Russia The US And The Missile Technology Control Regime:

Russia, the US and the Missile Technology Control Regime Aleksandr Pikaev, Leonard S. Spector, Elina V. Kirichenko, Ryan Gibson, 1998 This paper describes the events surrounding the controversy between the US and Russia over the sale of Soviet Russian missile technology to India in the early 1990s From its emergence in 1990 91 to its resolution in 1993 the dispute evolved against the backdrop of the Soviet Union s collapse and political changes in Washington Based on documentary evidence and extensive interviews with key figures this paper provides detailed new information about national policy and decision making processes in Moscow and Washington on the sensitive issues of missile export policy and the evolution of the Missile Technology Control Regime MTCR The authors intend that it should foster a better understanding of a controversial and often mischaracterised episode thereby supporting continued cooperation between Russia and the US in controlling the spread of missiles and missile technology

Indo-Russian Military and Nuclear Cooperation Jerome M. Conley, 2001-01-01 In this book Jerome M Conley argues that strained Indo American relations stem from a deep nexus of historical factors Conley begins his examination of the delicate balance of power in the region by looking back to the Moscow New Delhi deal during the Cold War He argues that the dialogue between the United States India and Russia that was established during this era has persisted only because of American ambivalence short term Indian needs and Russian economic trends Consequently the United States must sow the seeds for long term trust and cooperation with India to ensure limited and controlled nuclear expansion This book will appeal to international affairs and security studies scholars foreign policy historians and anyone interested in exploring the complexities of regional strategic arms control
