al-Dabbāgh John O'Kane, Bernd Radtke, 2007-11-30 Around 1720 in Fez A mad b al Mub rak al Lama a religious scholar wrote down the words and teachings of the Sufi master Abd al Az z al Dabb gh Al Dabb gh shunned religious studies but having reached illumination and met with the Prophet Mu ammad he was able to explain any obscurities in the Qur n ad ths and sayings of earlier Sufis The resulting book known as the Ibr z describes how al Dabb gh attained illumination and access to the Prophet as well as his teachings about the Council of the godly that regulates the world relations between master and disciple the darkness in men's bodies Adam's creation Barzakh Paradise and Hell and much more besides This encyclopaedia of Sufism with its many teaching stories and illustrations provides a window onto social life and religious ideas in Fez a generation or so before powerful outside forces began to play a role in the radical transformation of Morocco **Poetic**

Parables, Songs and Poems Vickie L. Detert, 2009-12-16 *Poetic Parables Songs and Poems* from an imperfect pen is the first attempt at publishing for the author composer Vickie L Detert With the Lord and his gifts as inspiration there are many more works waiting their turn to be shared Their message of faith forgiveness strength hope and love have been blessings to Miss Detert and others Now her prayer is to share them with as many as God is willing and she trusts He will guide them through each and every word An added bonus to the music portion of this book is that each song is presented twice The first presentation is as melody chords and lyrics The second is with a piano accompaniment In most of the later you will also find the pieces are written in a slightly lower key thus giving the singers a choice of range Miss Vickie L Detert has been a life long Christian who has as most Christians faced many of life's challenges with her God given faith being the answer the hope and the strength she has needed As far back as she can remember music and faith have walked hand in hand and so despite

being convinced at a young age that writing was not one of her gifts it was not surprising that in 1978 she began writing and composing pieces reflective of her faith As a music teacher and church musician Miss Detert has shared much of her writings with friends family and local congregations Now she hopes the Lord will use this book to reach out and bless all of those who are moved to open it s cover and look within Her wish is that God use her work to bring others closer to Him as it has done for her
