Department of the Army Pamphlet ,1963 **Missiles and Ventures Into Space** United States. Department of the Army,1961 **Scientific Communication Across the Iron Curtain** Christopher D. Hollings,2015-12-12 This monograph provides a concise introduction to the tangled issues of communication between Russian and Western scientists during the Cold War It details the extent to which mid twentieth century researchers and practitioners were able to communicate with their counterparts on the opposite side of the Iron Curtain Drawing upon evidence from a range of disciplines a decade by decade account is first given of the varying levels of contact that existed via private correspondence and conference attendance Next the book examines the exchange of publications and the availability of one side s work in the libraries of the other It then goes on to compare general language abilities on opposite sides of the Iron Curtain with comments on efforts in the West to learn Russian and the systematic translation of Russian work In the end author Christopher Hollings argues that physical accessibility was generally good in both directions but that Western scientists were afflicted by greater linguistic difficulties than their Soviet counterparts whose major problems were bureaucratic in nature This volume will be of interest to historians of Cold War science particularly those who study communications and language issues In addition it will be an ideal starting pointing for anyone looking to know more about this fascinating area Scientific Research ,1969

National Bureau of Standards Miscellaneous Publication ,1952 **NBS Technical Note** ,1959 **Guide to Reference Material** Albert John Walford,1966 **Miscellaneous Publication - National Bureau of Standards** United States. National Bureau of Standards,1934 *How to Find Out in Iron and Steel* D. E. White,2013-10-22 How to Find Out in Iron and Steel focuses on guides in conducting research on the manufacture and applications of iron and steel The book first emphasizes the role of information services and libraries literature guides bibliographies and periodicals in finding information on iron and steel Topics include guides to sources of information select lists of books and sources of information on books and lists of periodicals The manuscript then takes a look at the functions of periodical indexing and abstracting services in accessing information including services dealing with science and technology services solely focusing on iron and steel and services dealing with the manufacture of iron and steel The text also discusses the contributions of handbooks dictionaries monographs treatises textbooks and standard works in conducting research on the two elements English dictionaries that focus on a specific aspect of iron and steel technology mechanical working foundry practice heat treatment and mechanical properties and testing are underscored The book also explains the different standards used in the

manufacture and testing of iron and steel The manuscript is a dependable reference for readers wanting to conduct research on the manufacture and applications of iron and steel

Fuel your quest for knowledge with Authored by is thought-provoking masterpiece, Explore **Russian English Chemical Polytechnical** . This educational ebook, conveniently sized in PDF (Download in PDF: *), is a gateway to personal growth and intellectual stimulation. Immerse yourself in the enriching content curated to cater to every eager mind. Download now and embark on a learning journey that promises to expand your horizons. .

velocity of sound an overview sciencedirect topics - Apr 04 2022

web the speed of sound in air is affected by temperature and system errors the room temperature was 22c instead of 0c and this is the most likely cause of varying velocity

measuring the speed of sound using a resonance tube - May 05 2022

web eq 1 in order to determine the velocity we have to set up a vibration in the medium determine the frequency and wavelength and calculate the velocity of propagation from

physics 215 experiment 7 the speed of sound in air - Jul 19 2023

web the speed of sound depends on properties of the medium such as bulk modulus density and temperature to calculate the speed of sound in air v we will determine the

velocity of sound laboratory report phys122l the velocity - Oct 30 2021
