Bogard,2012-10-17 In Retha's Song A Rhapsody of the Soul Retha hears her God the sun speak to her for the first time at the age of seven He speaks of a baby boy being born who lived far away from her and is her beloved As long as she listens to Gods voice and stays on her path and the young boy stays on his path with Gods guidance they will meet She strays many times from the voice of God and her path During the journey she is struck with a devastating Bipolar Disorder and her young son is diagnosed with Crohns disease which nearly took his life Her faith began taking new direction and she began experiencing phenomenal supernatural events in her life Her intuition became increasingly powerful however internal mind altering suffering kept plaguing her Music directed by the angels was the compelling force that was the interwoven thread that could bring these two souls together as they are both singers and songwriters Could a miracle happen *Forthcoming Books* Rose Arny,1998 **The Rainbow'S Light** Derek Earls,2016-10-12 Droplets of evil had diluted and eventually dispersed the white power of the suns special light The special light had a purpose It was created for such a time as this The purpose carried a good intent but some devilry had diluted and dispersed the good intent It was remembered by those occasions when rainbows arched the sky The rainbows appeared less to men and others forgot But most men had forgotten the purpose of the rainbows reminder and most men and others had never known the purpose of the special light It was always known by a few that such a time as this would come The few intent on good feared the coming of such a time Now the greater number who were evil were aware that the time or a time had come They were at first unaware that the special light might reconvene as a whole and that the white power of the whole might thwart their intent These others were not men not human Though they had mans outward appearance most were subhuman some were superhuman Evil intent rested with the

superhuman but to them the intent was not evil just inevitable Only those carried upon the waves of the special light had the energy to combat the evil intent and then it was only when they came together

Dining with Milton and Bunyan and other comic verse Peter Goulding,2018-01-05 Peter Goulding s fourth or maybe fifth who s counting book of comic verse again delves the murky depths of the poet s imagination There are still plenty of poems about murdering his wife and disposing of her body but there are darker poems too the proliferation of tomatoes on Jupiter the birth of Princess Charlotte and his critiques of the counties of Tipperary and Offaly to name but four His mind which to be frank would be put to much better use learning a trade or simply vegetating is again employed solving many of the world s problems in rhyming couplets villanelles and other fiendish weapons of mass destruction Comes with a cultural health warning

An Unexpected Quorum Jeremy Kamper,2014-01-31 When Jair is awakened from a bizarre dream by a familiar but chilling sound it begins a series of unusual events that threaten the planning of his upcoming wedding to Terah Refusing to let these strange occurrences alter their plans Jair chooses to overlook them But when Terah is kidnapped on their wedding night the young husband can no longer ignore what is

happening With the help of his brothers and some new acquaintances Jair sets out to recover his stolen bride Each day brings greater adventure and mystery as the band of men travel farther from home They will encounter Cloaks and Sapients large cities and ruthless rulers and rare stones with curious markings Each of these encounters will bring greater questions and few answers Who took Terah why and where is he going What are the markings on the stones and how are they connected Why would a Cloak attack a group of undistinguished travelers like them To Jair these questions are important but not as important as the one he continues to ask himself Will he ever see his wife again **RYSE of the 1NES - The Watchers**
