HERMAN UNGER

Russia The Weimar Republic

James E. Casteel

Russia The Weimar Republic:

Russia and the Weimar Republic Lionel Kochan,1957

Exploring the Weimar Russia Analogy Gary P.

Russell,1999-12-01 The Weimar Russia analogy is based on a comparison between the failures of the Weimar Republic in Germany 1918 33 and the current problems of post Soviet Russia The premise of the analogy is that initial advances toward democracy and economic stabilization might fail and that an authoritarian leader might assume power rearm and destabilize the Eurasian continent The comparison has been the subject of academic conferences books journal articles news stories and miscellaneous comments This thesis examines the following elements of the comparison Defeat in War Revolution as the Internal Cause Loss of Territory and Resources Economic Turmoil Political Systems Governments and Leaders Decline of the Military The Diaspora and the Desire for an Ethnically based Nation State Revanchism and Irredentism and Fascism and Anti Semitism While some analysts question the validity of the comparison the Weimar Russia analogy commands attention from experts in Russian affairs and government officials concerned with the future of Russia

Russia and the Weimar Republic Royal Vale Heath,1954

Russia and Germany Walter Laqueur,2018-04-24 Despite changes in the international constellation since Russia and Germany initially appeared in 1965 the relationship between these two nations remains the most important single issue in European politics and East West affairs This study of what Russians and Germans have thought of each other and the fateful consequences of their interacting ideas is of lasting significance The fact that Russia and Germany have embodied extreme manifestations of the totalitarian plague in the twentieth century After briefly exploring the historical origins of Russophobia in Germany and of anti Germanism in Russia Laqueur reviews in detail the confrontation of Nazism and Bolshevism that culminated in World War II He deals with the Russian origins of National Socialism and the ideology of the Russian far right from the days of the Black Hundred to its recent revival This edition includes a major new introduction by the author reviewing developments in the relationship between Russia and Germany in the last 25 years and speculating about its future Long out of print Russia and Germany will be again welcomed by political scientists students of international relations and all those with an interest in recent history and current events

Putinism Marcel Van Herpen,2013-01-21 In this original analysis of contemporary Russia the author shows how Putin s regime is a completely new right wing political model that combines features of Mussolini s Italy with the 19th Century Bonapartism of Napoleon III and 21st Century Populism of Berlusconi An essential read

100 Years On: Revisiting the First Russian Art Exhibition of 1922 Isabel Wünsche,Miriam Leimer,2022-12-12 The First Russian Art Exhibition Erste Russische

Kunstaussstellung which opened at the Galerie van Diemen in Berlin on October 15 1922 and later travelled to Amsterdam introduced a broad Western audience to the most recent artistic developments in Russia The extensive show more than a thousand works including paintings graphic works sculptures stage designs architectural models and works of porcelain was remarkably inclusive in its scope which ranged from traditional figurative painting to the latest constructions of the Russian

avant garde Coming on the heels of the Treaty of Rapallo the exhibition was a first cultural step towards bilateral relations between two young and yet internationally isolated new states the Weimar Republic and the Russian Soviet Republic Moving away from the narrow focus on the avant garde the volume presents new research that examines the exhibition's broader historical scope and cultural implications The reception of the exhibition within artistic circles in Germany Europe the United States and Japan in the 1920s is addressed as well as the disposition of many of the works exhibited The combination of longer thematic essays and short features along with reproductions of newly identified works and a selection of unpublished archival materials make this book valuable to both a scholarly and a general readership

Russia in the German Global Imaginary James E. Casteel, 2016-05-06 This book traces transformations in German views of Russia in the first half of the twentieth century leading up to the disastrous German invasion of the Soviet Union in 1941 Casteel shows how Russia figured in the imperial visions and utopian desires of a variety of Germans including scholars journalists travel writers government and military officials as well as nationalist activists He illuminates the ambiguous position that Russia occupied in Germans global imaginary as both an imperial rival and an object of German power During the interwar years in particular Russia now under Soviet rule became a site onto which Germans projected their imperial ambitions and expectations for the future as well as their worst anxieties about modernity Casteel shows how the Nazis drew on this cultural repertoire to construct their own devastating vision of racial imperialism

The U.S. and Russia United States. Congress. House. Committee on International Relations, 1998

Russia and the New States of Eurasia Karen Dawisha, Bruce Parrott, 1994-01-28 This book surveys the possibilities for future alignments both among the new states of the former Soviet Union and between the new states and their neighbours

Russia and Eastern Europe, 1789-1985 Raymond Pearson, 1989
