Russian 19th Century Verse

Jonathan Stone

Russian 19th Century Verse:

Library of Congress Subject Headings Library of Congress,2011 **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office,2003 **Art in the Science Dominated World** E. L. Feinberg,2021-09-01 The subject of cybernetics is quickly growing and there now exists a vast amount of information on all aspects of this broad based set of disciplines This book concerns the phenomenon of art and the special problems that arise concerning art in our era which is almost unanimously regarded as unique as the era when science and technology have as never before become the influence on human society The aim of this book is to consider the two ways of perception and cognition of the world two kinds and trends of man s spiritual life in their interrelation **Library of Congress Subject Headings: F-O** Library of Congress. Subject Cataloging Division,1988 **Historical Dictionary of Russian Literature** Jonathan Stone,2013 The Historical Dictionary of Russian Literature contains a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 100 cross referenced entries on significant people themes critical issues and the most significant genres **Handbook of Russian Literature** Victor Terras,1985-01-01 Profiles the careers of Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays **A Sociological Approach to Poetry Translation** Jacob S. D. Blakesley,2018-10-31 This volume provides an in depth comparative study of translation practices and the role of the poet translator across different countries and in so doing demonstrates the need for poetry translation to be extended beyond close reading and situated in context Drawing on a corpus composed of data from national library catalogues and Worldcat the book examines translation practices of English language French language and Italian language poet translators through the lens of a broad sociological approach Chapters 2 through 5 look at national poetic movements literary markets and the historical and socio political contexts of translations with Chapter 6 offering case studies of prominent and representative poet translators from each tradition A comprehensive set of appendices offers readers an opportunity to explore this data in greater detail Taken together the volume advocates for the need to study translation data against broader aesthetic historical and political trends and will be of particular interest to students and scholars in translation studies and comparative literature **Singing the Self** Rachel S. Platonov,2012-07-31 A study of the phenomenon of guitar poetry a type of acoustic protest music that flourished in the Soviet Union between the post Stalinist and Gorbachev years **Enduring Friendships** Claire Warton,2011-10-27 About the Book Enduring Friendships tells a story of heartfelt gratitude and a resurgence of the power of life to rise above ordinary and extraordinary circumstance and experience The writing of introspection inspection and retrospection that followed bore the treasures of friendship It is also a collection of poems of passion reshaped and re forged in the fires of disability It is a celebration a call to action a eulogy an expression of hope and in the end a redemption

Rereading Russian Poetry Stephanie Sandler,1999-01-01 Russia s poets hold a special place in Russian culture perhaps

revealing more about their country than poets within any other nation In this unique and wide ranging collection of writings on poets and poetic trends in Russia contributors from the United States Britain and Russia examine the place of poetry in Russian culture Through a variety of critical approaches these scholars translators and poets consider a broad cross section of Russian poets from Pushkin to Brodsky Shvarts and Kibirov **A Double Garland** Thomas P. Hodge,2000 Thomas P Hodge has produced the first literary historical study of the art song enterprise in Russia s Golden Age A Double Garland investigates the interrelationship of poetry and music in Russia specifically the relations between poets and composers from 1800 to 1850 Hodge focuses on three major composers of art songs Alyab ev Verstovskii and Glinka He surveys their choices of text and after some preliminary metrical and structural analysis proceeds to a detailed consideration of the dynamics of poet composer interaction from various points of view Hodge presents both the major and minor poets of this period in the context of Russian musical life Based on extensive archival research this study will appeal to specialists in Russian poetry and musicologists

European Romanticism Stephen Prickett,2014-04-14 Romanticism was always culturally diverse Though English language anthologies have previously tended to see Romanticism as predominantly British the term itself actually originated in Germany where it became the banner of a Europe wide movement involving the profound intellectual and aesthetic changes which we now associate with modernity This anthology is the first to place British Romanticism within a comprehensive and multi lingual European context showing how ideas and writers interconnected across national and linguistic boundaries By reprinting everything in the original languages together with an English translation of all non English material in parallel on the opposite page it offers a new intellectual map of Romanticism Material is thematically arranged as follows Art Aesthetics The Self History Language Hermeneutics Theology Nature The Exotic Science While focusing on European texts the inclusion of essays on their North American and Japanese reception means that Romanticism can be seen as a global phenomenon influencing a surprising number of the ways in which the modern world sees itself

The Selected Poems of Osip Mandelstam Osip Mandelstam,2004-08-31 Osip Mandelstam is a central figure not only in modern Russian but in world poetry the author of some of the most haunting and memorable poems of the twentieth century A contemporary of Anna Akhmatova Marina Tsvetayeva and Boris Pasternak a touchstone for later masters such as Paul Celan and Robert Lowell Mandelstam was a crucial instigator of the revolution of the word that took place in St Petersburg only to be crushed by the Bolshevik Revolution Mandelstam s last poems written in the interval between his exile to the provinces by Stalin and his death in the Gulag are an extraordinary testament to the endurance of art in the presence of terror This book represents a collaboration between the scholar Clarence Brown and W S Merwin one of contemporary America s finest poets and translators It also includes Mandelstam s Conversation on Dante an uncategorizable work of genius containing the poet s deepest reflections on the nature of the poetic process P-Z Library of Congress. Office for Subject Cataloging Policy,1990 Fedorov's Introduction to Translation Theory Brian James Baer,2021-03-18 This is the

first English translation of Andrei V Fedorov's classic 1953 text *Vvedenie v teoriu perevoda* Introduction to Translation Theory Fedorov was the first to argue that translation theorizing should be based on linguistics due to the fact that language is the common denominator of all translation In addition this text offers a concise but thorough comparative overview of thinking on translation in Western Europe and Russia The detailed annotations and substantial introduction by the leading scholar and award winning translator Brian James Baer inscribe Fedorov's work in the political and cultural context of the Soviet Union highlighting the early influence of Russian Formalism on Fedorov's thinking This volume is a model of scholarly translation that fills a major gap in our understanding of Soviet translation theory which will compel a rethinking of current histories of the field Contributing to the important work of internationalizing and generating new histories of translation studies this volume is key reading for scholars and researchers of the history theory and politics of translation studies comparative literature and Russian and Slavic studies

Stalking Nabokov Brian Boyd, 2013-06-25 In this book Brian Boyd surveys Vladimir Nabokov's life career and legacy his art science and thought his subtle humor and puzzle like storytelling his complex psychological portraits and his inheritance from reworking of and affinities with Shakespeare Pushkin Tolstoy and Machado de Assis Boyd also offers new ways of reading *Lolita* *Pale Fire* *Invitation of a Beheading* and the unparalleled autobiography *Invitation of a Beheading* disclosing otherwise unknown information about the author's world Sharing his personal reflections as he recounts the adventures hardships and revelations of researching Nabokov's life oeuvre he cautions against using Nabokov's metaphysics as the key to unlocking all of the enigmatic author's secrets Assessing and appreciating Nabokov as novelist memoirist poet translator scientist and individual Boyd helps us understand more than ever Nabokov's multifaceted genius

The Oxford Guide to Literature in English Translation Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e.g. Virgil's *Aeneid* which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e.g. poetry oral literature The second much longer part consists of entries

grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators

Bilingual Games D. Sommer, 2003-11-21 These essays bring home the most challenging observations of postmodernism multiple identities the fragility of meaning the risks of communication Sommer asserts that many people normally live that is think feel create reason persuade laugh in more than one language She claims that traditional scholarship aesthetics language and philosophy psychoanalysis and politics cannot see or hear more than one language at a time The goal of these essays is to create a new field bilingual arts aesthetics which examine the aesthetic product produced by bilingual diasporic communities The focus of this volume is the Americas but examples and theoretical proposals come from Europe as well In both areas the issue offers another level of complexity to the migrant and cosmopolitan character of local societies in a global economy

A Companion to Victorian Poetry Ciaran Cronin, 2008-04-15 This Companion brings together specially commissioned essays by distinguished international scholars that reflect both the diversity of Victorian poetry and the variety of critical approaches that illuminate it Approaches Victorian poetry by way of genre production and cultural context rather than through individual poets or poems Demonstrates how a particular poet or poem emerges from a number of overlapping cultural contexts Explores the relationships between work by different poets Recalls attention to a considerable body of poetry that has fallen into neglect Essays are informed by recent developments in textual and cultural theory Considers Victorian women poets in every chapter

A History of Western Literature J.M. Cohen, 2017-07-12 This book begins in a narrow territory strictly Western and extends with the passage of time to include the poetry plays novels and works of speculation of the great authors of the past and present from Russia to Mexico His objective is to tell the whole story of Western writing in languages other than English from the twelfth century Chanson de Roland to Evtushenko s poetry of the 1960 s Cohen not only presents a factual account of historical growth The book reflects the author s own judgments and valuations arrived at in the course of almost forty years reading in the main European languages A work of original criticism A History of Western Literature immediately became a standard reference when first published In this new edition the author has included revisions covering the most important recent writers and their work
