Publisher description **Catalogue** Columbia University, 1917 **English Language Learning Materials** Brian Tomlinson, 2008-03-17 This research collection presents a critical review of the materials used for learning English around the world. The first section includes a discussion of materials for specific learners and purposes such as young learners, self study, academic writing, and general proficiency. The second section presents a detailed study of the materials used in Europe, Asia, North America, South America, Africa, and Australia, and critically evaluates their effectiveness in the teaching of English to speakers of other languages. Taking both the teacher's and the learner's needs into consideration, the book makes a positive contribution to the future of research in materials development and has practical applications. This comprehensive critical analysis of materials in use around the world will be useful for academics researching materials development and applied linguistics, and for students on postgraduate applied linguistics and ELT courses English Connections Isabel Kentengian, Linda Lee, 1994 **Four Corners Level 3 Teacher's Edition with Assessment Audio CD/CD-ROM** Jack C.
