Rainbows & Roller Coasters Glenn Hass, 1995 *Rosezinda* John F. Parker, 2003-06-23 *Rosezinda* Riding Rainbows is a fanciful tale that literally starts out with a bang Within seconds of being struck by a speeding van Cora a plucky outspoken 13 year old is taken on the thrill ride of her young life Arriving in a new reality called E and renamed Rosezinda she encounters a collection of colorful individuals who take her on a series of hair raising adventures This quirky and somewhat edgy story had me hooked from its exciting beginning to the surprise ending I didn t want to put it down until I had read the last word even then I found myself turning the page wanting more The evocative imagery and eccentric characters are worthy of a Spielberg movie especially the wonderful basketball game which is unlike any basketball game the reader could ever imagine Though the story s intended audience is children who I believe will be entranced by it it may be enjoyed on multiple levels by older readers Parents may wish to read *Rosezinda* Riding Rainbows with their children and discuss some of the provocative questions it brings up I m anxious to read more of *Rosezinda* s adventures I applaud Parker on his originality and creativity Linda R Thompson Ed D Director of Student Support Services Harding University Arkansas John Parker s book is exciting because it includes the things that are important in life When I grow up I will make a movie out of it if there isn t one by then 12 year old Alex in grade six Vancouver BC Parker has created a wonderful magical world that is totally against the readers perception of reality but which seems entirely plausible Monique Trottier Raincoast Publishers I predict that *Rosezinda* will become a classic Dr Jennifer Hurd Senior Consultant Houghton Mifflin I can size *Rosezinda* up in one word BRILLIANT R Rudolph Harmony House Publishers More Praise for *Rosezinda* inside

A Rainbow in My Heart Russell Brandon,2013-07-30 Its starting to get to me Almost daily we hear about acts of violence towards women and children It was some of the worst examples of this that motivated me to start writing this book There are more motivations They are mostly things that society has become accepting of because they seem to be the norm They are the things that make me want to shout Hey this is wrong We shouldn't just accept it because everyone else is doing it And there are so many things I want to tell my grandchildren about navigating a path through life that follows the example Jesus set Mostly they are about avoiding a lifetime of mistakes the same mistakes I made But what kid wants to listen to a lecture by an old man regardless of how much they love him After all he belongs to a bygone era and doesn't really understand what its like to grow up in these modern times So I have composed a little story that allows me to share an old mans advice with his grandchildren and yours and all their parents as well Its a story of friendship love and loss in a modern era in fact whichever era they are growing up in I know it is an ageless story because it talks about living a life that simply follows the example that Jesus set over two thousand years ago It has not changed in all that time and will not change until He comes again Its all about doing life in a broken world but living a life that makes a difference
