Russian Foreign Policy

Jeffrey Mankoff

Russian Foreign Policy:

Russian Foreign Policy Olga Oliker, 2009 As Russia's economy has grown so have the country's global involvement and influence which often take forms that the United States neither expects nor likes The authors assess Russia's strategic interests and goals examining the country's domestic policies economic development security goals and worldview They assess implications for U.S. interests and present ways that Washington could work to improve its relations with Moscow

Imperial Russian Foreign Policy Hugh Ragsdale, V. N. Ponomarev, 1993-10-29 Imperial Russian Foreign Policy aims to demythologise a field hitherto dominated by suspicions of diabolical cunning inscrutable motives and international plots using unseen forces of the gigantic fear inspiring empire of the tsar The contributors leading historians from both Russia and the West examine Imperial foreign policy from its origins to the October Revolution revealing a policy that as in other countries had a complex of motives commerce nationalism the interests of various social groups but an unusual origin coming almost exclusively from the entourage of the tsar The work is based largely on original research in Soviet archives which only became possible after Soviet glasnost

Russian Foreign Policy Jeffrey Mankoff, 2011-10-16 Now thoroughly updated this widely praised book provides a thoughtful and balanced examination of the development of Russian foreign policy since the end of the Cold War This edition also places developments of the past two decades into the broader sweep of Russian history Jeffrey Mankoff argues that Russia's more assertive behavior since Vladimir Putin became president in 2000 has resulted from both a deep seated consensus among its elite about Russia's identity and interests as well as a favorable convergence of events including the persistence of high energy prices and the check on U.S. power resulting from the wars in Iraq and Afghanistan Because these factors are the result of long term trends the author argues that there is little reason to expect that the election of Dmitry Medvedev will fundamentally alter Russian foreign policy behavior Presenting an evenhanded treatment of controversial issues Mankoff analyzes Russia's interactions with major global actors including the United States the European Union the Commonwealth of Independent States and China Despite Moscow's often harsh rhetoric and the deployment of Russian forces against Georgia in 2008 the author convincingly demonstrates that there is little reason to fear a return to a Cold War like standoff with the West Instead he argues today's Russia is more interested in restoring what its leaders consider to be its rightful place among the world's major powers rather than in directly challenging the West Thoroughly researched and knowledgeable this book will be invaluable for all readers interested in Russia

The Sources of Russian Foreign Policy Assertiveness Angela Borozna, 2022-01-31 This book explores the sources of Russia's foreign policy conduct since the end of the Cold War It is aimed at those interested in Russian foreign policy international security and diplomacy The book embraces an eclectic approach by applying insights from several strands of IR theory exploring both international and domestic sources The author argues that Russian foreign policy is influenced by the country's strategic culture which exhibits some persistent elements inherited from Russia's imperial past and from Soviet times The challenges

to Russia's security interests from Western policies led to an increase in Russian foreign policy assertiveness. As a result, Russia is becoming more committed to Eurasian integration and nurturing relations with China. This book further argues that Russia's relations with the post-Soviet states have been and will remain a priority of its foreign relations and therefore Russia is likely to continue challenging any Western interference in these states. The author maintains that geoeconomics and the protection of overseas economic interests are becoming more prominent in Russia's foreign policy calculus. The role of domestic factors in the country's foreign policy such as authoritarianism, regime vulnerability and the role of political factions is also examined.

Russian Foreign Policy Jeffrey Mankoff, 2011-10-16. Now thoroughly updated, this widely praised book provides a thoughtful and balanced examination of the development of Russian foreign policy since the end of the Cold War. This edition also places developments of the past two decades into the broader sweep of Russian history. Jeffrey Mankoff argues that Russia's more assertive behavior since Vladimir Putin became president in 2000 has resulted from both a deep-seated consensus among its elite about Russia's identity and interests as well as a favorable convergence of events including the persistence of high energy prices and the check on U.S. power resulting from the wars in Iraq and Afghanistan. Because these factors are the result of long-term trends, the author argues that there is little reason to expect that the election of Dmitry Medvedev will fundamentally alter Russian foreign policy behavior. Presenting an evenhanded treatment of controversial issues, Mankoff analyzes Russia's interactions with major global actors including the United States, the European Union, the Commonwealth of Independent States and China. Despite Moscow's often harsh rhetoric and the deployment of Russian forces against Georgia in 2008, the author convincingly demonstrates that there is little reason to fear a return to a Cold War-like standoff with the West. Instead, he argues, today's Russia is more interested in restoring what its leaders consider to be its rightful place among the world's major powers rather than in directly challenging the West. Thoroughly researched and knowledgeable, this book will be invaluable for all readers interested in Russia.

Russia's Foreign Policy Andrei P. Tsygankov, 2013-02-14. Now fully updated and revised, this clear and comprehensive text explores the past quarter century of Soviet Russian international relations, comparing foreign policy formation under Gorbachev, Yeltsin, Putin and Medvedev. Drawing on an impressive mastery of both Russian and Western sources, Andrei P. Tsygankov shows how Moscow's policies have shifted with each leader's vision of Russia's national interests. He evaluates the successes and failures of Russia's foreign policies, explaining its many turns as Russia's identity and interaction with the West have evolved. The book concludes with reflections on the emergence of the post-Western world and the challenges it presents to Russia's enduring quest for great power status along with its desire for a special relationship with Western nations.

United Government and Foreign Policy in Russia, 1900-1914 David MacLaren McDonald, 1992. In 1904 a small, distant war brought Russia to the brink of internal collapse and yet within ten years the country embroiled itself in an incomparably larger conflict close to home. How the war with Japan and its aftermath actually steered Russia toward such an unlikely fateful

decision is the subject of David McDonald's book an analysis of Russian foreign policy on the eve of World War I **Russian Foreign Policy and International Relations Theory** Christer Pursiainen, 2017-07-05 An original and challenging examination of how to transform post Sovietological study of Soviet and Russian foreign policy into a more integrated part of the Social Sciences and International Relations Theory This book represents the first detailed and sustained synthesis international relations theory and Soviet Russian foreign and security policy in academic literature **Russian Foreign Policy** Jeffrey Mankoff, 2011-09-22 Introduction the guns of August Contours of Russian foreign policy Bulldogs fighting under the rug the making of Russian foreign policy Resetting expectations Russia and the United States Europe between integration and confrontation Rising China and Russia's Asian vector Playing with home field advantage Russia and its post Soviet neighbors Conclusion dealing with Russia's foreign policy reawakening *Russia's Foreign Policy* Aldo Ferrari, Eleonora Tafuro Ambrosetti, 2021-06-09 Who decides what in Moscow The answer is not always Vladimir Putin However when explaining Russia's foreign policy the consolidation of Putin's autocratic tendencies and his apparent stability despite many economic and political challenges have contributed at least in the West to an excessive Putin centrism and the relative neglect of other agents of domestic politics As a result many facets of the country's foreign policy decisions are misunderstood or shrouded under a thin veil of vagueness and secrecy This Report attempts to fill this gap exploring the evolving distribution of political and economic power under the surface of Putin's leadership to assess the influence of different lobbies on Russia's foreign policy All of the contributions in the volume underline the complexity of Russia's decision making process beneath the surface of a monolithic and increasingly personalistic government Russian Foreign Policy Nikolas K. Gvosdev, Christopher Marsh, 2013-08-22 In a truly contemporary analysis of Moscow's relations with its neighbors and other strategic international actors Gvosdev and Marsh use a comprehensive vectors approach dividing the world into eight geographic zones Each vector chapter looks at the dynamics of key bilateral relationships while highlighting major topical issues oil and energy defense policy economic policy the role of international institutions and the impact of major interest groups or influencers demonstrating that Russia formulates multiple sometimes contrasting foreign policies Providing rich historical context as well as exposure to the scholarly literature the authors offer an incisive look at how and why Russia partners with some states while it counter balances others **Russian Foreign Policy** Eric Shiraev, Konstantin Khudoley, 2018-12-12 Written by two leading scholars this cutting edge textbook provides a comprehensive re evaluation of Russian foreign policy in the 21st century covering its historical development key institutions and actors and processes principles and strategies It integrates domestic and global perspectives to give a more rounded and balanced assessment of Russia's place in the world This text will be essential reading on Russian foreign policy modules as well as on broader courses on Russian government and politics It can also be used as supplementary reading on more general comparative politics and foreign policy modules which use Russia as a key case study **Perspectives on Russian Foreign Policy**

(Enlarged Edition) Stephen J. Blank, Strategic Studies Institute, U.S. Army War College, 2013-05-21 The essays gathered here represent a panel at SSI's annual Russia conference in 2011. They focus on the analysis of Russian foreign policy both on its material side or actual conduct as well as on the cognitive bases of Russian thinking about international affairs and Russian national security. They span much of the gamut of that foreign policy and also show its strong linkages to the Russian historical tradition and to the imperatives of Russian domestic development. **Russian Foreign Policy After the Cold**

War Leszek Buszynski, 1996-08-23 This important new study drawing primarily on Russian sources analyzes Russian foreign policy in the context of an ongoing national identity crisis. The work examines Russia's foreign policy in terms of two salient factors: 1) political and economic reform given that foreign policy has been strongly influenced by reactions positive and negative to Yeltsin's reform agenda and 2) Russia's geopolitical predicament between Europe and Asia between East and West which requires it to reconcile various strategic imperatives with regard to NATO, China and the Islamic world. Buszynski's study reveals current Russian foreign policy as a process of interaction between these two factors, the result being considerable vacillation between support for the West and opposition to it. An important analysis that will be of interest to foreign policy and international relations experts in academia and government. *Explaining Russian Foreign Policy Behavior*

Alexander Sergunin, 2016-03-22 This book aims to explain the reasons behind Russia's international conduct in the post-Soviet era, examining Russian foreign policy discourse with a particular focus on the major foreign policy schools of Atlanticism, Eurasianism, derzhavniki, realpolitik, geopolitics, neo-Marxism, radical nationalism and post-positivism. The Russian post-Soviet threat perceptions and national security doctrines are studied. The author critically assesses the evolution of Russian foreign policy decision making over the last 25 years and analyzes the roles of various governmental agencies, interest groups and subnational actors. Concluding that a foreign policy consensus is gradually emerging in contemporary Russia, Sergunin argues that the Russian foreign policy discourse aims not only at the formulation of an international strategy but also at the search for a new national identity. Alexander Sergunin argues that Russia's current domestic situation defined by numerous socio-economic, inter-ethnic, demographic, environmental and other problems dictates the need to abandon superpower ambitions and to rather set modest foreign policy goals. **Understandings of Russian Foreign Policy**

Ted Hopf, 2010-11-01 Scholars from Asia, Europe and North America working with the support of the Finnish Institute of International Affairs combine their efforts to bring us new insights into how Russia has conducted its foreign affairs since the fall of Communism. Drawing on both archival sources and interviews, they cover such major issues as Russia's decision to use military force in Chechnya, its reactions to NATO expansion and its emergent relations with Japan and East Asia. The contributors are Eunsook Chung, Henrikki Heikka, Ted Hopf, Andrea Lopez, Hiroshi Kimura, Sergei Medvedev and Christer Pursiainen. **Russian Foreign Policy Since 1990**

Peter Shearman, 2018-02-12 A book which brings together leading experts on Russia's foreign relations providing the most comprehensive coverage of contemporary Russian foreign policy.

currently available in a single volume Detailed case studies of relations with specific countries and regions are complemented by chapters that examine the process of decision making conflict between domestic institutional actors the role of groups such as the military and Russia s search for a new identity *Russian Foreign Policy and the CIS* Nicole J.

Jackson,2003-09-04 This book provides a systematic study of Russian foreign policy and the separatist and civil military conflicts in the former Soviet republics following the collapse of the Soviet Union *Russia's Foreign Policy* D. Cadier,M.

Light,2015-06-30 This edited volume analyses the evolution and main determinants of Russia s foreign policy choices

Containing contributions by renowned specialists on the topic the study sheds light on some of the new trends that have characterised Russia s foreign policy since the beginning of Vladimir Putin s third presidential term **The Multilateral**

Dimension in Russian Foreign Policy Elana Wilson Rowe,Stina Torjesen,2008-10-06 This book examines the place of multilateralism in Russia s foreign policy It examines Russia s role and relationship with the G8 NATO EU Organization for Security and Cooperation in Europe OSCE Collective Security Treaty Organization and Shanghai Cooperation Organization covering a wide range of issue areas including nuclear non proliferation and trade

While this might not be the Russian Foreign Policy full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Russian Foreign Policy eBooks, including some popular titles.

FAQs About Russian Foreign Policy Books

What is a Russian Foreign Policy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian Foreign Policy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian Foreign Policy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian Foreign Policy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian Foreign Policy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
