously in a political newspaper *The Corrector* in 1804 *The Corrector* a short lived political sheet was published in New York City by Washington Irving's brother Peter Irving While it has been assumed that Washington Irving contributed to the periodical the present collection represents the first attempt to identify his contributions The collection contains forty five pieces by Washington Irving In addition Professor Roth provides a literary and historical background in a lengthy introduction as well as annotations for each selection giving the documentary evidence on which the attribution of authorship is based Washington Irving's sketches for *The Corrector* were written as campaign literature for Aaron Burr in

the New York gubernatorial election of 1804 As Professor Roth points out they are filled with low and indecent abuse and they contradict accepted notions of Irving s literary character The view of Irving from the nineteenth century onward has been that of a gentle genial and dignified personality and his excursions in low invective or slapstick have generally been dismissed as accidents or exceptions to his read nature The editor places this body of Irving s work in the perspective of traditional invective and traces its relationship to other comic and satiric writing of the eighteenth century

Corridors of Migration Rodolfo F. Acuña, 2008-08-21 A Choice Outstanding Academic Title In the San Joaquin Valley Cotton Strike of 1933 frenzied cotton farmers murdered three strikers intentionally starved at least nine infants wounded dozens of people and arrested more While the story of this incident has been recounted from the perspective of both the farmers and more recently the Mexican workers this is the first book to trace the origins of the Mexican workers activism through their common experience of migrating to the United States Rodolfo F. Acuña documents the history of Mexican workers and their families from seventeenth century Chihuahua to twentieth century California following their patterns of migration and describing the establishment of communities in mining and agricultural regions He shows the combined influences of racism transborder dynamics and events such as the industrialization of the Southwest the Mexican Revolution and World War I in shaping the collective experience of these people as they helped to form the economic political and social landscapes of the American Southwest in their interactions with agribusiness and absentee copper barons Acuña follows the steps of one of the murdered strikers Pedro Subia reconstructing the times and places in which his wave of migrants lived By balancing the social and geographic trends in the Mexican population with the story of individual protest participants Acuña shows how the strikes were in fact driven by choices beyond the Mexican workers control Their struggle to form communities graphically retells how these workers were continuously uprooted and their organizations destroyed by capital *Corridors of Migration* thus documents twentieth century Mexican American labor activism from its earliest roots through the mines of Arizona and the Great San Joaquin Valley cotton strike From a founding scholar of Chicano studies and the author of fifteen books comes the culmination of three decades of dedicated research into the causes and effects of migration and labor activism The narrative documents how Mexican workers formed communities against all odds

Romance of London: strange stories, scenes and persons John Timbs, 1865 , *George Gissing* Pierre Coustillas, Collin Partridge, 2013-06-17 The Critical Heritage gathers together a large body of critical sources on major figures in literature Each volume presents contemporary responses to a writer s work enabling students and researchers to read for themselves for example comments on early performances of Shakespeare s plays or reactions to the first publication of Jane Austen s novels The carefully selected sources range from landmark essays in the history of criticism to journalism and contemporary opinion and little published documentary material such as letters and diaries Significant pieces of criticism from later periods are also included in order to demonstrate the fluctuations in an author s reputation Each volume contains an introduction to the writer s published

works a selected bibliography and an index of works authors and subjects The Collected Critical Heritage set will be available as a set of 68 volumes and the series will also be available in mini sets selected by period in slipcase boxes and as individual volumes *The Percy Anecdotes* ,1826 **The Percy anecdotes, original and select, by Sholto and Reuben Percy** Joseph Clinton Robertson,1823 **The Percy Anecdotes: Science. Literature** ,1821 *The Percy Anecdotes.*
Original and Select Sholto and Reuben Percy,1823 **The Percy Anecdotes** Joseph C. Robertson,1820 *The Gentleman's Magazine: Or, Monthly Intelligencer* Edward Cave,1799 **Lloyd's Reciter** Edward LLOYD (Publisher.),1847
Army and Navy Chronicle, and Scientific Repository ,1837 *Episodes of the Civil War* George Washington Herr,1890
Titan ,1846
