Soviet Studies Resource Guide ,1989 *Russia Under Soviet Rule* N. de Basily,2017-07-06 The author of this book was in a position which allowed him to become thoroughly conversant with the working of the Government machinery in Russia and in this volume originally published in 1938 he presents the situation in Soviet Russia as it developed since the Revolution of 1917 and discusses the events which led up to it Based mainly on information drawn from Soviet sources which the author acknowledges may not be impartial the author nevertheless maintains that a clear outline of the real situation may be inferred **Catalog of Copyright Entries. New Series** Library of Congress. Copyright Office,1933 **Europe's Long Century** Spencer Di Scala,2013 The twentieth century has been interpreted as a short century marked by extremes According to this view the century lasted only from 1914 to 1989 or 1991 These dates coincide with the rise and fall of communism that came to power in Russia in 1917 and ended with the fall of the Berlin wall 1989 or that of the Soviet Union 1991 Thus the concept of a short century is unduly influenced by a Cold War perspective In Europe s Long Century Spencer Di Scala presents an alternative view that will be more helpful to undergraduate history students in the twenty first century namely that twentieth century Europe was actually a long century lasting approximately from 1900 to 2000 with patterns and antecedents discernible before the century began and that continue to be elaborated today Comprehensive current and affordable Europe s Long Century integrates the histories of Eastern Europe Scandinavia and the Balkans that are often neglected in similar treatments It also thoroughly covers the role of science in shaping modern European life and the book s biographical sketches profile the lives of important though not always well known people who influenced Europe s long century *The Soviet Polity in the Modern Era* Erik P.
