Russian For Businessmen:

Russian Entrepreneur Charles A. Ruud,1990-08-01 Only in the 1960s did the Soviet government begin to praise Sytin as an important figure in the publishing industry He is still virtually unknown in the West Ruud brings Sytin to the forefront of the enterprising capitalists of his time a group that significantly influenced the degree to which the modernization of methods and technology transformed Russia before the Revolution Russian Defense Business Directory ,1993

Corruption and the Russian Economy Yulia Krylova,2018-04-17 Corruption and the Russian Economy examines why the number of entrepreneurs is declining so rapidly in contemporary Russia how many economic opportunities are being irrevocably lost each year because of administrative corruption and why entrepreneurship has become one of the most dangerous occupations in the country over the last decade Based on extensive research including in depth interviews with entrepreneurs and case studies it reveals a corrupt system of government agencies at both the regional and local levels and the increasing involvement of public officials in unlawful seizures of businesses One major conclusion is that the vast majority of informal payments by entrepreneurs to regulatory agencies are made not to achieve illegal advantages but rather to secure the property rights that they are entitled to under the law **Essays in Russian and Soviet History in Honor of**

Geroid Tanquary Robinson Curtiss,2023-04-17 **Russian-Arab Worlds** Eileen M. Kane,Masha Kirasirova,Margaret Litvin,2023 When the Cold War ended the long history of Russian and then Soviet engagement with Arab countries was largely forgotten so the dominant role of Vladimir Putin s Russia in the region appeared to come out of nowhere The thirty four expertly introduced primary sources in this book recover a complex history of Russian Arab ties and illuminate some of its most fascinating aspects Russian Orthodox missionaries in Palestine Arab communists traveling to the USSR and more surprising Arabic legal documents written by Russian Muslims Russian Jewish migrants to Palestine decades before Zionism and 1940s Armenians repatriated from Arab countries to the USSR *The Russian Economic Grip on Central and Eastern Europe* Ognian Shentov,2018-10-08 This book is about the use of economic and state capture levers for achieving political clout It details how Moscow has been able to exploit governance deficits and influence decision making in the countries of Central and Eastern Europe through a range of economic means The comparative country by country perspective on Russia s corporate presence trade and investment in particular sectors of the region especially energy shows the patterns of the Kremlin s use of economic presence and state capture tactics to amplify political and social leverage By collating economic data with an analysis of governance loopholes and the political process the authors reveal the Kremlin s methods for swaying national policies especially through the exploitation of governance failures in these countries The book thereby highlights how Russia s economic power is related to its wider strategic goals It concludes that Russia s economic grip both direct and indirect is tighter than official statistics imply Smart Technologies and Innovations in Design for Control of Technological Processes and Objects: Economy and Production Denis B. Russian Government and Politics Eric Shiraev, 2020-10-06 Few countries have been transformed as rapidly and dramatically as Russia since the end of the Communist regime Yet the more that certain things change in Russia the more others remain the same The result is a political and social system of which almost every aspect is a work in progress marked by sudden accelerations slowdowns turnarounds and conundrums This lively and innovative third edition provides a clear and comprehensive picture of Russian politics which does full justice to its changes challenges and paradoxes A distinctive feature throughout is its emphasis on outlining basic facts and developments and setting these in historical contexts before moving on to critical analysis This is the ideal text for upper level undergraduate and postgraduate students studying Russian politics or comparative government and politics more broadly New to this Edition Fully updated to cover the latest developments including 2018's presidential election Two chapters offering expanded coverage of foreign policy which better balances coverage of domestic and international affairs New content on elections presidential power

American attempts at foreign aid the bureau's program was necessarily tentative but Linda Killen shows that as a specific case the bureau offers an instructive example It reveals a widespread ignorance of Russian affairs both in government and in business circles More importantly it demonstrates the fatal weakness of an idealistic policy that was blind to political realities Perhaps the bureau's most tangible accomplishment came when its 5 million were finally transferred to the Trans Siberian Railroad to purchase new equipment Yet ironically it was the hated Bolsheviks who benefitted from this aid when they seized Siberia and used the new equipment to restore the rail line to efficient operation This detailed study of the Russian Bureau sheds new light on a turbulent and tragic area of American diplomacy Unfortunately the democratic Russia that Wilson sought to help may never have existed except in his mind and never came to be
